It's Simple

Adopt-a-Drain online.

Individuals, groups, and schools can sign up to adopt a storm drain at adoptadrainoakland.com

Keep the storm drain clear.

Use a litter grabber, broom or rake to sweep leaves, trash, and other debris off the drain surface as often as you are able.

Lead by example.

Maintain your drain and tell others how they can help prevent water pollution too.

Collect data.

Track your activity and the debris you collect by reporting it online at adoptadrainoakland.com or scan QR code:
