**Subject:** New Report Per 28-51-105

Good Afternoon, Brett –

I am writing you per Idaho Code 28-51-105 to report a breach of information security that occurred with a vendor that provides services for one of our sister Blue plans that is located in Texas. We have been informed that this incident impacts 16 Idaho residents, with one of those persons potentially having their social security number disclosed. Our sister Blue plan is ensuring that all state and federal requirements relating to a Breach of HIPAA and so on are being followed. These members will be receiving individual notice and will be informed what data elements that they may have at risk.

I wanted to provide you with this initial report and would be happy to provide additional details by email or to set up a quick phone call with myself and Brian Wonderlich. Just let me know what is convenient for you.

Thank you,

Chris Jenkins
