

EBANX MICROPAYMENTS

EXCLUSIVE **PAYOUT MICROPAYMENTS (< USD 5) FLOW TO PAY AND REWARD USERS, INFLUENCERS, SUPPLIERS, SELLERS, ETC.**

Merchant Need

Reduce operational costs and improve users, influencers, suppliers, sellers or any contractors' satisfaction when paying or rewarding them small amounts of money cross-borderly.

EBANX Solution

Micropayments is an exclusive payout solution for cross-border payments and rewards under USD 5 which ensures fast, consistent and low cost transactions.

Micropayments is the ideal solution for

Global merchants in the gaming, social Media & ADs, streaming, sharing economy, e-commerce, or any other industry that needs to pay and/or reward small amounts of money to suppliers, sellers, users, influencers, etc.

How does it work?

Merchant adds balance for payout

Merchant requests the payout

EBANX automatically verifies the seller

EBANX requests the payment to the payment method connected

The money is transferred to the receiver

Key

Benefits

Single to mass payments

for international transactions with diverse local payment methods, such as bank transfers, digital wallets, and instant payments.
