#### MediaTek Inc. 2016 Business Report

Dear Shareholders:

2016 was a fruitful year for MediaTek in consumer electronic markets. Our revenue increased by approximately 30% from prior year, hitting record high. Despite of global semiconductor market slowdown, various kinds of innovative end applications emerged to unlock growth potential. MediaTek actively responded to changes in the dynamic industry and fierce market competition by continuously expanding product lines as well as technologies diversity to provide customers with the best solutions. Thanks to our employees' dedication, MediaTek achieved full year consolidated net revenues of NT \$275.5 billion and consolidated earnings per share of NT \$15.16.

Having been deeply dedicated to smartphone market for the past five years, MediaTek continued to achieve success in 2016. Thanks to increasing LTE adoption pushed by Chinese operators and growing LTE demand in emerging markets, MediaTek gained market share through the comprehensive product portfolio and reached a record high smartphone plus tablet shipments of approximately 550 million sets. In terms of global market expansion and customer acquisition, MediaTek also achieved several milestones. In US market, LTE products completed four major carries' qualification and Helio P10-inside world-mode LTE smartphone officially hit the market, making MediaTek successfully become one of the very few chipset vendors supporting CDMA networks. Furthermore, our LTE SoCs were adopted by the leading international brand, Samsung, for the very first time, completing our customer coverage in the world's major Android smartphone brands. In addition, we collaborate with global operators on 5G technology development, including China Mobile, NTT DOCOMO and Nokia, preparing for the next upgrade cycle of mobile communication technologies.

Products other than handset, such as set-up-box and WiFi, also expand market presence. MediaTek is committed to leveraging comprehensive IP portfolio to enable more business opportunities with customers. For example, MediaTek-inside AI smart home control unit, Amazon Echo Dot, was well-received by consumers. Besides, we continue to work closely with global tier-one customers such as Amazon and Sony across platforms including TV, tablet, game console, smart home, IoT, etc. The acquired subsidiaries such as MStar and Richtek also continue to explore more business opportunities to grow. In addition, MediaTek announced to further extend core competencies to the emerging Internet of Vehicles market and strategically allied with NavInfo to strengthen our position.

Apart from business horizon expansion, MediaTek received a number of international honors. We were awarded as "Top 100 Global Innovators" by Clarivate Analytics (formerly Thomson Reuters) for third consecutive year and won "Outstanding Asia-Pacific Semiconductor Company Award" by the Global Semiconductor Alliance (GSA) for the fifth consecutive year. Furthermore, Mr. Ming-Kai Tsai, MediaTek Chairman and CEO, was chosen as one of Harvard Business Review's "100 Best-Performing CEOs in the World".

Looking forward, MediaTek will continue to exploit our group advantages and integrate our comprehensive and leading core technologies such as modem, RF, computing, image processing, connectivity, smart algorithm, etc. Based on which, we actively expand into various smart connected devices as well as potential markets, including 5G, Internet of Vehicles, Internet of Things, VR/AR, Industrial 4.0, etc. to maintain our leading position and create higher shareholder values. MediaTek Inc.

Chairman of the Audit Committee: Chung-Yu Wu

April 28, 2017

#### English Translation of a Report Originally Issued in Chinese

#### **Independent Auditors' Report**

To the Board of Directors and Shareholders of MediaTek Inc.

#### **Opinion**

We have audited the accompanying consolidated balance sheets of MediaTek Inc. and its subsidiaries as of December 31, 2016 and 2015, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2016 and 2015, and notes to the consolidated financial statements, including the summary of significant accounting policies (together "the consolidated financial statements").

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of MediaTek Inc. and its subsidiaries as of December 31, 2016 and 2015, and their consolidated financial performance and cash flows for the years ended December 31, 2016 and 2015, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of MediaTek Inc. and its subsidiaries in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2016 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Revenue recognition

MediaTek Inc. and its subsidiaries recognized NT\$275,511,714 thousand as net sales, which includes sale of goods in the amount of NT\$307,199,463 thousand, other operating revenues in the amount of NT\$1,577,448 thousand, and sales returns and discounts in the amount of NT\$33,265,197 thousand for the year ended December 31, 2016. The sale of goods is sale of chips and due to large transaction volume, if the sale is recognized in an improper period, it can have significant impacts on consolidated statements. As a result, we determined the matter to be a key audit matter.

Our audit procedures include (but are not limited to) assessing the appropriateness of the accounting policy for revenue recognition; evaluating and testing the effectiveness of internal control which is related to the timing of revenue recognition; performing test of details on samples selected from top ten customers and reviewing the significant terms of sales agreements and tracing to relevant documentation of transactions; adopting audit sampling on trade receivables and performing confirmation procedures on final balance and key terms of sales agreements; and regarding transaction of some time before and after the reporting date, analyzing the reasonableness of fluctuations and selecting samples to perform cutoff procedures, tracing to relevant documentation to verify that revenue has been recorded in the correct accounting period; besides, we also review if there is condition of significant reversals in subsequent periods.

