

## Core competencies

### Company summary

O'Reilly's mission is to change the world by sharing the knowledge of innovators. For over 40 years, we've inspired government agencies, companies, and individuals to do new things—and do things better—by providing them with the technical and business skills that are necessary for success. **The O'Reilly learning platform offers expansive breadth and depth of content, features, and learning experiences to help your agency stay ahead of the latest in technology and business.**

### Features

- **More than 60,000 titles** from O'Reilly and nearly 200 trusted publishing partners
- **Live courses and virtual half-day tech conferences** with industry experts on the latest in security, architecture, data, AI, cloud, and more
- **Role-based courses with badging and certificates of completion** to upskill in technology from scratch
- **Instant answers** for finding quick solutions in the flow of work
- **Direct paths to official certification prep materials** plus interactive practice tests to help learners focus on the areas where they need the most help
- **Interactive sandboxes and labs** for hands-on experience with critical technologies in safe dev environments—from any browser
- **Industry-leading Insights Dashboard** for a deeper understanding of how your teams are learning
