

Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 14 Jan ♀ ☐ ☉ 02:39 am EST Tran-Nat  25° 21'
- You may experience considerable anger at the injustice of the situations you find yourself in, but violent reactions will tend to exacerbate the situation. There's something going on you don't know about, and until you do, things won't get better. Step back and take another look -- and then another.
- 27 Jan ♃ ☐ ♀ 08:27 pm EST Tran-Tran  16° 56'
- This is a broad time for taking that second look at what life seemed to offer, or that it claimed to promise. That doesn't mean your life, specifically, but you'll probably find that's the current question in the air and there is good conversation in it at the least. The answers in general will be for the moment that optimism fails -- hopes lead to disappointment, and a lot of other confusions the result from both unclear desires and fuzzy thinking. If you can be on the outside looking into this one, you'll be the happier for it. Unexamined expectations go before the fall, and where you can be a cushion to others and a shoulder to lean on, you'll be the one to benefit from it later.
- 21 Feb ♃ △ ♂ 09:26 pm EST Tran-Nat  05° 55' R_x
- Strong, well-paced energy that doesn't run out is the order of the day -- definitely the time for your long-distance running-type projects, as your stamina will be at its max. The key is in the regularity of pacing and timing, which seems much easier to achieve now than earlier (or, perhaps, later). Do it now....
- 27 Feb ☽ ✖ ♀ 01:28 pm EST Prog-Nat  14° 37'
- Putting your feelings into words only enhances them, so don't be afraid to say what you mean from the heart. Your words will not fail you, and backing them with your emotional take makes them seem all the more reliable. Your inner world has immediate contact with the outside without much ado, so honesty pays without modification.

04 May ♃ △ ♁ 11:54 pm EDT Tran-Tran  13°♌55' R_x

This is, in general, a period when it's more all right to experiment with the unusual, pursue original approaches, and follow those flashes of insight however strange they might seem. Partially, it's because what you might have thought strange not long ago now seems lucidly obvious and everyone wants a piece of the action. Now is not the time to recriminate or remind others of how unimaginative they recently were -- much better to acknowledge how ahead of the pack you were because, of course, you're a natural leader.

26 May ♂ □ Asc 08:34 am EDT Prog-Nat  03°♌22'

Your current inclination to throw your energy into exterior projects may make for some periodic fatigue on the interior level. Save a little for yourself so you don't bring your immune system down and so you can, well, have some time for fun. If you're too pooped to pop, what's the point?

16 Jun ♀ ✖ ♂ 09:27 pm EDT Arc-Nat  05°♌55'

Your passions are pretty much in line with your ability to deliver on them, so you're probably scoring what you want and maybe taking it a bit for granted. Others might envy your state, however, and so might you when you look back on it. Ask yourself what is the key to your success, then put it in your pocket for safekeeping.

19 Jun ♃ □ ☉ 02:09 am EDT Tran-Nat  25°♌21' R_x

You may experience considerable anger at the injustice of the situations you find yourself in, but violent reactions will tend to exacerbate the situation. There's something going on you don't know about, and until you do, things won't get better. Step back and take another look -- and then another.

22 Jun ♃ □ ♃ 02:42 pm EDT Tran-Tran  09°♌15' R_x

This one-year-in-ten period is full of shifts and changes, struggles and dissatisfactions, confusion of purpose or profit in the world in general. If you didn't think ahead and see this coming, you can find yourself rather at the mercy of changing storms. Although this may not affect you that much, it's affecting the general populous, so expect shifting sands on a regular basis. This applies not just to economics, but to disagreements about the very makeup of moral fiber, right and wrong, which side you are on, and so on. Don't go for an easy fix, as a good one probably won't be available. The wise are waiting, not wading in.

30 Jun ♃ △ ♃ 00:12 am EDT Tran-Nat  10°♌05'

You are going through a period where you can very easily and solidly tune in to what society at large is doing and adapt your behavior successfully without having to make unreasonable compromises with yourself. It is a time when you should do everything possible to establish yourself for the future.