We also considered the appropriateness of the disclosures of sales. Please refer to Note 6 in notes to consolidated financial statements.

#### Significant acquisition

Hsu-Si Investment Corp., a subsidiary of MediaTek Inc., accomplished the take-over bid process to acquire 51% shares of Richtek Technology Corp. on October 7, 2015 and the consideration of the tender offer was NT\$14,770,046 thousand in cash. The fair value of the identifiable net assets acquired was NT\$12,694,209 thousand and the goodwill arising from the acquisition was NT\$8,295,999 thousand. Thereafter, Hsu-Si Investment Corp. acquired the rest of 49% shares of Richtek Technology Corp. in 2016. MediaTek Inc. and its subsidiaries recognized the net assets of the take-over bid based on a provisional estimated amount for the year ended December 31, 2015. The aforementioned fair value of net assets were completed in 2016. The amount of the acquisition was significant and was related to assessment of fair value, as a result, we determined the matter to be a key audit matter.

Our audit procedures include (but are not limited to) assessing the prospective financial information used for preparing the appraisal report on fair value by management and comparing with Richtek Technology Corp.'s historical financial information and the industry expectation in market to evaluate the reasonableness; using internal valuation specialists to assist us in evaluating the appropriateness of the methods and models used by management, reassessing parameters and assumptions used in the appraisal report on fair value, and comparing whether the differences are within our acceptable range to evaluate the reasonableness of key assumptions.

We also considered the appropriateness of the disclosures of business combinations. Please refer to Note 6 in notes to consolidated financial statements.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the ability to continue as a going concern of MediaTek Inc. and its subsidiaries, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate MediaTek Inc. and its subsidiaries or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of MediaTek Inc. and its subsidiaries.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of MediaTek Inc. and its subsidiaries.

- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of MediaTek Inc. and its subsidiaries. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause MediaTek Inc. and its subsidiaries to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within MediaTek Inc. and its subsidiaries to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2016 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Others**

We have audited and expressed an unqualified opinion on the parent company only financial statements of MediaTek Inc. as of and for the years ended December 31, 2016 and 2015.

#### English Translation of a Report Originally Issued in Chinese

#### **Independent Auditors' Report**

To the Board of Directors and Shareholders of MediaTek Inc.

#### **Opinion**

We have audited the accompanying parent company only balance sheets of MediaTek Inc. as of December 31, 2016 and 2015, and the related parent company only statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2016 and 2015, and notes to the parent company only financial statements, including the summary of significant accounting policies (together "the parent company only financial statements").

In our opinion, the parent company only financial statements referred to above present fairly, in all material respects, the financial position of MediaTek Inc. as of December 31, 2016 and 2015, and its financial performance and cash flows for the years ended December 31, 2016 and 2015, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements* section of our report. We are independent of MediaTek Inc. in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2016 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Revenue recognition

MediaTek Inc. and its subsidiaries recognized NT\$121,097,722 thousand as net sales, which includes sale of goods in the amount of NT\$134,144,526 thousand, other operating revenues in the amount of NT\$2,569,536 thousand, and sales returns and discounts in the amount of NT\$15,616,340 thousand for the year ended December 31, 2016. The sale of goods is sale of chips and due to large transaction volume, if the sale is recognized in an improper period, it can have significant impacts on the parent company only financial statements. As a result, we determined the matter to be a key audit matter.

Our audit procedures include (but are not limited to) assessing the appropriateness of the accounting policy for revenue recognition; evaluating and testing the effectiveness of internal control which is related to the timing of revenue recognition; performing test of details on samples selected from top ten customers and reviewing the significant terms of sales agreements and tracing to relevant documentation of transactions; adopting audit sampling on trade receivables and performing confirmation procedures on final balance and key terms of sales agreements; and regarding transaction of some time before and after the reporting date, analyzing the reasonableness of fluctuations and selecting samples to perform cutoff procedures, tracing to relevant documentation to verify that revenue has been recorded in the correct accounting period; besides, we also review if there is condition of significant reversals in subsequent periods.

We also considered the appropriateness of the disclosures of sales. Please refer to Note 6 in notes to the parent company only financial statements.

#### Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the ability to continue as a going concern of MediaTek Inc., disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate MediaTek Inc. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of MediaTek Inc.

#### Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of MediaTek Inc.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of MediaTek Inc. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause MediaTek Inc. to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the accompanying notes, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within MediaTek Inc. and its subsidiaries to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2016 parent company only financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
