1. Chairman's Remarks: Omitted.

2. Reporting Items:

Report item (1)

Subject: 2023 business report.

Explanatory Note: 2023 business report is attached hereto as Attachment 1.
(Noted)

Report item (2)

Subject: Audit Committee's review report.

Explanatory Note: 2023 Audit Committee's review report is attached hereto as Attachment 2.

(Noted)

Report item (3)

Subject: Report on 2023 employees' compensation and remuneration to directors.

Explanatory Note:

- (1). According to Article 24 of the Company's Articles of Incorporation, if there is any profit for a specific fiscal year, the Company shall allocate no less than 1% of the profit as employees' compensation and shall allocate at a maximum of 0.5% of the profit as remuneration to Directors, provided that the Company's accumulated losses shall have been covered in advance.
- (2). The Board of Directors has adopted a proposal for distribution of 2023 profit as follows: employees' compensation is NT\$1,045,717,376 and the remuneration to directors is NT\$103,000,000; both shall be paid in cash.

(Noted)

Report item (4)

Subject: Report on cash dividends from 2023 profits.

Explanatory Note:

- (1). According to Article 24-1 of the Company's Articles of Incorporation, the Board of Directors is authorized to distribute cash dividends on a half-yearly basis after the close of each half fiscal year and to report such distributions to the shareholders' meeting.
- (2). The amounts, as approved by the Board of Directors, and payment dates of the cash dividends for the first and second halves of 2023, are demonstrated in the table below:

2023	Approval Date (year/month/day)	Payment Date (year/month/day)	Cash Dividends Per Share (NT\$)	Total Amount (NT\$)
First half of 2023	2023/10/27	2024/01/31	24.6	39,350,914,163

Note:

1. The Board of Directors also authorized the Chairman to determine the record date and the payment date. In the event the number of outstanding shares is affected by the Company's subsequent shares buyback, transfer or cancellation of treasury stocks, issuance or withdrawal of employee restricted stocks awards or other causes, the Chairman is authorized to adjust the distribution amount per share based on the actual number of the outstanding shares on the record date and other related matters.
2. The cash dividends will be distributed to each shareholder based on shareholding percentages and be rounded down to the nearest dollar. The amounts under one dollar due to the rounding off are summed and recognized as the Company's other income.

(Noted)

Summary of Shareholders' Statements on Report Items and Company Responses

Summary of Shareholder's Speech:

Shareholder (Account Number 419575 · 36209) asked about the reasons for the higher debt-to-asset ratio compared to previous years as reported in the annual report, the rationale behind the Company's investment in certain funds (Fubon, Cathay, KGI) and their value, as well as changes in the Company's revenue and gross profit margin along with the Company's strategies to address these changes.

Summary of Responses by the Chairman or Designated Personnel:

The increase in the debt-to-asset ratio is primarily due to the increase in decided dividends payable for the first half of the 2023 fiscal year and the refund liabilities, as noted in the financial statement's footnotes explaining the accounting policies and estimation assumptions for refund liabilities. Furthermore, the Company's total current assets exceed its liabilities on a consolidated basis. The fund investments mentioned by the shareholders are mostly financial investments made in accordance with the Company's investment policies, primarily aimed at stable interest and returns. The changes in revenue and gross profit margin highlighted by the shareholders are largely attributable to the cyclical nature of the industry, and the Company's revenue and gross profit margin fluctuations remain within the normal range.

Summary of Shareholder's Speech:

Shareholder (Account Number 627669) expressed gratitude to the management team and inquired about the Company's outlook and plans for the current year.

Summary of Responses by the Chairman or Designated Personnel:

Thank you for your comments. As a publicly listed company, we regularly hold investor conferences. For the first and second quarters of this year, we have seen substantial year-over-year growth. During the investor conferences, we reported that we expected significant revenue growth, though we did not provide any EPS estimates. The performance in the first quarter has been promising, mainly due to customer inventory restocking. In the second quarter, the inventory replenishment has become stabilized. The Company will continue to strive to achieve our goals and reward shareholders' trust.

Summary of Shareholder's Speech:

Shareholder (Account Number 392437 · 23331) asked about the next generation products that MediaTek is planning, in addition to 5G, automotive, and AI mentioned in the annual report. They also inquired about expected long-term revenue share of non-mobile businesses, and how the Company plans to expand these businesses to adapt to the new competitive environment.

Summary of Responses by the Chairman or Designated Personnel:

The Company's core technologies are computing, multi-media, and connectivity. We provide system-on-chip (SoC) solutions and continue to advance with cutting-edge processes and packaging. Key areas of our future development include 5G/6G, AI, and automotive. AI has a broad scope, covering everything from cloud to edge applications. Historically, our mobile and other products have been more edge-focused, and our market share in 5G flagship mobile phones has been increasing. We are also heavily investing in computing technology development, with notable progress in the automotive and ASIC fields, accumulating substantial IP technology. The management team is confident that there will be good growth in the next 3 to 5 years.

Summary of Shareholder's Speech:

Shareholder (Account Number 662981) reminded the Company of the risks associated with the use of generative AI and inquired about the timeline for releasing new products.

Summary of Responses by the Chairman or Designated Personnel:

Thank you for the reminder. The Company is aware of the associated risks and has established guidelines for the use of generative AI. In the smartphone industry, releasing a new generation of smartphone each year is a common practice. Each new generation of our smartphones comes with new features, including advancements in communication, computing, and satellite communications.

Summary of Shareholder's Speech:

Shareholder (Account Number 23331) inquired about the relatively low percentage of female managers in the management team and asked if the Company has any measures to address this issue.

