

EXECUTIVE DEPARTMENT,
St. Paul, August 11, 1858. }

To the Hon. Wm. Holcombe, President of the Senate :

SIR:—I return to the Senate without my signature, S. F. No. 251, an act to amend an act entitled "An act to incorporate the town of Mantorville." It is obnoxious to the same Constitutional objection which restrained me from giving my approval to the act to "Incorporate the town of Sauk Rapids in the county of Benton," which I caused to be returned to the Senate on the 10th inst. The eighth section of the act provides that the president, "as a judicial officer, shall have concurrent jurisdiction with justices of the peace of the counties of Fillmore and Olmsted, of all cases for the violation of any ordinance of said town or under the laws of the State," thus clearly creating an inferior court outside of, and unknow to, the Constitution.

Respectfully,

HENRY H. SIBLEY.

On motion of Mr. Hall, the Bill referred to in the Governor's Message, was laid upon the table.

The following was received from the Governor:
