About Us

Hindustan Institute of Technology and Science is one of the premier educational institutions in India, established in the year 1985, and from then on relentlessly working towards imparting education in such a way that it promotes holistic development in students.

HITS always understood the need of the environment and created educational standards to meet that need. In this venture, the current requirement in today's world is to have healthy individuals who are physically, psychologically, socially & emotionally healthy.

To meet this requirement the institution emerged with the idea of BA Psychology in 2020. The programme has strong academia who guide the students academically, technically and prepare psychology students to be a source of strength to their families and society.

Club TEFA

The department has an active, dynamic Psychology club - TEFA (Thinking, Emotions, Feeling & Actions) where international seminars, events, interactive sessions, fundraisers & community awareness projects are organized frequently.

BACHELOR OF ARTS in Psychology

ELIGIBILITY

A minimum 50% pass in Higher Secondary Examination (10+2) or Equivalent in any stream

With the current surge in demand for mental health professionals all over the world, the time has come to train the students' expertise in this field. Our students are given the highest quality exposure to various areas of specialization in Psychology by faculty experts, who hold experience from different countries.

Constant support by the expert faculties and exposure to new updated curriculum meets the industry requirements; and this in turn paves the way to further their academic specialization in related areas. Earn your degree with Honours and add on Minor Certificates.