- 06 Jul ♃ ♁ 03:33 am EDT Tran-Tran  08°♍59'
Jupiter Stationary Direct in 07th House
- 08 Jul ♀ □ ♃ 09:37 pm EDT Tran-Nat  24°♌51'_R
Extreme actions to torture revelations out of your muse may gain short-term results but can be seriously risky to your inner well-being. Better to wait until you rise to the level of angels than to try to drag them down to keep you company. Fallen angels are troublesome, and you have the time -- honest.
- 02 Aug ♀ △ ♃ 10:09 pm EDT Tran-Nat  24°♌21'_R
A strong feeling that your overall direction is right and your goals are attainable makes your success preordained, allowing major strides of accomplishment possible right now. Minor interfering details are swept away by the surety of the course; pitfalls are leaped without a second glance behind you.
- 05 Aug ♃ ✖ ♀ 11:54 am EDT Tran-Nat  14°♏37'
This is a good time for careful, precise thinking and judgments, though not necessarily earthshaking decisions. Tag on to what you've decided is correct and pursue it clearly; your abilities to express it will see you through. Logic will seem self-evident and you won't have to go over things twice.
- 29 Aug ♃ △ ♃ 05:12 am EDT Tran-Tran  13°♍02'

- 31 Aug ♃ ♁ ♀ 05:53 am EDT Tran-Tran  17°♏53'
This approximately yearlong period, which everybody shares once every 36 years, puts a backdrop of considerable deception and collusion in government circles followed by exposure and consequences. The Watergate conspiracy and the covert rise of the Nazi military machine come to mind. The fact that people can be so false and so blind at the same time naturally affects all and suffuses cultural morality and trust at a fundamental level. On a personal level, it means cover your rear and don't rely on what you hear, especially from the most normally reliable sources. What you don't know probably will hurt you, so check twice, and then again. Everybody's in the same boat.

Pluto Stationary Direct in 09th House
- 18 Sep ☽ □ ♀ 10:58 pm EDT Prog-Nat  22°♏09'
Emotional confusion can be the result of feelings that fall in and out of focus, situations arise where it's hard to put your finger on just how you want to respond. If you're not sure where

you stand, let things go until you are on firmer ground and have tested the changing waters. When tides are changing, wait for them.

- 24 Sep ♃ □ ♀ 04:30 pm EDT Tran-Tran  17°♌21'

A strong feeling that your overall direction is right and your goals are attainable makes your success preordained, allowing major strides of accomplishment possible right now. Minor interfering details are swept away by the surety of the course; pitfalls are leaped without a second glance behind you.
- 08 Oct ♃ □ ♀ 07:41 pm EDT Tran-Nat  22°♌09'
Expect a time when the real world is a constant, grinding conflict with the directions you feel you ought to go. Fantasies shot down by unexpected interferences are the order of the day and there is not much profit in fighting it head on. Best to avoid conflict and retreat to an inner world until later.
- 11 Oct ♃ ✖ ♀ 03:13 pm EDT Tran-Nat  20°♌38'
You will probably find it easier than usual to get things done by will power alone, as if carried along by an inner force that allows you to rely on your inner faith and surety and eliminates the hobbling effect of insecurity. Roll with it, and know that the results, whatever they may be, are right.
- 19 Oct ♃ ♂ ♀ 00:10 am EDT Tran-Nat  22°♌09'
This marks a time of considerable inner emotional and spiritual inspiration, which will rejuvenate and redevelop your personal ideals. At the inner level this is tops, but in the outer world it may lead you to invest your energies in ill-thought-out schemes. Invest your heart, but watch your pocketbook.
- 25 Oct ♃ □ ♃ 01:24 pm EDT Tran-Tran  23°♌32'
This one-year-in-ten period is full of shifts and changes, struggles and dissatisfactions, confusion of purpose or profit in the world in general. - 29 Oct ♃ □ ♃ 07:57 am EST Tran-Nat  24°♌21'

Expect a period of disarray in which earlier goals seem to elude your reach and short-term problems threaten to derail you. This is not a time to launch precipitously into a new direction, but rather a time to steady the helm and re-evaluate the pros and cons of your current course to improve it.

