

Pfizer Latvia funding to patient organisations, 2015

Name of Patient organization funded in 2015	Grant amount <i>Euros</i>	Grant purpose	
Cancer patients organization "Dzivibas koks" (Tree of life)	3,000.00	Charitable contribution	The cancer patient support organization "Dzīvības koks"(the Tree of Life) is organizing charity campaign "Baudi un PĀRbaudi" in October, 2015, which is celebrated as Breast Cancer Awareness Month. The campaign encourages the public and especially men to urge women to carry out regular breast examinations. All funds raised in the campaign will be channeled to the establishment of the psychosocial rehabilitation centre "Spēka avots "(The Source of Strength" in the old Dignaja manor, where rehabilitation center of cancer patients and their relatives will be made available on a regular basis.
Cancer patients organization "Dzivibas koks" (Tree of life)	4,000.00	Charitable contribution	Cancer Patient Support Society "Dzīvības koks" aim is to provide rehabilitation services not only for cancer patient, but also for their relatives. It is important to inform individuals about desired behavior if someone close to them has developed cancer. For this reason Society "Dzīvības koks" is going to create, print and distribute printed version and create and install electronic format of 2 kinds of informative booklets : "If one of your parents has been diagnosed with cancer" and "If one of your colleagues has been diagnosed with cancer". Each booklet will be printed in 2000 copies , but electronic version will be placed on "Dzīvības koks" website www.dzivibaskoks.lv .