Summary of Responses by the Chairman or Designated Personnel:

Diversity and inclusion have always been core values of the Company. It is a fact that the percentage of female students in STEM fields is generally lower. Internally, we have established the Women in Tech initiative to encourage and support new female employees. We also actively encourage young women to choose this field from high school onwards. The Company is committed to continuing to make efforts in this direction.

Summary of Shareholder's Speech:

Shareholder (Account Number 448586) commended the "Genius for Home Digital Social Innovation Competition" hosted by the Company, praised the MediaTek Dimensity 9300, and expressed gratitude for the hard work of the Company's management team.

Chairman's Response: Thank you for your support and encouragement.

Subject: Adoption of the 2023 business report and financial statements.

Explanatory Note:

- (1). 2023 financial statements, including the balance sheets, statements of comprehensive income, statements of changes in equity, and statements of cash flows, were audited by independent auditors Shao-Pin Kuo and Wen-Fun Fuh of Ernst & Young.
- (2). For the 2023 business report, independent auditors' report and the aforementioned financial statements are attached hereto as Attachment 1, Attachment 3, and Attachment 4.

Summary of Shareholder's Speech:

Shareholder (Account Number 419575) requested detailed information regarding the Company's invested funds, specifically inquiring about the types and profit and loss statuses of the Cathay and Fubon funds.

Summary of Responses by the Chairman or Designated Personnel:

The Cathay and Fubon funds in which the Company has invested are Real Estate Investment Trust (REITs), which are akin to fixed income products. The Company has been invested in these funds for a substantial period, and the overall returns are positive. These investments are valued at market price in accordance with accounting standards and are disclosed in the financial statements and attachments thereto.

Shareholder (Account Number 36209) asked if future annual reports could provide a more detailed explanation of the "refund liabilities" item in the financial statements to facilitate shareholder understanding.

Summary of Responses by the Chairman or Designated Personnel:

Refund liabilities primarily pertain to estimated sales discounts and allowances. These are disclosed in compliance with relevant regulations. The shareholder's suggestion will be discussed further with the Company's accountant.

3. Proposed Resolutions and Election:

Proposal (1)

Subject: Discussion on issuance of Restricted Stock Awards. Approval is respectfully requested.

Explanatory Note:

- (1). To link shareholder value, focus on future growth strategy objectives, enhance global talent competitiveness and to attract and motivate key talents, it is proposed to issue Y2024 Restricted Stock Awards in accordance with Article 267 of the Company Act, Article 22 of the Securities and Exchange Act and the Regulations Governing the Offering and Issuance of Securities by Securities Issuers (the "Regulations") released by the Financial Supervisory Commission.
- (2). Terms of the proposed Restricted Stock Awards are as below:
 - a. The necessary reason of the current issuance of RSA: To link shareholder value, focus on future growth strategy objectives, and enhance global talent competitiveness and to attract and motivate key talents, and foster the best interests of the Company and its shareholders, and further ensure the alignment of shareholders' interests with those of the Company's employees.
 - b. Qualification requirements for eligibility and number of shares employees may be granted or may subscribe:
 - (a) To protect shareholders' interests, the Company shall cautiously manage this Restricted Stock Awards plan (the "Plan"). Only the Company and its subsidiaries' permanent employees who are employed on the date that Restricted Stock Awards are granted and meet certain performance requirements shall be eligible. The term "Subsidiaries " is defined in accordance with the standards set forth in Article 369-2, Article 369-3, Article 369-9, paragraph 2, and Article 369-11 of the Company Act. Such awards will be further limited to below two types of employees:
 - (I) Type I Employees: Managers at the level of deputy general manager or above in the Company, as well as managers at equivalent positions in Subsidiaries.
 - (II) Type II Employees: Key talents and limited to those who met one of the following conditions: (i) highly related to the future strategy and development of the Company, (ii) critical to the Company's business operation, or (iii) key technical talents.

(b) The number of Shares to be granted to qualified employees in any award under the issuance rules shall be determined by the distribution standard decided by the Company with regard to seniority, position, performance, overall contribution, special contribution and any other management-related factors. Proposed distributions of awards (including the awardee list and the granted Shares) under the issuance rules shall be reviewed by the Chairman for each issuance and shall be subject to approval by the Audit Committee and then the Board of Directors, with the exception of awards under the issuance rules to employees who are managerial officers or Board members, which awards are subject to approval by the Compensation Committee of the Company and then the Board of Directors.

(c) Employees who possess over 10% of the Company common shares, all the members of the Compensation Committee, and members of the Board who are not employees of the Company shall not be eligible.

(d) The total number of shares granted to each employee shall be in accordance with the applicable laws and regulations in Regulations.

c. Expected issue price: The issue is gratuitous.

d. Terms and conditions of RSA (including vesting conditions, handling of employee's failure to meet the vesting condition and inheritance):

(a) Vesting conditions:

(I) An employee's continuous employment with the Company through the vesting dates, no violation on any terms of the Company's employment agreement, employee handbook, non-competition and PIM agreements or the agreement of Restricted Stock Awards, and the achievement of individual performance goals and the Company's performance indexes during the Performance Period are required to receive the vested shares. The vesting period of the Plan is two years, and subject to the terms and conditions of each issuance rules set by the Company. The maximum portions of the vesting shares of each vesting date will be subject to the terms and

conditions of each issuance rules set by the Company. The actual portions of the vesting shares will be based on the achievement of individual performance goals and the Company's performance indexes during the performance periods (the "Performance Periods"). The Performance Period applied for measuring the achievement level of the Company's performance indexes will be single-year performance period and combined-year performance period. The number of shares vesting for each performance index is calculated separately and vesting on the first vesting date is calculated based on achievement of performance indexes during the single-year performance period, whereas the vesting on the second vesting date is an accumulated vesting result calculated based on achievement of performance indexes during combined-year performance period. The shares calculation should be rounded down to the nearest whole share.

