Email registrations do not require a PIN.

NOTIFICATION

Once registered, you will be notified about offender custody status in county jail changes such as release, transfer, or escape.

When VINE calls, listen to the message, then enter your PIN followed by the pound (#) key when asked. Entering the PIN lets VINE know that you received the call and will stop the service from calling you again.

No PIN is required to register for email notifications. You will receive one email when there is a change in custody status.
