Part-Time Legislature. Initiative Constitutional Amendment.

SACRAMENTO – Secretary of State Debra Bowen today announced that the proponent of a new initiative may begin collecting petition signatures for her measure.

The Attorney General prepares the legal title and summary that is required to appear on initiative petitions. When the official language is complete, the Attorney General forwards it to the proponent and to the Secretary of State. The Secretary of State then provides calendar deadlines to the proponent and to county elections officials, and the initiative may be circulated for signatures. The Attorney General's official title and summary for the measure is as follows:

Directs the Legislature to convene in early January for up to thirty days and again in early May for up to sixty days. Allows the Legislature to reconvene for up to five additional days to reconsider bills vetoed by Governor. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local government: Potential annual state savings of tens of millions of dollars.
