

May 21, 1965

The Honorable A. M. Keith

Sir:

In transmitting S. F. No. 251, passed by the Legislature in the 1965 Session, with my signature, I hereby notify you that this approval does not include the approval of one item of appropriation contained in Section 4, Subdivision 9 on page 10, and that I am therefore vetoing that item which reads:

“Subd. 9. Harry J. Hooley, Route 4, Stillwater, Minnesota. For flood damage caused by highway construction. 400.00” and that this item shall therefore not go into effect.

I am vetoing this item because I have been advised by Representative Yngve that this was included in this bill by mistake and that it is being taken care of elsewhere.

Sincerely yours,

Karl F. Rolvaag, Governor.
