Carluccio's Announces its Newest Location

At Bally's Atlantic City

Atlantic City, NJ – (July 19, 2021) – Carluccio's brings a whole new casual dining experience to Bally's Atlantic City. Carluccio's is a family-owned pizzeria/restaurant located at the gateway to the shore in Northfield, New Jersey, and has now opened its newest location Bally's Atlantic City.

Carluccio's is known for its coal-fired pizza, baked in a coal-fired oven, and always cooked well-done - with a temperature exceeding 1,000 degrees. This temperature produces a flavorful and crispy crust that is unmatched by any of our competitors.

"We are excited about our new location at Bally's Atlantic City. This location is our first casino partnership, and we look forward to working with the team at Bally's Atlantic City," said Carlo Citera.

Carluccio's at Bally's Atlantic City will be open 7-days a week for lunch and dinner, and their dine-in or takeout menu selections include pizza, fresh salads, wings, calzones, and more! Their menu selections make eating at Carluccio's a unique dining experience.

"Carluccio's is a perfect addition to our casual dining mix. They are a local fan favorite, and we are glad to have them on board," said Nick Polcino, VP/General Manager at Bally's Atlantic City.
