STATE OF MINNESOTA, EXECUTIVE DEPARTMENT, }  
 SAINT PAUL, March 3, 1864. }

*Hon. Jared Benson,*

*Speaker of the House of Representatives :*

SIR : I herewith return H. F. No. 171, entitled " An act to vacate certain portions of Pine Bend," without my signature.

I have arrived at this result for the following reasons :

1st—I have no information, and it is fair to presume that the Legislature has none, as to whether the public, as well as individuals having acquired an interest, may not be

seriously damaged by vacating the streets and lands included in this bill.

2dly—No such vacation can, in my judgment, be granted with propriety until it shall appear that parties who have vested rights in the premises have been notified of the application, as is contemplated by existing laws.

3d—Sections 13 and 14, chapter 26 of compiled statutes, provide a prompt and effectual method for securing the objects of this bill by resort to the courts, and also protect the interests above referred to.

Very respectfully,

S. MILLER.
