MENTOR MOCKS

Working together, the SBA and OCS will pair 1L students with upper-class students for a low-stakes, but high-impact mock interview. Practice your interview skills, meet one of your colleagues at Cardozo, and learn more about how Cardozo students get their summer jobs. We look forward to a fun event where we can get to know each other and find friends and mentors who want to invest in your success. 2L and LL.M. students are welcome to join as either mock interviewers or mock interviewees.

Participants may have an opportunity to also receive a professional headshot, confirmation and details TBA.