(II) The individual performance goals are that the employee's annual performance rating for the year preceding each vesting date shall be I rating ("Meets Expectations") (or a rating equivalent to such rating as may be given by a Company affiliate) or higher, and if no rating is available, the achievement of the job performance criteria, which will be set by the Company and agreed with the employee. To determine the achievement level of the Company's performance indexes, three indexes are adopted, including the ranking of the Company's total shareholder return ("Relative TSR") relative to the constituents of FTSE TWSE Taiwan 50 Index, revenue growth YOY rate, and operating margin% ("OPM%"). The number of vested shares determined by each index will range from 0% to 100% of the portions of vesting shares of the corresponding performance period, as follows: 0% if the performance result is below the threshold level, 50% if the performance result meets the threshold level, and 100% if the performance result meets or exceeds the target level.

For the performance result between the threshold and the target level, a proportionate fraction of the portions between 50% and 100% will be applied. For rounding rules applied to calculations, a rounding down rule will be used to determine if the threshold level or the target level is achieved or not, while, for levels between the threshold level and the target level, the portions will be rounded to the nearest hundredth percent. The weighting of each index and achievement level for vesting portions are set forth in the table for different Types of awarded employees, and the threshold and target levels of each index will be set by the Company and specified in the individual agreement with the awarded employee. The judgement of the achievement level shall be based on the consolidated financial statements certified by a certified public accountant in the corresponding performance periods.

Performance Index		TSR ranking relative to the constituents of FTSE TWSE Taiwan 50 Index (Relative TSR)	Revenue Growth YOY %	Operating Margin %
Weighting	Type I Employees	40%	30%	30%
	Type II Employees	25%	30%	45%
Threshold and Target Range		25 th ~ 50 th (P25~P50)	7%~12%	15%~18%

(b) Measures to be taken when employees fail to meet the vesting conditions or in the event of inheritance: The Company will redeem the issued Restricted Stock Awards and cancel the full number of the shares in accordance with the terms of the issuance rules set by the Company; for any other events, the Company will take measures as set forth in the issuance rules.

e. Expected total amount (shares) of issuance: The number of shares issued by the Company under this Plan will not exceed 24,000,000 common shares, equivalent to approximately 1.5% of issued common shares of the Company, each share having a par value of NT\$ 10, for a total amount of NT\$ 240,000,000. It

is allowed to register multiple issues over a period of 1 year from the date of the shareholders' resolution. The issuance amount (shares) for each registration and issuance shall not exceed 35% of the expected total amount (shares) of issuance. The stock awards will be issued by once or multiple times over a period of 1 year or 2 years from the date of approval of the competent authority. The actual number of Restricted Stock Awards to be issued will be, after obtaining the approval of the competent authority, subject to the Board of Directors' approval in accordance with the applicable laws and regulations and will be further announced accordingly.

f. Calculated expense amount: The Company shall value the fair market value of shares and record expenses during the vesting period annually. The proposed number of Restricted Stock Awards in 2024 Annual Shareholders' General Meeting shall not exceed 24,000,000 shares. The amortized expenses for Y2024 to Y2028 are estimated to be in the amount of NT\$634,455,000, NT\$2,087,524,000, NT\$2,601,218,000, NT\$2,186,987,000, and NT\$ 518,012,000 for 2024, 2025, 2026, 2027 and 2028, respectively.

g. Dilution of the Company's earnings per share (EPS) and other matters that may affect the shareholders' interests: Based on the calculation of the Company's outstanding shares, the maximum dilution of the Company's EPS is estimated to be in the amount of NT\$0.28, NT\$0.89, NT\$1.11, NT\$0.93 and NT\$0.22 for 2024, 2025, 2026, 2027 and 2028, respectively. There is a limited dilution of the Company's future EPS, and there is no material impact on existing shareholders' equity.

h. Restrictions before employees meet the vesting conditions once the RSA are received or subscribed for: During the vesting period, employees may not sell, pledge, transfer, give to another person, create any encumbrance on, or otherwise dispose of, Restricted Stock Awards except for inheritance by operation of law. Other restrictions will be handled in accordance with the issuance rules.

i. Other important terms and conditions (including stock trust custody, etc.): The issued Restricted Stock Awards should be deposited in a security trust or custodian account before the vesting conditions are met.

j. Any other matters that need to be specified:

(a) If some revision or adjustment has to be made due to the competent authority's instruction, amendment to the laws and regulations, financial market conditions, or other objective circumstances, it is proposed that the Annual Shareholders' Meeting authorizes the Board of Directors or the appointed person by the Board of Directors with full power and authority to handle all the issues regarding the issuance of Restricted Stock Awards.

(b) With respect to the issuance of Restricted Stock Awards, the relevant restrictions, important agreements, and any other matters not set forth here shall be dealt with in accordance with the applicable laws and regulations and the issuance rules set by the Company.

- (3). The First Issuance Rules of MediaTek Y2024 Restricted Stock Awards: the Company hereby set forth the Draft of the First Issuance Rules of MediaTek Y2024 Restricted Stock Awards in accordance with Article 267 of Company Act, Article 22 of Securities and Exchange Act and the Regulations is attached hereto as Attachment 5.

