

PUZZLE POTATOES

Here's a menu item that will encourage kids to play with their food. When baked, these innovative Puzzle Potatoes are a fun and healthier alternative to regular fries, offering something both parents and kids will love.

Exceptional menus start with top-notch ingredients

Monarch® has been one of the most trusted food brands in America for more than 150 years. We offer products for operators who want quality and consistency in pantry staples. Each item ensures outstanding flavor, convenience and value.

Product Inspiration

Play with your food! Puzzle Potatoes are new innovative and interactive potatoes for kids. Our proprietary puzzle-piece shapes encourage kids to “build a tower before they devour” these tasty potatoes. Also great as a bar snack.

A versatile product, you can either fry or bake the potatoes. They contain 15% less sodium than other shaped and formed potatoes; and when baked, our product has 30% less fat.
