Deep in the forest in a moonlit glade, the King and Queen
of the Fairies, Oberon and Titania, are quarrelling over a
changeling boy whom each claim as their page.

While Titania sleeps, Oberon plots his revenge. He sends his
mischievous sprite Puck through the forest to fetch a magic
flower, the dew of which will make Titania fall in love with
the first living thing she sees upon waking.

A devoted couple, Hermia and Lysander, and their unhappy
friends, Helena and Demetrius, enter the forest. Helena's
feelings for Demetrius are unrequited. Oberon orders Puck
to use some of the magic flower to charm Demetrius into
love with Helena. Puck mistakes the two men and confusion
ensues.

While the amorous fates of the four mortals are entangled,
a group of rustics wander into the glade. In an act of
mischief, Puck transforms one of them, Bottom, into an ass.
On waking, Titania immediately falls in love with Bottom
and takes him into her bower.

Taking pity on the lovers, Oberon restores Lysander
to Hermia and leaves Helena to Demetrius. Titania is
released from her enchantment and is reunited with her
king. Bottom, returned to human form but with dreamlike
memories of what has happened to him, goes on his
puzzled way.

GUIDELINES

Photography and filming are prohibited during performances in any of our auditoriums. You are welcome to take pictures throughout the rest of the building and before performances and share them with us through social media. Commercial photography and filming must be agreed in advance with our press team.

Larger bags and backpacks need to be checked into our complimentary cloakrooms. Unattended bags may be removed. Please do not place any personal belongings on the ledges in front of you.

Only bottled water and ice cream purchased from the premises can be taken into the auditorium. If you arrive late to the auditorium or leave during a performance, you will not be allowed back to your seat until the interval or a suitable break.

Smoking and vaping are not permitted anywhere on the premises.

The safety of our visitors, staff and artists is still our priority. To help us provide a comfortable experience for everyone, please be mindful of others and their personal space.

Our staff are committed to treating everyone with dignity and respect and we ask that you show them and your fellow audience members respect too. We adopt a zero-tolerance approach in response to anyone who interacts with our staff or with fellow audience members in an intimidating, aggressive or threatening manner.

DIGITAL CAST SHEETS

We are working hard on our commitment towards becoming more sustainable and are striving for our net zero goal of 2035. By using digital rather than printed cast sheets, we have reduced our paper consumption by over five tonnes per year. You can view our digital cast sheets on a computer, tablet or smartphone by scanning the QR codes displayed around the building using your smartphone's camera app. They are also displayed on screens outside the auditoria. Cast sheets are generously supported by the Royal Opera House Endowment Fund.

SUPPORT OUR ONGOING RECOVERY

We are so glad to welcome our artists back to our theatres to perform for you the opera and ballet you love. During the pandemic we lost £3 in every £5 of our income and we continue to feel the impact as we recover. Sustaining the future of ballet and opera has never been so important. Please consider making a donation to the Royal Opera House community today and help support the future of ballet and opera.