Resolution: The result is as follows:

MediaTek Inc. 2023 Business Report

Dear shareholders:

In 2023, the global semiconductor industry was full of opportunities and challenges. Under high inflation, the uncertainty of the macroeconomy led to reduced demand visibility in various end markets, causing customers to continue strict inventory control in the first half of the year, reducing demand for semiconductors. As the market returned to a relatively healthy inventory level in the second half of the year, customers' demand gradually warmed up. At the same time, generative AI, automotive, and connectivity technologies continued to evolve, driving robust development in upgrade demand and future opportunities. Over the past few years, MediaTek's solid technology investment has established a leading product portfolio in the industry and strengthened its global market position. In the rapidly changing industry environment of 2023, all MediaTek employees worked together to address short-term challenges and seize medium- and long-term growth opportunities. The annual revenue reached NT\$433.4 billion, with EPS of NT\$48.51. In 2023, MediaTek continued to share its operational results with shareholders through regular cash dividends and executed the four-year special cash dividend program, distributing a total annual cash dividend of NT\$76 per share. At the annual shareholders' meeting, it was resolved to change the earnings distribution from an annual basis to a semi-annual basis, to increase shareholders' flexibility in fund utilization.

In terms of mobile phone, MediaTek maintains a leading position in the global mobile phone market share. MediaTek provides comprehensive 4G and 5G products to global customers and continues to expand into the flagship market. In 2023, MediaTek launched the new generation 5G AI flagship SoC, Dimensity 9300, which adopted an innovative all-big-core architecture, offering powerful computing capabilities and is equipped with AI processing units optimized for large language models in generative AI. The AI performance of the SoC was rated as the best in the world by the ETH Zurich AI benchmark. Many of the flagship phones adopting Dimensity 9300 have introduced various generative AI features, receiving positive market feedback. MediaTek 5G flagship SoC revenues grew significantly at approximately 70% year over year in 2023, contributing over US\$1 billion in revenue.

In terms of smart edge platforms, the continuous evolution of various wireless and wired connectivity technologies has driven the global upgrade trends of WiFi 6/6E, WiFi 7, 5G, and 10GPON in 2023. In particular, MediaTek's WiFi 7 technology holds a leading position globally, successfully expanding into high-end routers, notebooks, TVs, and broadband, providing consumers and enterprise users with a high-speed, stable, and persistent connection experience. Additionally, in 2023, MediaTek introduced the Dimensity Auto platform, integrating and extending our leading cross-platform technologies on the basis of existing products, further enriching the automotive product portfolio. We also announced the partnership with NVIDIA in the global automotive electronics market to jointly provide outstanding solutions for the next generation of software-defined vehicles. In terms of power IC, MediaTek continues to expand into new areas, providing low-power, precise sensing, and high-performance products for storage and servers, supporting customer needs with comprehensive solutions.

MediaTek's achievements have continued to be recognized by authoritative organizations both domestically and internationally. In 2023, it was honored with the "Outstanding APAC Semiconductor Company" award by the Global Semiconductor Alliance and ranked third in

Interbrand's "Best Taiwan Global Brands", achieving its best-ever performance in terms of brand value and ranking. In addition, Chairman Ming-Kai Tsai was awarded the prestigious IEEE Robert N. Noyce Medal, the highest honor in the electronics industry, by the Institute of Electrical and Electronics Engineers (IEEE). Furthermore, Dr. Rick Tsai, Vice Chairman and CEO, was also honored with the "Dr. Morris Chang Exemplary Leadership Award" by the Global Semiconductor Alliance.

In addition, MediaTek continues to make improvements in corporate governance, social inclusion, and environmental sustainability. In 2023, it once again received recognition with the "Excellence in Corporate Social Responsibility" and continued to be recognized as one of the top 5% companies listed on TWSE in the Corporate Governance Evaluation. MediaTek also continues to promote talent in the technology field and launched Taiwan's first women in technology program, "Girls! TECH Action". And through the "Genius at Home" social innovation initiative, it leverages technology to address issues in rural areas. Furthermore, in terms of environmental sustainability, MediaTek further promotes carbon assessment and reduction measures, continuing to progress towards the net-zero target by 2050.

Going forward, with the continuous growth of AI in both edge and cloud computing, MediaTek, with close collaboration with global ecosystem partners, will be a crucial enabler in this rapidly growing market with its industry-leading key technologies, including high-performance, low-power processors, AI computing, and wired and wireless connectivity. In edge computing, MediaTek is one of the few companies globally with a scalable AI technology product portfolio, capable of providing high-performance, low-power AI chips for various devices such as smartphones, tablets, and automotives. In cloud computing, MediaTek's key high-speed transmission SerDes IP, integrated advanced process and packaging design capabilities, and power ICs, all represent mid- to long-term growth opportunities. MediaTek will continue to invest in the development of key technologies, providing optimized processor architectures to meet the increasing demand for computing and the improvement of data transmission speeds.

Finally, we would like to extend our sincere appreciation to all of our shareholders for your long-term trust and continuous support. MediaTek will continue to expand its global market presence, actively attract top talent worldwide, optimize resource allocation, collaborate with the global semiconductor supply chain in various aspects and drive product innovation. We aim to create broader markets and achieve mutual growth with our customers by providing them with the best solutions through our outstanding IPs and technology portfolio.

Independent Auditors' Report

To the Board of Directors and Shareholders
of MediaTek Inc.

Opinion

We have audited the accompanying consolidated balance sheets of MediaTek Inc. and its subsidiaries as of December 31, 2023 and 2022, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2023 and 2022, and notes to the consolidated financial statements, including the summary of material accounting policies (together “the consolidated financial statements”).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of MediaTek Inc. and its subsidiaries as of December 31, 2023 and 2022, and their consolidated financial performance and cash flows for the years ended December 31, 2023 and 2022, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed and became effective by Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagement of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of MediaTek Inc. and its subsidiaries in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the “Norm”), and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2023 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

MediaTek Inc. and its subsidiaries recognized NT\$433,446,330 thousand as net sales, which includes sale of goods in the amount of NT\$424,144,048 thousand and services and other operating revenues in the amount of NT\$9,302,282 thousand for the year ended December 31, 2023. Main source of revenue comes from sales of chips. Due to the fact that the product portfolio and the pricing methods are varied and sales discounts are usually directly included or indirectly implied in purchase orders or in practice, it is necessary for the Company to judge and determine the performance obligation of a contract, the timing of its satisfaction, and the estimate of the variable considerations. As a result, we determined the matter to be a key audit matter.

