Triumph e-Newsletter

ADAA's free consumer-focused e-Newsletter that covers resource and articles on anxiety, depression and co-occurring disorders. Sent monthly to more than **40,000 subscribers**.

ADAA NEWS

Nearly 450 million people worldwide are living with a mental illness. Mental Health Awareness Month brings together our community as we highlight the importance of having conversations to break the stigma surrounding mental health.

Anxiety disorders and depression are treatable. Many people experience meaningful symptom relief and improvement in their quality of life with professional care. ADAA's professionals help you [understand anxiety disorders](#). ADAA's website provides information about the different [therapy treatments](#) and the [types of mental health care professionals](#) to learn what is best for you.

Understanding Treatment Options

Learn More about your treatment options in this ADAA Video Series:
[What is Cognitive Behavioral Therapy \(CBT\)?](#)
[What is Dialectical Behavior Therapy \(DBT\)?](#)
[What is Acceptance and Commitment Therapy \(ACT\)?](#)
[What is Exposure Therapy?](#)

SUPPORT ADAA THIS MENTAL HEALTH AWARENESS MONTH
