GROUP OF INSTITUTIONS
CHENNAI

As the passion for Automobiles was overwhelming, in 1965, Late Dr. K.C.G. Verghese took teaching assignments in Automobile Engineering subjects and was coaching students for British Automobile Examination as well. It was at this juncture he knew he was all set for his own venture; and in 1966 Hindustan Engineering Training Centre (HETC) commenced operations as an institute. HETC later became Hindustan Institute of Engineering and Technology (HIET) and its reputation was high amongst foreign countries than in India. Students from Sri Lanka, the African continent, the Gulf countries, Singapore and Malaysia gradually, yet steadily, opted for HIET. This irresistible quest for knowledge slowly paved the way for the commencement of other Institutions under Hindustan Group of Institutions (HGI).

A mascot is a human or non-human animal, or object used to represent a group with a common public identity, such as a school, professional sports team, or brand name. A Mascot makes a physical and emotional connection with the spectators leaving them light-hearted; and gives memories to hold dear.

HITS proudly introduces its mascot—Hindustan Lions! Our Mascot Hindustan Lions personifies the motto and valour of HITS. In a jam-packed sports or cultural crowd, you're certain to note the giant Hindustan Lions' walk and mingle with you; cheer for you, dance with you, and throw a smile on your face the moment you see them. Hindustan Lions is so amiable and adorable: you can click a selfie, give it a high-five, or even hug. With Hindustan Lions taking up the lead in various events organized at HITS, it is certain the momentum will double; and the victory roar, the loudest!
