# Kia ora, hello, welcome.

New Zealand Skills and Education Group (NZSEG) is an education group comprised of two top quality private training establishments: New Zealand School of Education (NZSE) and Seafield School of English. We offer learning across an array of differing programmes and disciplines, for both domestic and international students.

Headquartered in Auckland, New Zealand, NZSEG has campuses throughout the wider Auckland and Waikato regions. We offer a range of programmes designed for individuals seeking further studies, or acquiring industry relevant skills and employment pathways. At NZSEG, we not only ensure that our students benefit from technical and theoretical knowledge but are also equipped with the soft skills required to get them job ready to enter New Zealand's workforce confidently.

We take pride in having two NZQA Category 1 private training establishments that deliver accredited, industry-relevant, and rewarding education programmes. We strive to provide a nurturing and supportive environment where you can uncover your potential and work towards your preferred career or undertake further studies.

At NZSEG we are guided by our belief in the transformative power of education and our commitment to offering exceptional support and care to our international students in an exciting educational environment. We pride ourselves on providing employment assistance to our students – helping them in gaining part-time positions while they study with us and skills they require to gain full time roles as graduates.

We look forward to meeting you when you arrive at any of our campuses and supporting you on the journey towards attainment of your chosen qualifications.

## The New Zealand Skills and Education Group operate:

# NZSE

NZSE is a leading provider of tertiary qualifications in Business, Early Childhood Education, Healthcare, Information Technology, Military Preparation, Retail, Security, and University Preparation. We have modern campuses in New Lynn, Avondale, Manukau, central Auckland and Hamilton.

Whichever study and career path you choose you will be in safe hands. Student welfare is our priority and we aim to deliver practical experiences, connections into industry and internationally recognized qualifications.

Our tutors and staff work hard to meet the needs of all students and have high expectations for your success. We are guided by principles that encompass a respect for all cultures, knowledge and diversity.

Our tutors seek to mentor and guide you to learn, understand and prepare for life and work in a multicultural world. And, our academic programmes aim to prepare you for a seamless transition into university degrees while our applied learning programmes train you to enter the New Zealand or global workforce with confidence.

# Seafield

SCHOOL OF ENGLISH

Since 1982, we have been providing English language courses to international students from around the world, earning a reputation for fun and diverse learning experiences. We hold a category one status and are a specialist English language school offering General English courses, IELTS and LanguageCert preparation classes, and NZ Certificate in English Language which opens the way to higher studies in mainstream programmes.

## Why choose New Zealand

New Zealand is one of the world's best places to live and study. Discover our internationally-renowned education system and unbeatable lifestyle. New Zealanders have a welcoming nature and an easy going attitude. A peaceful country, with a low crime rate, the two islands forming New Zealand are blessed with a natural beauty second to none, offering an amazing quality of life and work life balance. We are based in two major NZ cities: Auckland and Hamilton.

Auckland has been rated the third best city in the world in a recent survey measuring global quality of life. The annual report by Mercer is based on factors such as culture and environment, political stability, safety, infrastructure and ease of doing business. Auckland is a cosmopolitan hub of activity and business and is one of the most multicultural cities on the planet.

Hamilton is at the centre of one of the richest agricultural and pastoral areas in the world and is a major service centre for the Waikato region. Hamilton has a diverse economy and is the third fastest growing urban area in New Zealand. Education and research and development play an important part in Hamilton's economy, as the city is home to over 40,000 tertiary students. Hamilton's central business district is a bustling retail precinct with vibrant entertainment areas.

New Zealand's ageing population is steadily increasing creating a demand for trained community workers and caregivers.

“Currently there are around 725,000 people aged over 65. By 2036 there will be more than 1.2 million people 65 or older. Combined with the low birth rate, this means seniors will make up almost a quarter of the total population.”

- LanguageCert Young Learners ESOL
- Separate Written Exams (Listening, Reading and Writing) and Spoken Exams (Speaking), leading to two separate certificates
- Focus on communication skills, i.e. little exam-specific preparation required
- Grammar and Vocabulary integrated in the Listening, Reading and Writing sections and not examined separately
- Each candidate examined individually during Speaking, so they can perform at their best
- Speaking exam conducted by a qualified Interlocutor, who does not do the assessment, to guarantee impartiality
- Speaking session recorded and marked by qualified LanguageCert Examiners at a later stage, to ensure possibility of re-marking

### **Fast results and certificates issuing:**

- Results and e-certificate 10 days after the exam
- Hard-copy certificate shortly after results release
- Life-long certificate validity
- Practice tests available on LanguageCert website for candidates and see what other support material is available
- LanguageCert IESOL exams are accepted by NZQA for the purpose of fulfilling English-language requirements for entry to programmes at levels 3 and above on the NQF (National Qualifications Framework).
