

STINK & STUNK'S BASEBALL BIRD FEEDER

Presented by 

MATERIALS & SUPPLIES

- 1 cup birdseed mix
- 1 cup peanut butter
- Cupcake or muffin tin
- String, twine, ribbon, or wire

INSTRUCTIONS

1. Mix peanut butter and birdseed mix together until all seeds are evenly coated. If there is excess peanut butter, add more birdseed mix.
2. Spoon the seeds into your tinfoil mold, filling it halfway and pressing down to make sure it is well packed. Add your string on top to create something for the feeder to hang from (*Figure 1*). Add more seed mixture on top of the string. (*Figure 2*)
4. Place in fridge or freezer until peanut butter has set (approx. 1 hours)
5. Go outside and find the perfect spot to hang your feeder from!
