The Agriculture and New York State Horse Breeding Development Fund (the Fund) is a public benefit corporation established in 1965 by the Laverne Law (Laws of New York, Chapter 567 of the Laws of 1965). The mission of the Fund is to promote agriculture through the breeding of standardbred horses and the conduct of equine research within the State. To carry out its legislative mission, the Fund administers the New York Sire Stakes races, Excelsior/State Fair Series races, and County Fair Races. Additionally, the Fund provides assistance to county agriculture societies and contributes to the statewide 4-H program and to the Harry M. Zweig Fund for Equine Research.

INTRODUCTION

**Agriculture & NYS
Horse Breeding
Development Fund**

**The Honorable Andrew M. Cuomo,
Governor of the State of New York**

Members of the New York State Legislature

The Trustees of the Agriculture and New York State Horse Breeding Development Fund are pleased to present the Fund's 2018 Annual Report.

Agriculture is one of New York's leading domestic economic sectors and the state is noted for its diversity of products, including Standardbred horses. The Fund administers the New York Sire Stakes program, the nation's oldest harness racing program of its kind. The Fund's primary mission is to promote and preserve agriculture through the promotion of horse breeding and the conduct of equine research in New York State.

The performance of New York-bred horses in the breeding shed and on the racetrack, along with demand for them in the auction ring, demonstrate the value of the New York Sire Stakes program. Last year 743 separate events were contested for New York-breds in three different tiers to provide horses of all abilities the opportunity to earn and learn. Purses totaled \$14.2 million dollars for New York-breds and breeders were returned \$1 million in Breeders Awards.

New York Sire Stakes stars showed their skill on the state's seven harness tracks and across the country. Four National Dan Patch divisional champions all competed in the Sire Stakes program—two winning the Empire Breeders Classic and two remaining undefeated in their freshman campaigns. Almost a quarter of all the horses competing in the Breeders Crown Finals in October were bred in New York—26 of the 107 horses in 12 events. Our horses stole titles in the Hambletonian, Yonkers Trot, and Kentucky Futurity—a New York-bred Trotting Triple Crown—and in the Meadowlands Pace, Little Brown Jug and many other open stakes. They also toppled track and world records in a season to remember.

New York stallions remained among the leading national earners and offspring were highly sought after by breeders. New York boasts the leading trotting sire in the country by average earnings per starter for both 2 year olds and 3 year olds and our stallions are consistently among the top 10 nationally at both gaits by total earnings and average earnings per starter. In addition, New York-breds continued to garner strong prices at the yearling sales, averaging \$46,800 and \$38,478, at both premier sales in the country, the Lexington Selected Yearling Sale and the Harrisburg Yearling Sale, respectively.

In addition, the Fund provided \$150,000 in monies for equine education and promotion and more than \$320,000 in funds for the Harry M. Zweig Memorial Fund for Equine Research at Cornell University College of Veterinary Medicine. These efforts help the Fund fulfill its mission and purpose.

As the demand and quality of New York horses continues to be strong, so will the economic and agricultural benefits that the Standardbred breeding and racing industries provide to the State of New York. The Agriculture and New York State Horse Breeding Development Fund will continue to promote and support this progress and is excited to share these results with you.

STATEMENT OF CASH FLOWS

	Year Ended* Dec 31,2018	Year Ended Dec 31,2017
CASH FLOWS FROM OPERATING ACTIVITES		
Cash received from Handle, Breakage, VLTs & Other Fees	\$16,093,894	\$15,970,509
Cash Received From Interest on Cash & Cash Equivalents	\$95,348	\$85,248

Preliminary

DISPERSAL OF FUND MONEY 2018

The Agriculture and New York State Horse Breeding Development Fund's disperses money through:

- County- and town-fair reimbursements for Repairs/property improvements (maximum \$6,000) and Racing Administration (maximum \$2,000 - totaling \$8,000). Total of \$8,000 maximum decreased by fess paid by the Fund for each fair. (2018 Fees Paid - \$41,650). Total number of fairs that conducted a New York Sire Stakes racing program in 2018 was 20.
- Prize money of \$24,000 plus horsemen fees allocated to competing horsemen at each of the 20 participating county and town fairs, including County Fair finals.
- Prize money, listed as "Stakes Purses," for upper-echelon races (Sire Stakes and Excelsior events). This money was distributed to the seven NY pari-mutuel tracks and Goshen. The pari-mutuels are Batavia in Genesee County; Buffalo in Erie County; Monticello in Sullivan County; Saratoga Raceway in Saratoga County; Tioga Downs in Tioga County; Vernon Downs in Oneida County, and Yonkers in Westchester County. Goshen is in Orange County.
- Breeders' award money was distributed to horsemen, according to their listed residence.

WESTERN NEW YORK

County	Fair Purses	Reimbursements	Stakes Purses	Breeders Awards

Non Resident				\$280,515
Totals	\$601,850	\$116,168	\$13,598,700	\$1,000,000

Fair purses included funding of \$5,000 and additional funding from outside sources of \$1,300 for RUS races.

