Pinhook makes annual vintages of bourbon and rye in a variety of expressions, all of which are connected to promising young thoroughbreds. The whiskey in each release is the best representation of our barrels at that moment in time. A combination of barrel selection, blending, and proofing produce spirits as unique as the horse on the label.

Limited to a blend of only 65 barrels, the Rye Humor Cask Strength release is the first edition of barrel proof straight rye whiskey from Pinhook. The barrels are all over 4 years old and were blended by Sean Josephs at Castle & Key Distillery in Frankfort, KY.
