Dear Friends:

I am once again pleased to recognize March 2017 as "National Problem Gambling Awareness Month" in the state of Montana. I commend the Montana Council on Problem Gambling for their efforts to provide support and services to Montanans.

Gambling negatively affects the lives of millions of Americans, and Montana is no exception. I appreciate the dedication to raise awareness of problem gambling in our state. It is important that those who have this disorder can find the help and understanding they need to overcome their addiction.

I encourage all Montanans to reach out to members in their community and join me in acknowledging March 2017 as "National Problem Gambling Awareness Month."

Sincerely,
