Every year, Pinhook releases a new bourbon and rye, each of which is connected to a promising young thoroughbred horse. The whiskey in each release is the best expression of our barrels at that moment in time, and we blend and proof each release to be as unique as the horse on the label.

The Rye Humor release is the second edition of straight rye whiskey produced by Pinhook. The traditional mashbill has over 3 years of barrel age and was blended and proofed by Sean Josephs at Castle & Key Distillery in Frankfort, KY.