Our audit procedures include (but are not limited to) assessing the appropriateness of the accounting policy for revenue recognition; evaluating and testing the effectiveness of internal control which is related to the timing of revenue recognition; performing test of details on samples selected from details of sales, reviewing the significant terms of sales agreements, testing five steps of revenue recognition and tracing to relevant documentation of transactions; performing test for contract modification, test for contract consolidation and test for principal and agent; adopting audit sampling on trade receivables and performing confirmation procedures on final balance and key terms of sales agreements; and reviewing transactions for certain period before and after the reporting date, analyzing the reasonableness of fluctuations and selecting samples to perform cutoff procedures, tracing to relevant documentation to verify that revenue has been recorded in the correct accounting period. Besides, we also reviewed if there are any significant revenue reversals in subsequent periods.

We also considered the appropriateness of the disclosures of sales. Please refer to Note 4, Note 5 and Note 6 in notes to consolidated financial statements.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the ability to continue as a going concern of MediaTek Inc. and its subsidiaries, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate MediaTek Inc. and its subsidiaries or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of MediaTek Inc. and its subsidiaries.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of MediaTek Inc. and its subsidiaries.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of MediaTek Inc. and its subsidiaries. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause MediaTek Inc. and its subsidiaries to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within MediaTek Inc. and its subsidiaries to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2023 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Others

We have audited and expressed an unqualified opinion on the parent company only financial statements of MediaTek Inc. as of and for the years ended December 31, 2023 and 2022.

English Translation of a Report Originally Issued in Chinese

Independent Auditors' Report

To the Board of Directors and Shareholders
of MediaTek Inc.

Opinion

We have audited the accompanying parent company only balance sheets of MediaTek Inc. as of December 31, 2023 and 2022, and the related parent company only statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2023 and 2022, and notes to the parent company only financial statements, including the summary of material accounting policies (together “the parent company only financial statements”).

In our opinion, the parent company only financial statements referred to above present fairly, in all material respects, the parent company only financial position of MediaTek Inc. as of December 31, 2023 and 2022, and the parent company only financial performance and the parent company only cash flows for the years ended December 31, 2023 and 2022, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of MediaTek Inc. in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the “Norm”), and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2023 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

MediaTek Inc. recognized NT\$268,685,527 thousand as net sales, which includes sale of goods in the amount of NT\$258,217,320 thousand and services and other operating revenues in the amount of NT\$10,468,207 thousand for the year ended December 31, 2023. Main source of revenue comes from sales of chips. Due to the fact that the product portfolio and the pricing methods are varied and sales discounts are usually directly included or indirectly implied in purchase orders or in practice, it is necessary for the Company to judge and determine the performance obligation of a contract, the timing of its satisfaction, and the estimate of the variable considerations. As a result, we determined the matter to be a key audit matter.

Our audit procedures include (but are not limited to) assessing the appropriateness of the accounting policy for revenue recognition; evaluating and testing the effectiveness of internal control which is related to the timing of revenue recognition; performing test of details on samples selected from details of sales, reviewing the significant terms of sales agreements, testing five steps of revenue recognition and tracing to relevant documentation of transactions; performing test for contract modification, test for contract consolidation and test for principal and agent; adopting audit sampling on trade receivables and performing confirmation procedures on final balance and key terms of sales agreements; and reviewing transactions for certain period before and after the reporting date, analyzing the reasonableness of fluctuations and selecting samples to perform cutoff procedures, tracing to relevant documentation to verify that revenue has been recorded in the correct accounting period. Besides, we also reviewed if there are any significant revenue reversals in subsequent periods.

We also considered the appropriateness of the disclosures of sales. Please refer to Note 4, Note 5 and Note 6 in notes to the parent company only financial statements.

Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the ability to continue as a going concern of MediaTek Inc., disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate MediaTek Inc. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of MediaTek Inc.

Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of MediaTek Inc.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of MediaTek Inc. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause MediaTek Inc. to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the accompanying notes, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within MediaTek Inc. and its subsidiaries to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2023 parent company only financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Attachment 5

Draft of the First Issuance Rules of MediaTek Y2024 Restricted Stock Awards Plan

Article 1: Purpose

To link shareholder value, focus on future growth strategy objectives, enhance global talent competitiveness and to attract and motivate key talents, and to foster the best interests of the MediaTek Inc. (hereinafter "Company") and its shareholders, and further ensure the alignment of shareholders' interests with those of the Company's employees, the following first issuance rules (the "Rules") of the MediaTek Y2024 Restricted Stock Awards are stipulated in accordance with Article 267 of the Company Act, Article 22 of the Securities and Exchange Act and the Regulations Governing the Offering and Issuance of Securities by Securities Issuers (the "Regulations") released by the Financial Supervisory Commission R.O.C.

Article 2: Duration of issuance

Within one year following the receipt of the approval notice from the applicable R.O.C. authorities, the Company may issue restricted stock awards under the Rules once or multiple times, in any case as set forth herein. The actual date of issuance of such awards and related logistical matters shall be determined by the chairman of the Company (the "Chairman") as authorized by the Company's board of directors (the "Board of Directors").

