2020-21 ALL-NBA TEAM VOTING RESULTS

The 2020-21 All-NBA Team was selected by a global panel of 100 sportswriters and broadcasters. Players were awarded five points for each vote to the All-NBA First Team, three points for each vote to the Second Team and one point for each vote to the Third Team. Voters selected two guards, two forwards and one center for each team, choosing players at the position they play regularly. Players who received votes at multiple positions were slotted at the position where they received the most votes.
