FENWAY PARK™

CHALK ART

Did you know?

Part of Fenway's charm is the brick that makes up the ballpark! You will often find these brick walls at Fenway covered in murals of Red Sox logos, signage for hot dogs and ice cream, and more!

CREATE YOUR OWN MURAL

Grab your chalk and head outside! If your home has a brick driveway, sidewalk, brick wall or chimney, draw a Red Sox mural with chalk! Use the images of some of Fenway's murals for inspiration on what to draw.

Use your imagination, be creative, and have fun!

If your home does not have any brick areas, draw bricks (rectangle shapes) in your driveway using chalk and fill them with art!
