FENWAY PARK™ CHALK ART

Did you know?

For Fenway's 100th Anniversary in 2012, more than 18,000 fans purchased a personalized brick that will forever be a part of Fenway Park history. These bricks can be found in the Gate B and Gate C concourse area!

CREATE YOUR OWN BRICK CONCOURSE

If your home has a brick driveway or sidewalk, take some chalk and in each of the bricks write the names of someone you love, your favorite players, your favorite ballpark snack, etc.

Try to fill every single brick with a word or with a drawing!

If your home does not have a brick driveway or sidewalk, draw bricks (rectangle shapes) using chalk and fill them up to create your own Fenway Park brick concourse.
