 **Avaliação Geral do Evento**
Overall Evaluation of the Event

Depoimentos | Testimonials:

*"A troca de experiência com os líderes da organização foi muito rica e o conteúdo oferecido pela **BrazilFoundation** certamente terão um impacto positivo no trabalho da organização. A equipe foi extremamente atenciosa, gostei muito. Super obrigado."*

*"The knowledge exchange between the leaders was very rich, and the content presented by **BrazilFoundation** will certainly have a positive impact on our organization's work. The team was very attentive – I liked this a lot. Thank you very much."*

"Uma ótima oportunidade de formar vínculos e ter esse sentimento de que compartilhamos os mesmos desafios. Embora estejamos em momentos diferentes. Há muita riqueza nessa rede."

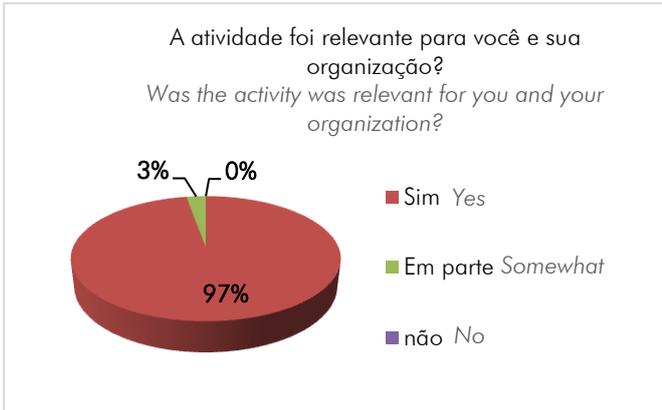

"It was a great opportunity to make connections and see that we share the same challenges, despite being in different circumstances. This network is very rich."

"Poderia ter mais apoio individual para focar mais nos problemas específicos de cada organização."

"We could have received more individual Support focusing on the specific problems faced by each organization."

Atividade: Peer Learning - Compartilhando Desafios e Soluções Institucionais
Activity: Peer Learning – Sharing Challenges and Institutional Solutions

Depoimentos | Testimonials:

“Essa proposta é excelente! É o primeiro programa que aproxima as lideranças, levo importantes recomendações e reflexões.”

“This activity is excellent! This is the first program that approaches the leaders. I took important recommendations and reflections from it.”

“A partir das opiniões dos colegas de grupo foi possível rever fragilidades. Foi importante a regra de ouvir sem poder falar.”

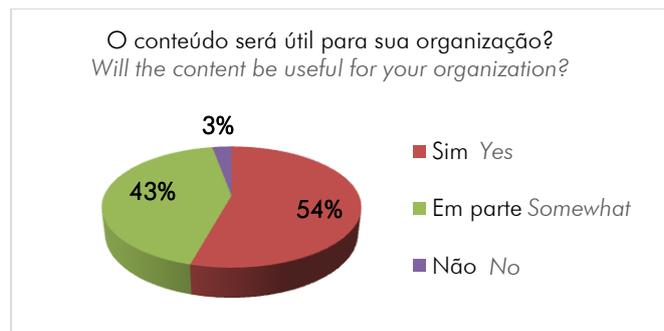

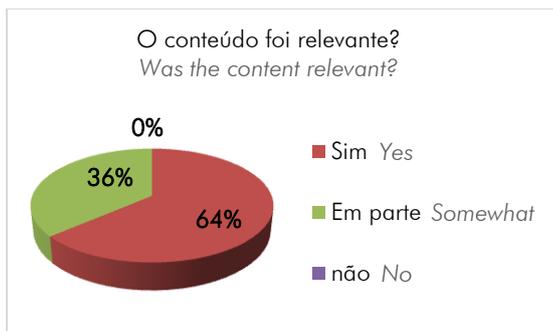

“We were able to find our weak points through the opinions given by our colleagues in the group. The rule about listening without talking was important.”

“De todos os editais que já fomos aprovados, é a primeira vez que pudemos interagir de modo efetivo com outras organizações aprovadas. A interação e aprendizados são imensuráveis, bem como o networking construído.”

“Of all of the calls that I have participated in, this is the first one through which we could effectively interact with the other selected organizations. The interactions and lessons are priceless, as well as the network that was built.”
