Dear Montana Council on Problem Gambling:

I am once again pleased to recognize March as "National Problem Gambling Awareness Month" in the State of Montana.

Gambling negatively affects the lives of millions of Americans, and Montana is no exception. I appreciate your efforts to raise awareness for problem gambling in our state. It is important that those who have this disorder can find the help and understanding they need to overcome their addiction.

I encourage all Montanans reach out to members in their community and join me in acknowledging March as "National Problem Gambling Awareness Month."

Sincerely,
