Current News

Dear Speaker Sviggum:

Policy

It is my honor to inform you that I have received, approved, signed and deposited in the Office of the Secretary of State, Special Session Chapter Number 12, House File Number 8, with the exception of page 5, section 8, subdivision 3, lines 32-37.

For Citizens

Press Office

I believe the Legislature has done a good job in recognizing the state's priority investments and limiting the overall size of this emergency bonding bill. I have respected every effort that reflects emergency projects with stateside significance, and signed into law all but one project authorized in the bill. The item that I have vetoed is:

The Administration

Lt. Governor

Page 5, section 8, subdivision 3, lines 32-37.

First Lady

I am vetoing the \$ 1,000,000 appropriation to the St. Paul Port Authority for acquisition of the Trillium site in the city of Saint Paul. This project was not pre-approved by all parties involved in negotiating a final agreement on the bill, and is not an emergency item.

Sincerely,  
Governor Jesse Ventura
