STATE OF MINNESOTA, EXECUTIVE DEPARTMENT,
ST. PAUL, Feb. 26, 1885.

Hon. John L. Gibbs, Speaker House of Representatives,

SIR: I herewith return unsigned

H. F. No. 602, An act to amend section two of chapter eighteen, General Statutes of one thousand eight hundred and seventy-eight, relating to division fences.

My objections to this bill are:

First—That the reference to the section to be amended is erroneous.

Second—That it is special legislation under the form of an amendment of a general law.

Third—That it limits the application of the amended general law to Houston County only.

Very respectfully,

L. F. HUBBARD,
Governor.

On motion of Mr. Dyar,

H. F. No. 602, An act to amend section two of chapter eighteen, General Statutes of one thousand eight hundred and seventy-eight,

Was laid upon the table, together with the governor's veto of the same.

Mr. Drake introduced the following resolution:

Resolved, That the governor be requested to at once have experts examine the State capitol building with reference to its present safety.

Which was adopted.

Mr. Case offered the following resolution:

Resolved, That the Speaker appoint a committee of safety, consisting of three members of this House, to examine into and report to the House as to the safety, ventilation and durability of this capitol building.
