IMPORTANT SAFETY INSTRUCTIONS:

1. Use an authorized and certified electrician for consultation and installation.
2. This fixture has been rated for 45-watt maximum LED module.
3. To avoid the risk of fire, do not exceed the recommended wattage.
4. The manufacturer and distributor accepts no liability for incorrect installation.
5. For indoor use only.
6. Keep away from children.
7. The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced

Warnings:

1. Turn-off electricity supply at main circuit panel before installing. Do not connect electricity supply until your wall lamp is fully assembled and installed.
2. All wires are connected. Do not remove the wall lamp from its packaging by pulling on the power cord, as a bad connection may result.
3. To reduce the risk of fire, electrical shock, or personal injury, always turn off the wall lamp and allow it to cool prior to replacing light bulb. Do not touch bulb when fixture is turned on or look directly at light bulb. Keep flammable materials away from light bulb.
4. Deviation from instructions may result in a risk of fire or electric shock.

PRODUCT DESCRIPTION:

General material: Glass & Iron

Height: 92.0cm (36.22 in)

Width: 14.0cm (5.51in)

Length: 70.0cm (27.55in)