Article 3: Qualification requirements for eligibility and review procedures for the distribution

- 3.1. To protect shareholders' interests, the Company shall cautiously manage the Rules. Subject to applicable law, only the Company and its Subsidiaries' permanent employees who are employed on the date that restricted stock awards are granted and meet the performance requirements shall be eligible for the Rules. The term "Subsidiaries" is defined in accordance with the standards set forth in Article 369-2, Article 369-3, Article 369-9, paragraph 2, and Article 369-11 of the Company Act. Such awards will be further limited to below two types of employees:
- 3.1.1 Type I Employees: Managers at the level of deputy general manager or above in the Company, as well as managers at equivalent positions in Subsidiaries.
 - 3.1.2 Type II Employees: Key talents and limited to those who met one of the following conditions: (a) highly related to the future strategy and development of the Company, (b) critical to the Company's business operation, or (c) key technical talents, as determined by the Company.
- 3.2. The number of Shares to be granted to qualified employees in any award under the Rules shall be determined by the distribution standard decided by the Company with regard to seniority, position, performance, overall contribution, special contribution and any other

management-related factors. Proposed distributions of awards (including the awardee list and the granted Shares) under the Rules shall be reviewed by the Chairman for each issuance and shall be subject to approval by the Audit Committee and then the Board of Directors, with the exception of awards under the Rules to employees who are managerial officers or Board members, which awards are subject to approval by the Compensation Committee of the Company and then the Board of Directors.

3.3. Employees who possess 10% or more of the Company's issued and outstanding common shares, all the members of the Compensation Committee, and non-employee members of the Board are not eligible to receive awards under the Rules.

3.4. The sum of the aggregate number of Shares granted to each employee by (1) share subscription warrants (issued outside of the Rules) in accordance with paragraph 1, Article 56-1 of the Regulations, plus (2) restricted stock awards (whether issued under or outside of the Rules) shall not exceed 0.3% of the total outstanding common shares of the Company. The aforesaid sum plus the share subscription warrants the Company grants to each employee in accordance with paragraph 1, Article 56 of the Regulations shall not exceed 1% of the total outstanding common shares of the Company. However, with special approval from the applicable R.O.C. authorities, the total number of share subscription warrants and restricted stock awards obtained by any single employee may be exempted from the above-mentioned restriction. If applicable laws and regulations are revised in the future, the Company shall apply the revised laws and regulations.

Article 4: Total amount of issuance

The total number of shares available for issuance under the Rules shall be 8,000,000 common shares of the Company (the "Shares"), each share having a par value of NT\$ 10, for a total amount of NT\$ 80,000,000.

Article 5. The terms and conditions for issuance of awards under the Rules and the restrictions imposed on the rights of such Shares

5.1. Issue price: Awards under the Rules shall be gratuitous.

5.2. Class of issued shares: The Company's newly issued common shares.

5.3. Vesting conditions of awarded Shares under the Rules are subject to the following conditions:

5.3.1 An employee's continuous employment with the Company through the vesting dates; no breach by the employee of any terms of any agreement with the Company to which the employee is subject, including, without limitation, the employee's employment terms and conditions or any other employment-related agreement, any non-competition or confidentiality agreements; no violation by the employee of employee handbook; and, the achievement by the employee of the employee's individual performance goals, and the Company's achievement of performance indexes during the applicable Performance Period (as defined below) are all required for the awarded Shares to vest in accordance with vesting schedule set forth in the

applicable Restricted Stock Award Agreement. For each award under the Rules, the awarded Shares shall vest over a 2-year period from the date of the award, with the maximum percentage of Shares vested on the vesting date of each vesting year as follows: 50% of the total award on the 2025 vesting date; and 100% of the total award on the 2026 vesting date. The actual number of the Shares vesting on any particular vesting date will be based on the employee's achievement of individual performance goals and the Company's achievement of performance indexes during the applicable performance periods (the "Performance Periods"). The Performance Periods for measuring the Company's achievement of performance indexes (further described in Section 5.3.2 below) during the 2-year award vesting period are as follows: (1) For the 2025Y vesting date, the 2024 fiscal year (the "Single-Year Performance Period"); (2) For the 2026Y vesting date, the 2024 and 2025, combined fiscal years (the "Combined-Year Performance Period"). The number of shares vesting for each performance index is calculated separately and vesting on the 2025 vesting date is calculated based on achievement of performance indexes during the Single-Year Performance Period, whereas the vesting on the 2026 vesting date is an accumulated vesting result calculated based on achievement of performance indexes during Combined-Year Performance Period. Any fractional vested Shares should be rounded down to the nearest whole share.

- 5.3.2 For the employee's achievement of individual performance index for each vesting date, such goals include the employee's achievement of an "I" rating ("Meets Expectations") (or a rating equivalent to such rating as may be given by a Company affiliate) or higher in the employee's annual performance rating for the performance year preceding such vesting date, or, if no rating is available, the employee's achievement (as determined by the Company) of job performance criteria for such Performance Period, which will be set by the Company and agreed with the employee. The Company's performance indexes include the following three indexes: (1) the ranking of Company's total shareholder return (Relative TSR") compared to the 50 companies that are the constituents of FTSE TWSE Taiwan 50 Index; (2) revenue growth YOY rate; and (3) operating margin% ("OPM%"). Each index has its own threshold level and target level. The percentage of vested Shares determined by each index on each vesting date will range from 0% to 100% for such vesting date and with reference to the performance of the index in the applicable fiscal year(s), with the actual percentage determined as follows: 0% if the Company's achievement of performance index is below the threshold level (as stated in the applicable Restricted Stock Award Agreement); 50% if the achievement of performance index meets such threshold level ; and 100% if the performance result meets or exceeds the target level (as stated in the applicable Restricted Stock Award Agreement). If the performance result is greater than the threshold but less than the target level, the percentage of vested Shares determined by the applicable index shall be calculated by the

interpolation method. For purposes of determining if the threshold level or the target level is achieved, calculations shall be rounded down to the nearest whole percent, while, for performance results between the threshold level and the target level, calculations will be rounded up or down to the nearest hundredth percent. The weighting and the range of threshold to target level of each performance index are set forth in the table below for different Types of awarded employees, and the threshold and target levels for each performance index for the applicable Performances Periods will be set by the Company for each award under the Rules and specified in the applicable Restricted Stock Award Agreement with the awarded employee. The judgement of the achievement level of the performance indexes shall be based on the Company's consolidated financial statements certified by a certified public accountant for the corresponding Performance Periods.