- 29 Oct ♀ □ ♁ 05:37 pm EST Tran-Nat  24° 7' 51"
 Extreme actions to torture revelations out of your muse may gain short-term results but can be seriously risky to your inner well-being. Better to wait until you rise to the level of angels than to try to drag them down to keep you company. Fallen angels are troublesome, and you have the time -- honest.
- 31 Oct ♃ ✖ ♁ 04:09 pm EST Tran-Nat   24° 11' 51"
 This is a good time to introduce new ideas and concepts into an already ongoing situation -- ideas that spontaneously come from within. It is a time when your own inventiveness may be mined with some regularity, when you may call on the muse rather than waiting for her to call on you. Invest it wisely.
- 02 Nov ♃ ✖ ☉ 11:28 pm EST Tran-Nat   25° 11' 21"
 You can mix new projects with old in an easy flow for a while, which allows a level-headed form of integration of risk and caution. Don't look for big, one-time profits but accumulate smaller gains until they mount up. Your abilities as an advisor now are increased. Follow your own good advice!
- 07 Nov ♃ ☽ ♃ 09:25 pm EST Tran-Nat   24° 12' 21"
 Most of life's major projects are slowed, brought to a halt, or at least seriously cut down to size. Trimming your wings does not mean clipping them, however, and now's the time to get rid of the fat and featherbedding that was wasteful to begin with. Narrow your focus and home in on specific goals.
- 13 Nov ♃ □ ♀ 12:40 pm EST Tran-Nat   27° 11' 41"
 Not a good time to invest (or, rather, squander) in anything. It will tend to go awry, supporting the very thing you didn't want it to or backfiring entirely. Rein in your pocketbook and your emotions and wait for a more favorable time to put in your hard-earned what-have-you. Don't waste money or feelings.
- 15 Nov ♀ □ ☉ 10:59 am EST Tran-Nat  25° 7' 21"
 You may experience considerable anger at the injustice of the situations you find yourself in, but violent reactions will tend to exacerbate the situation. There's something going on you don't know about, and until you do, things won't get better. Step back and take another look -- and then another.
- 16 Nov ☽ ☽ ♃ 05:16 pm EST Prog-Nat   24° 12' 21"
 Don't be surprised if your heart is gaining a couple of sizes - this is one area in which you don't have to watch your weight. You're in an expansive mood in general, and your reaction is to wrap yourself around the situation and devour the whole enchilada. That, however, could involve some weight gain, so make sure your eyes aren't bigger than your stomach.
- 16 Nov ♃ △ ☽ 08:04 pm EST Tran-Nat   28° 11' 25"
 Easy-going feelings rule the day and you're likely to be right on base in your inner judgments of the situation, particularly where long-term judgments are concerned. A feeling of largesse

lets you forgive and forget easily, but don't write off situations that might repeat themselves to your detriment.

19 Nov ♃ ♀ 10:56 pm EST Tran-Tran  10° 49'

Uranus Stationary Direct in 12th House

23 Nov ♃ ♂ 11:44 pm EST Tran-Tran  00° 00'

Faith, optimism, and a yearning to explore all kinds of new horizons: these are some of the focal points in your life at this time. Travel, education, and other ways to stretch your horizons open new doors of opportunity. Religious, philosophical, and cultural matters are likely to have special appeal for you now; transmitting ideas on a broader scale brings gain.

26 Nov ♂ ♀ 02:13 am EST Arc-Nat  14° 37'

A new level of mental activity can be diverted into too much concentration and repetition that saps arriving brain power and leaves you where you began. Avoid sidetracking and keep moving to the next level and you'll make progress. When you get frazzled, chill out for a while, don't keep pressing on until you lose focus.

Saturn Stationary Retrograde in 06th House

20 Dec ♃ ♂ 11:15 pm EST Tran-Nat  05° 55'

A major boost of energy is on the way, which can carry you like a surfer on a monster wave if you direct it properly. Strength, stamina, and initiative are fueled for whatever project you wish to channel the energy into. The key is to direct it so it neither runs away with you nor is wasted.
