Matt Florell, President

Subject: Florida Statewide survey conducted for StPetePolls.org

Date: June 4, 2019

Executive Summary:

This poll of 3,790 registered Florida general election voters was conducted from May 6, 2019 to June 1, 2019. This poll used the registered voter lists supplied by the state of Florida as of April 2nd, 2019. The sample of voters that were contacted included random samples of registered voters within the boundaries of the state of Florida.

The issues surveyed included questions related to proposed Florida Constitutional Amendments.

Methodology:

The poll was conducted through an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active voter population for the state of Florida. The weighting demographics used were: political party, race, age, gender and media market.

The scientific results shown for the questions below have a sample size of 3,790 and a 1.6% Margin of Error at a 95% confidence level.