Performance Index		TSR ranking relative to the constituents of FTSE TWSE Taiwan 50 Index (Relative TSR)	Revenue Growth YOY %	Operating Margin %
Weighting	Type I Employees	40%	30%	30%
	Type II Employees	25%	30%	45%
Threshold and Target Range		25 th ~ 50 th (P25~P50)	7%~12%	15%~18%

5.4. Circumstances leading to revocation/cancellation of awards

5.4.1 Subject to applicable law, after a restricted stock award is granted to an employee, the Company shall have the right, in its sole discretion, to revoke and cancel any or all of the unvested Shares in the award in any of the following events:

The employee is on a leave of absence on the vesting date; The employee (1) commits a breach of (A) the employee's employment terms and conditions or any other employment-related agreement, non-competition or confidentiality agreements, or (B) employee handbook, or (2) fails to achieve the employee's individual performance goals (see Section 5.3.2 above) and the Company fails to achieve its performance indexes (see Section 5.3.2 above); or (3) employee breaches below section 5.8 regarding modification withdrawal, cancellation, expiry or termination of the authorization to the Company or the appointed person as the deputy to handle all events for management of restricted stock awards in the security trust or custodian account.

5.4.2 The Company shall revoke and cancel all the unvested Shares of any restricted stock awards granted to the employee if the employee resigns voluntarily or the employee has been laid-off or otherwise terminated during the vesting period.

5.5. Events resulting in change of vesting and/or other actions.

In the event any of the following occurs, the unvested Shares in an employee's outstanding

restricted stock award(s) shall be handled as follows.

- 5.5.1 Leave of absence without pay (approved by the company). For any employee taking a leave of absence without pay (approved by the Company), the rights and obligations of the employee under the Rules and any applicable Restricted Stock Award Agreement shall remain in effect, provided that, subject to applicable law, (1) the number of Shares that vest in any restricted stock awards during a vesting period when the employee is on leave for any part of such period shall be further pro-rated based on the number of months the employee was not on leave during such period, and (2) in the event the employee is on leave on the vesting date, the vesting conditions for such award shall be deemed to have not been satisfied on the vesting date and the unvested Shares that might otherwise vest on the vesting date during such vesting period under such award shall be subject to revocation and cancellation in accordance with Section 5.4.1 above.
- 5.5.2 Transfer to another entity within the MediaTek Group. If the employee is transferred to another entity within the MediaTek Group at the Employee's request, the unvested Shares under the restricted stock award(s) granted to the employee shall be revoked and cancelled by the Company. If the transfer is made at the Company's request, the terms and conditions with respect to the unvested Shares under the Rules and the applicable Restricted Stock Award Agreement, including without limitation, the Company's performance indexes, shall remain in effect, provided that the employee's individual performance goals shall be re-evaluated and meet the performance requirement based on the performance standard of the entity in the MediaTek Group to which the employee transfers. In the event that the employee is not employed by the Company or the entity in the MediaTek Group that the Company requests the employee to transfer to on the vesting date, the Company shall revoke and cancel any and all portions of the unvested shares of restricted stock awards.
- 5.5.3 Retirement. For a retiring employee the rights and obligations of the employee under the Rules and any applicable Restricted Stock Award Agreement shall remain in effect, provided that, subject to applicable law, the actual number of Shares that vest on the vesting date shall be further pro-rated based on the number of months the employee worked during such performance. In the event that the effective date of the retirement is on or before the last day of the Combined-Year Performance Period, the shares vesting shall only be determined by Single-Year Performance Period, and the Company shall revoke and cancel any and all portions of the unvested shares of restricted stock awards.
- 5.5.4 Termination of employment due to permanent and total disability arising from occupational injury. If an employee's employment terminates by reason of permanent and total disability (as determined by the applicable Subsidiaries in accordance with applicable laws governing disability) arising from occupational injury, the unvested Shares in the employee's restricted stock award(s) shall immediately vest upon such

termination date as follows: If both the achievement of the Company's performance indexes and the employee's individual performance goals have already been determined (in accordance with Article 5.3) for the applicable vesting period as of the date of termination, all unvested Shares shall vest in accordance with the vesting conditions set forth in the Rules (see Section 5.3.2). If both the achievement of the Company's performance indexes and the employee's individual performance goals have not already been determined (in accordance with Article 5.3) as of the date of termination for any remaining vesting periods, all of the unvested Shares for such vesting periods shall immediately and automatically vest as of the date of termination.

5.5.5 Death due to occupational injury or others. Regarding the unvested Shares granted to a dead employee, after the employee's estate, heirs, or other representative(s), as the case may be, complete the required procedure in accordance with applicable laws and provide the Company with relevant document for evidencing the completion, he/she/they may apply for transfer of the Shares or the interest arising from disposal of the Shares. If both the achievement of the Company's performance indexes and the employee's individual performance goals have already been determined for the applicable vesting period, the unvested Shares shall vest in accordance with the vesting conditions set forth in the Rules. If the achievement of the Company's performance indexes and the employee's individual performance goals have not already been determined for the applicable vesting period as of the date of termination, all of the unvested Shares shall immediately and automatically vest.