*Not all W9 forms have been collected from breeder award recipients as of the date of this report.

** Non-resident Breeders Awards totaled \$280,515 or 28.1% of the total.

EQUINE RESEARCH

In 2018, the Fund contributed \$320,494 to the Harry M. Zweig Memorial Fund for Equine Research for a variety of medical research projects.

The Harry M. Zweig Memorial Fund for Equine Research honors the late Dr. Harry Zweig, a distinguished veterinarian, and his numerous contributions to the state's equine industry.

In 1979, by amendment to the pari-mutuel racing and wagering law, the New York State legislature created the Harry M. Zweig Memorial Fund for Equine Research to promote equine research at the Cornell University College of Veterinary Medicine.

The Harry M. Zweig Committee was established for the purpose of administering the fund and is composed of individuals in specified state agencies and equine industry positions and others who represent equine breeders, owners, trainers, and veterinarians.

The Fund is proud to support the Harry M. Zweig Memorial Fund for Equine Research. This first-rate research helps to provide protection and preventative planning for the equine industry, which in turn helps to ensure a healthy and positive future for the horse racing industry.

By law the Agriculture and NYS Horse Breeding Development Fund contributes two percent of its yearly revenue to the equine research fund.

ECONOMIC IMPACT

OVERVIEW

Standardbred racing and breeding in New York State generates \$795 million annually. Racing at the state's seven pari-mutual harness tracks generates capital investments, local jobs and state and local taxes, while the breeding industry drives yearling auctions in the state and agricultural benefits like purchasing of farm equipment and farm products and preserving working farmlands. A 2012 study found that each racehorse in the state generates \$92,100 in economic impact and 80 jobs are created for every 100 horses. Both the breeding and racing of Standardbreds in the state are interconnected to generate the largest possible impact on the economy. As you can see in the chart (next page), since the installation of VLTs at racetracks after 2001, the total economic impact of harness racing in the state increased 190% to \$795 million. During the same period, total jobs generated by the industry nearly tripled to just over 6,500.

RACING

A state breeding program can only be successful if it attracts the quality of stallions and mares that can produce champions. The excellence of New York-bred horses was on display at racetracks around the country in 2018. In fact, New York-bred horses swept the Dan Patch Awards for trotters. These divisional honors are voted on by the U.S. Harness Writers Association and celebrate the best horses in the country each year.

In 2018, 3-Year-Old Female Trotter Atlanta became just the 14th filly to win the Hambletonian against male horses and boosted her career earnings over \$1 million. She won eight of 14 races this year, including the Empire Breeders Classic, and was second in the Breeders Crown. She easily scored in New York Sire Stakes divisions at Vernon Downs and Tioga Downs.

3-Year-Old Male Trotter Six Pack trotted a world-record mile of 1:50 in the Stanley Dancer Memorial, and then lowered that mark with a 1:49.1 performance in the Kentucky Futurity. He won the Yonkers Trot, Empire Breeders Classic and legs of the NYSS at Vernon Downs and Yonkers Raceway. The colt earned \$970,573 in 2018 and nearly \$1.17 million in his career.

2-Year-Old Male Trotter Gimpanzee (Chapter Seven-Steamy Windows) went undefeated in nine starts in 2018, including a Breeders Crown, six legs of the New York Sire Stakes and a tour of the winner's circle on the New York Night of Champions at Yonkers Raceway. He earned \$591,358 in his first season.

2-Year-Old Female Trotter Woodside Charm (Chapter Seven-Fireworks) was another New York Sire Stakes and Breeders Crown Champion who went undefeated with seven victories. She won three legs of the NYSS, including a world record finish on the half-mile track at Saratoga in 1:53.4.

While breeders and owners hope for a horse that can compete on the national stage for the largest purses, yearling buyers demand a strong Sire Stakes program when selecting a horse to ensure the greatest potential to earn money and New York provides a secure future. More than \$14.2 million was distributed as purses for New York-bred horses in 2018. That was available for horses competing in three different tiers of the program and in the Empire Breeders Classic. A total of 26 horses earned more than \$100,000 in Sire Stakes action alone in 2018 and the highest single earner took home \$288,583 in Sire Stakes purses for her connections. This earning potential makes New York a very attractive destination for breeding and racing.

ECONOMIC IMPACT

BREEDING

The New York Sire Stakes is unique in that it requires mares to be bred by stallions within the borders of the state. This means that while other states may only generate agricultural benefits from the stallions residing there, New York also benefits from the mares. Additionally, the state's Breeders Award program incentivizes mares who live in the state for at least 180 days, much longer than it would take to just breed them and confirm pregnancy. This longer stay enhances the economic benefit realized by the state. If the offspring of those "resident" mares perform well in the New York Sire Stakes program, the breeder (owner of the mare at the time of the mating) receives a financial award.

