

Delaware Automatic Residential Mortgage Foreclosure Mediation Program: Overall Participation as of 1st Quarter 2016

Overall participation in the Mediation Program: 53.63%

Of those who participate, successful mediations¹ result: 59.87%

* Certificates of Participation are often filed prior to the mediation conference date. Therefore, the number of Certificates of Participation does not directly correlate with actual participation in the Mediation Program.

** Cases dismissed outside mediation are any cases dismissed without a mediation conference being held, including 71 cancelled before scheduling, 13 cancelled after scheduling cases and 378 cases where homeowner failed to attend mediation. These 462 cases were subsequently dismissed. Cancelled cases are those matters where a cancellation request is filed by the Plaintiff because the home is not owner occupied or where the homeowner submits a Certificate of Participation electing not to participate in mediation and opting out of the mediation program.

¹ "Successful mediation" is defined as any conference where the homeowner achieves a non-foreclosure resolution to avoid a Sheriff's Sale of the property, where the parties remain engaged in negotiations and the homeowner is granted a subsequent mediation conference date, or where the case is dismissed after a final record is filed.