5.5.6 Change of Control. In the event of any planned reorganization in accordance with the Business Mergers and Acquisitions Act, the Board of Directors shall determine what portion, if any, of all the unvested Shares in outstanding restricted stock awards shall vest prior to or otherwise in connection with the closing of such transaction.

5.5.7 Additional Considerations. Notwithstanding the foregoing, in the event of special circumstances, including, without limitation, outstanding contributions by an employee to the Company, the Chairman is authorized to determine, in the Chairman's discretion, that unvested Shares in the restricted stock award(s) of an employee should vest in a number in excess of what the vesting rules set forth above would provide on a case by case basis when the employee's employment is terminated with the Company; provided that, for employees who are managerial officers or members of the Board of Directors, any such determination is subject to approval by the Compensation Committee.

5.6. The issued restricted stock awards revoked by the Company without consideration shall be canceled.

5.7. Restrictions imposed on the Shares before vesting conditions are met.

5.7.1 Except for inheritance, employees are prohibited from and shall not sell, pledge, transfer, give to another person, create any encumbrance on, or in any other way dispose of any unvested Shares.

- 5.7.2 Rights to attend the Company's shareholder's meeting, submit proposals, or speak and vote at the meeting attributed to ownership of stock with respect to any unvested Shares will be the same as those of the common shares of the Company but shall be subject to and performed in accordance with the trust or custodian agreement.
- 5.7.3 Rights to dividends, interest, capital reserve, and share subscription warrants attributed to ownership of stock with respect to any unvested Shares will be the same as those of the common shares of the Company and shall be subject to and performed in accordance with the trust or custodian agreement.
- 5.7.4 If any Shares vest on a date that falls during a period in which the Company is prohibited from altering the Company's shareholders' roster, including but not limited to, for reasons pertaining to the Company's issuance of bonus or cash dividends, or conducting a capital increase, convening shareholder's meeting pursuant to paragraph 3 of Article 165 of the Company Act, the release of the restrictions on such Shares set forth in this Section 5.7.4 shall be in accordance with the trust or custodian agreement and applicable laws and regulations.

5.8. Others

- 5.8.1 All Shares under each restricted stock award under the Rules shall be deposited in a security trust or custodian account governed by the trust or custodian agreement immediately after the granting of the award and execution of Company-required documentation. The employee shall have no right to request and shall not request that the trustee(s) release unvested Shares held in the trust or custodian account for any reason or in any method.
- 5.8.2 During the period that the Shares under a restricted stock award are deposited in the security trust or custodian account, management of the security trust or custodian account and the assets therein shall be pursuant to the trust or custodian agreement, and the negotiation, execution, amendment, renewal, or termination of the trust or custodian agreement for such account and the instructions to deliver, use or disposal of the trust or custodian property in such account shall be performed by the Company or the person appointed by the Company on behalf of the employees, in any case, in accordance with the trust or custodian agreement.
- 5.8.3 Employees who are managerial officers and do not meet the minimum number of shares requirement based on the Mediatek Inc. Executive Officer Stock Ownership Guidelines and its Implementing Rules, as then in effect, a portion of shares (in an amount as determined by such Guidelines and Rules) that are about to be vested will be considered as not vested and continue to be held in trust or custodian account. Upon reaching the minimum number of shares requirement in subsequent annual measurement, the shares will be considered as vested and released from trust or custodian account.

Article 6: Execution and confidentiality of the agreement

- 6.1 An employee is deemed to have been granted a restricted stock award only upon the employee's receipt of notification of the award by the responsible department of the Company and after the employee has executed the Restricted Stock Award Agreement evidencing such award and any other documentation required by the Company in connection therewith and completed all other required processes for trust or custody of the Shares. If the employee fails to take all such required steps within the timeframe specified by the Company, all rights to the restricted stock award shall immediately and automatically be deemed to have been forfeited.
- 6.2 The employee and any person receiving restricted stock awards in accordance with the Rules shall comply with the Rules and the Restricted Stock Award Agreement executed by employee as required hereunder, the violation of the above shall be deemed as nonfulfillment of the vesting condition. As provided in the rules set by the Company regarding the confidentiality of compensation (to the extent the employee may be bound by such rules under applicable law), the employee shall keep confidential the contents of the applicable Restricted Stock Award Agreement, the number of shares granted to him/her under the Rules and his/her rights under the Rules and shall not inquire Shares granted to others. The Company shall have the right to revoke and cancel the unvested restricted stock awards awarded to such employee if the employee violates the above.

Article 7: Tax

Any tax matter arising from the granting and/or vesting of any restricted stock awards under the Rules shall be handled in accordance with the applicable laws and regulations of the R.O.C. and the country where the employee resides.

Article 8: Other important covenants

- 8.1 The Rules must be approved by the Board of Directors by an agreement adopted by a majority vote of the Board at a meeting attended by over two-thirds of the directors, and then take effect after receiving the written approval from the applicable R.O.C. authorities. If there are revisions of the Rules before issuance, the same approval process shall apply. If modifications of the Rules are required due to amendment to the laws and regulations or instructions from the competent authority, the Chairman is authorized to make any necessary amendment to the Rules. All other modification or amendment to the Rules shall be proposed to be reviewed and approved by the Board of Directors for ratification and issuance as set forth above.
- 8.2 For the matters pertaining to yet not stipulated in the Rules, except as otherwise provided by law, the Board of Directors or the person appointed by the Board of Directors is authorized with full power and authority to revise the Rules and execute such matters pursuant to the applicable laws and regulations.
