Greetings!

I am pleased to present the Secretary of State's 2024 edition of the California Roster (CalRoster), as compiled by the Office of the Secretary of State. This comprehensive resource offers an extensive directory of contact details for California's governmental figures, alongside historical insights into constitutional offices and state emblems. Encompassing federal, state, and county government officials, judicial officials, incorporated city and town officials, and state agency information, the CalRoster serves as a vital reference tool.

Access to the California Roster is exclusively online. Each year, a new edition is made available on the Secretary of State's official website, accessible at www.sos.ca.gov.

Please contact our office with Any updates or modifications to the information at calroster@sos.ca.gov.

Respectfully,

Shirley N. Weber, Ph.D.
California Secretary of State
