Credential Evaluators, Inc.

Setting the standard for credentials evaluation

January 2017

Dear Friend,

The Association of International Credential Evaluators (AICE), a non-profit professional association of international credential evaluators from private credentialing services and U.S. academic institutions, will hold our second annual Symposium on April 5-6 at the Millennium Hotel in Minneapolis, MN.

We're currently looking for sponsors for the 2017 Symposium. Can we count on your support?

The theme for the 2017 Symposium is "Setting the Standard for Graduate Admissions: Three-year degrees and other admissions challenges." Our 2016 Phoenix Symposium attracted more than 30 high-level decision makers from academic institutions, non-profit education associations and private credential evaluation services from around the country. We anticipate the attendance will double for the 2017 Symposium.

We hope we can count on you to sponsor an event at the AICE 2017 Symposium. As a sponsor, your donation will be recognized at our event in several ways to help increase brand visibility and make a lasting impression. Your name will be placed on all materials and banners that publicize the event, including our website, and you will be recognized verbally at the event itself. If you wish to include any merchandise in addition to your sponsorship, it will be displayed at the Symposium for the attendees.

We hope that we can count on you to help support our cause. If you have any questions or concerns, please feel free to contact me at jasmin@alice-eval.org.

Thanks in advance for your consideration!

Sincerely

Jasmin Saidi-Kuehnert
