

Application for admission to PhD programme in Health Science

Programmes at the faculty of Health Sciences	Relevance
Behavioral Analysis	
Health Sciences	

Personal data

Last name		Middle name(s)		First name(s)	
Date of birth: dd.mm.yyyy		Nationality		Gender	
Registered address					
Postal code	Postal district		Private/mobile phone no	Email address	
Address of current employer					
Postal code	Postal district		Work phone no		

The following documents must be enclosed with the application (see section 5):

1. Diplomas and transcripts of grades for master's degree/second degree (*hovedfag*) or similar.
2. If relevant, diplomas from other relevant institutions/programmes of study, from higher education only.
3. A project description of 5–11 pages, including topic, research questions, choice of methods, schedule for the completion of the programme and, if relevant, a list of references.
4. Information about when and by whom the project has been peer reviewed.
5. A list of publications, if relevant (not including second degree theses, master's theses, independent assignments).
6. Curriculum Vitae (CV).
7. Documentation of researcher training funding.
8. Documentation of any previous courses that you wish to have approved on admission. (Transcript of grades and course description with list of references)
9. Confirmation of identity (copy of passport or similar, possibly confirmation of name change).
10. If relevant, any approvals from ethical committees etc.

11. A written confirmation from the proposed main supervisor that the ethical and privacy issues have been resolved in the PhD project, including a reference to the case number from REK, NSD and/or data protection officer
12. Operating budget (a concise overview of what it costs to carry out the project). Salary costs shall not be included.
13. Data management plan (if this plan is not ready at the time of application, it must be submitted no later than three months after admission)
14. ROS analysis (if this analysis is not ready at the time of application, it must be submitted no later than three months after admission).

Academic background

Academic degree forming the basis for admission		
Name of degree	Educational institution	Exam year/semester

Title of second degree thesis/master's degree thesis or similar

Any relevant education after upper secondary school (diplomas must be enclosed)		
Type of education	Educational institution	Exam year/semester

Any relevant practical training after the second degree/master's degree or similar				
Employer	Position	Time period	Reference person	Tel.

Plans for the PhD programme

Scheduled start	Scheduled completion
Year/semester	Year/semester

Working title of thesis
Give an account of any legal and/or ethical issues raised by the project.
<p>Does the PhD project require registration of personal data? (Personal data are all information and assessments that can be linked to individuals)</p> <p><input type="checkbox"/> Yes – you must apply for approval</p> <p><input type="checkbox"/> No</p> <p><input type="checkbox"/> To be clarified within three months of admission. If the answer is yes, you must apply for approval.</p> <p>Does the PhD project require registration of sensitive personal data? (Personal data on racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, genetic data, biometric data processed solely to identify a human being, health-related data, data concerning a person’s sex life or sexual orientation, criminal convictions and offences)</p> <p><input type="checkbox"/> Yes – you must apply for approval</p> <p><input type="checkbox"/> No</p> <p><input type="checkbox"/> To be clarified within three months of admission. If the answer is yes, you must be apply for approval.</p> <p>Does the project require permission from the Norwegian National Research Ethics Committees, NSD or others? (Such permission should be obtained and enclosed with the application, if possible).</p> <p><input type="checkbox"/> Yes, from: _____</p> <p><input type="checkbox"/> No</p>
Project summary
No more than 2,000 characters (less than one page). NOTE: A complete project outline must be enclosed separately.

Will the thesis be a continuation of the second degree thesis or master's thesis? (yes/no)
If yes, please elaborate:
The thesis's area of scientific specialisation/field (key words)

External applicants (for applicants who do not have a research fellow position on the PhD programme in question)	
Desired place of work	Department
Brief description of the external research community (field, focus, size, relevance to own research)	

Main supervisor – please note that the doctoral committee formally appoints the supervisor(s)			
Name	Position	Place of work	Email address and, if relevant, mobile no
The proposed main supervisor		has been contacted (yes/no):	is willing (yes/no):
Proposal for co-supervisor			
Name	Position	Place of work	Email
The proposed co-supervisor		has been contacted (yes/no):	is willing (yes/no):

Planned PhD courses		
Course name	Semester	Educational institution
Courses you wish to have approved on admission		
Name of course	Educational institution	Appendix no:

Planned stays abroad:			
Institution	Country	Purpose	Period

Source of funding/salary etc. OsloMet, the Research Council of Norway or other	Type of funding (grant, project grant, employment etc.)	Duration: from/to	In case of required duties, state the percentage

Is the PhD work included in a larger research project?		YES	NO	
If, YES, provide the following information about the project:				
Name of project	Institution	Person responsible for the project	Source of funding:	Included in research programme:

Have you previously applied for a research fellowship position and/or admission to a PhD programme at OsloMet or elsewhere?	YES	NO
If YES, state when and where		

Appendices (ref. section 2)

State all appendices and number them:

Appendix:	Appendix number

Privacy declaration

Since we need personal data from you, please read the privacy declaration for the Common Student System (FS). Among other things, the privacy declaration includes information about why and how we process your personal data and the legal basis for the processing.

<https://ansatt.oslomet.no/personvernerklaring-felles-studentsystem>

I have read and understood the privacy declaration for the Common Student System (FS)

Signature

I am aware that if I provide incorrect, incomplete or misleading information, I forfeit my right to complete the programme, and I hereby confirm that all submitted documents are genuine. Forgeries fall under the General Civil Penal Code Section 182, and will be reported to the police.