Total Breeders Awards in 2018 were \$1 million. Breeders also generate income from selling offspring at yearling sales. Two yearling auctions are held in the state at Goshen in Orange County and at Morrisville State College in Madison County. You can see more information on the results of these sales on page 19. As New York-bred horses continue to be desired by buyers, they will generate strong returns for New York breeders and encourage more investment in the state.

ECONOMIC IMPACT	2001	2013	% CHANGE
Direct Impact	\$117,100,000	\$336,400,000	+ 187%
Indirect Impact	\$156,700,000	\$458,400,000	+ 193%
Total Impact	\$273,800,000	\$794,800,000	+ 190%

JOBS IMPACT	2001	2013	% CHANGE
Direct Jobs	690	1,970	+ 186%
Indirect Jobs	1,560	4,570	+ 193%
Total Jobs	2,250	6,540	+ 191%

2018 BREEDERS' AWARDS PROGRAM

The Breeders' Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program.

The Breeders Awards program provides rewards for each level of New York Sire Stakes (NYSS) racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based award. Only breeders of horses finishing in positions first through fifth in the NYSS racing program will benefit from the Breeders Awards program.

Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. Each year, mare owners must certify that their mare has met these requirements and the Fund uses inspectors to verify residency status.

Breeders Awards payments are based on NYSS race participation during the calendar year. In 2018, the equivalent of nearly 20 percent of a 2-year-old's earnings were returned to their breeder and more than 15 percent of a 3-year-old's earnings were returned to their breeder. This calculation is made each year depending on the pool of resident mares and the Sire Stakes program earnings of the resulting foals. In addition, 12 breeders earned more than \$15,000 in Breeders Awards and 161 different entities received funds in 2018.

The Fund only paid out Breeders Awards based on mare residency in 2018, having phased out performance-based awards in 2017. The new formula for Breeders Awards ensures the largest possible return to the state in agricultural benefit.

2018 NEW YORK SIRE STAKES PROGRAM

The New York Sire Stakes is the state's premier harness racing program designed to promote the breeding, buying and racing of Standardbred horses in New York State.

The New York Sire Stakes is the nation's oldest harness racing program of its kind.

NEW YORK SIRE STAKES

The most talented NY bred two- and three-year-olds vie for enhanced purses at pari-mutuel tracks throughout the state.

EXCELSIOR SERIES

A second-tier program designed for late blooming two- and three-year-olds, with multiple legs leading to a lucrative final for the leading point earners in the series. Part of the Excelsior series includes the State Fair series pari-mutuel meet that features two- and three-year-old races for New York-bred trotters and pacers. Additionally, three-year-old races are held at Goshen Historic Track.

COUNTY FAIR SERIES

Championship races at each age and gait give New York State's local summer fairs a unique twist. It's the best "earn as you learn" program in Sire Stakes racing with non pari-mutuel racing at 20 agricultural fairs throughout New York State.

INDUSTRY COMMENTS

“I’ve raced a lot of horses in a lot of jurisdictions—and for a well-rounded and well-run program—you can’t ask for anywhere better than New York. The New York Sire Stakes has a program for everybody — the tiers and balanced approach to racing is helping further develop our industry in the state.”

Mark Ford, Owner
Goshen Yearling Sale

“The New York Sire Stakes program offers a lot “The New York Sire Stakes has made great progress in promoting our sport—and making it more convenient to take part in it. We have just wrapped-up a great season of racing. We are fortunate to have great horses in our races. I had the chance to drive some really solid colts and fillies. I hope the Sire Stakes continues to grow and make an even bigger impact on the sport.”

Tyler Buter
Among the Top 10 drivers in the NYSS

“Batavia Downs Gaming is extremely proud and excited to have been selected to host the finals of the 2019 New York Sire Stakes as this series has annually been a centerpiece of our live racing presentation since its inception in 1965. Our track has been committed to the development of New York bred horses going back to the 1950’s when we facilitated our own colt and filly stakes. The New York Sire Stakes promotes the breeding of top-flight horses that compete at the highest levels of the sport throughout North America. But it also has a profound impact on the economic infrastructure of the state by providing good, full-time jobs for hundreds of trainers, drivers and grooms as well as ancillary commerce for accompanying industries like farming, transportation, veterinary and farriers. The NYSS reaches well beyond the realm of racing alone.”

Todd Haight
Director/GM of Live Racing
Batavia Downs Racetrack

INDUSTRY COMMENTS

“Our family has been involved with horses at New York County Fairs for generations. Since I was a child, I was taught how to develop, care for and train winning horses. All my horses are Fair horses and we’re always thrilled when one proves to be a competitor at the next level. Our family is proud to be part of the New York Sire Stakes. It’s a great program that promotes a great industry. We take great pride in our involvement and look forward to an exciting future for the Sire Stakes and racing in the Empire State.”
