What member districts are saying

ASBSD Online Policy Services makes it easy to ensure the policies that govern your district are current and up to date.

I would highly recommend this service to any superintendent.

Waubay Superintendent Scott Lepke

We were able to look at our current approved policies and compare them to SDCL & Administrative Rule. ASBSD Policy Services not only saved us time, but helped provide a resource to the district that will be used time and time again.
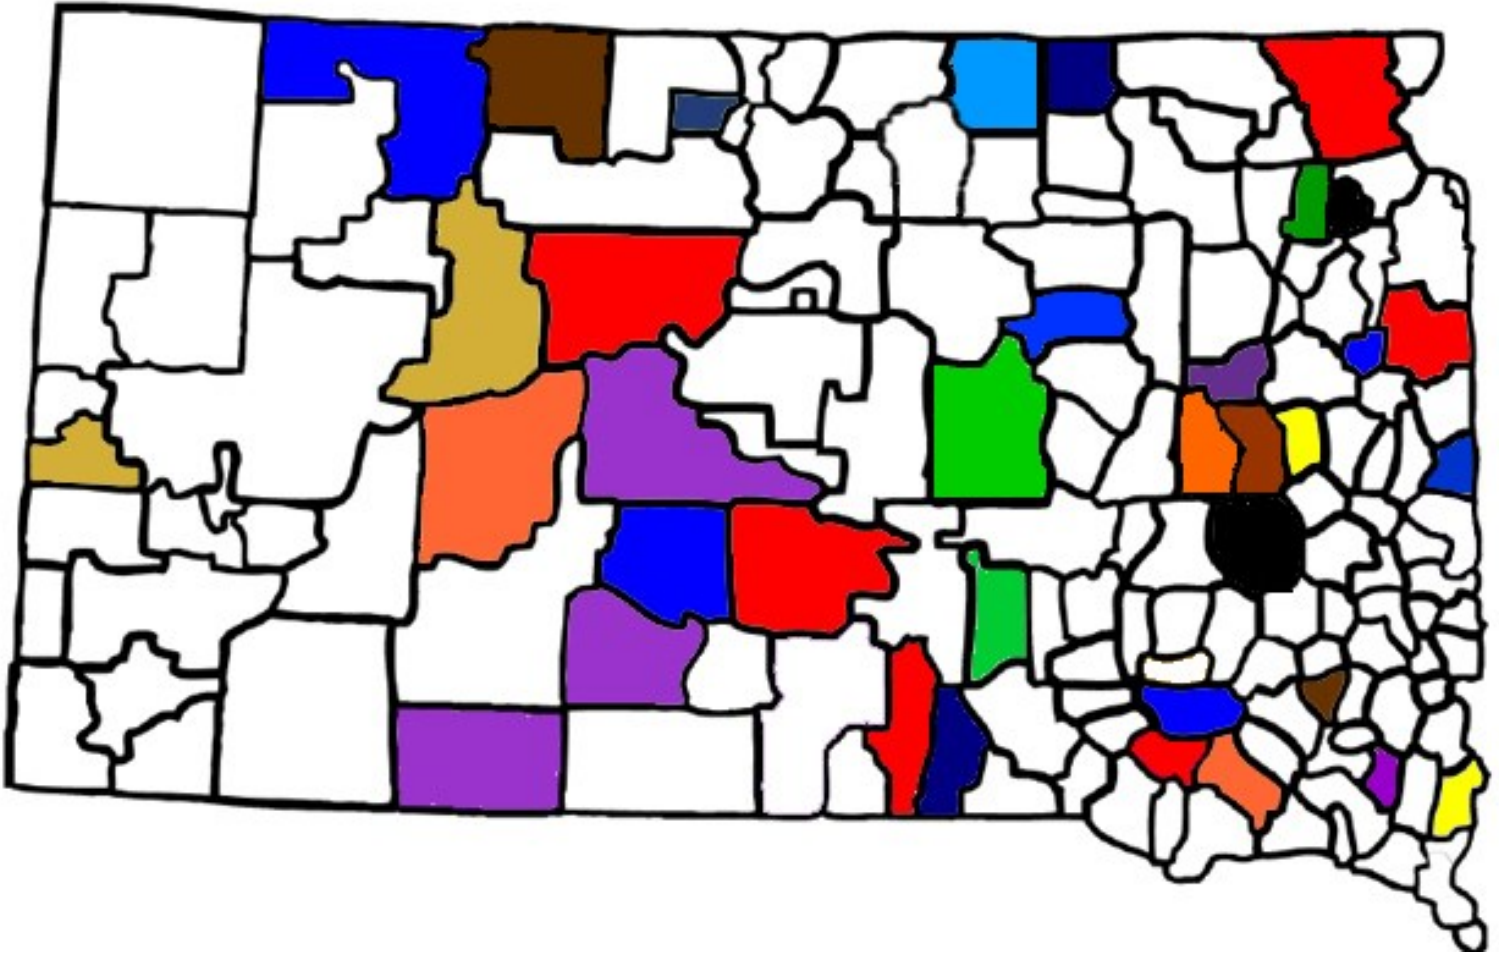

Elk Point-Jefferson Superintendent Philip Schonebaum

The ASBSD Online Policy Service streamlines the review process by organizing and warehousing district policy that is reviewed monthly. It provides a resource that is readily accessible and easy to use.
