

Pfizer Support to European and International Patient Organisations in 2017

Support to European organisations

The below list contains information on the support Pfizer has provided to European-level patient organisations in 2017, and services contracted from them (e.g. speaker fees), and to national and global patient organisations for European-level work. It follows the standards set out in the EFPIA code of practice governing relationships between the pharmaceutical industry and patient associations. Note that many of these declarations have also been declared in the country in which an organisation is based, dependent on local guidelines.

Alzheimer Europe
<p>Organisation Description Alzheimer Europe is a non-governmental organisation aimed at raising awareness of all forms of dementia by creating a common European platform through co-ordination and co-operation between Alzheimer organizations throughout Europe. Alzheimer Europe is also a source of information on all aspects of dementia.</p> <p>Funding Pfizer provided €20,000 as sponsors of Alzheimer Europe’s corporate programme.</p> <p>This information is also declared on www.pfizer.be. Please be aware that the format may differ to follow Belgian transparency guidelines.</p>
AntiCoagulation Europe (ACE)
<p>Organisation Description ACE is a UK registered charity founded in the year 2000. ACE works with patients, healthcare professionals, NHS trusts, industry, governments, other charities and patient groups and a wide range of other organisations. Its aims are: the prevention of thrombosis; the provision of information, education and support; the promotion of independence - supporting people to take an active part in their own healthcare.</p> <p>Funding Pfizer Ltd on behalf of the BMS-Pfizer Alliance (an alliance between Bristol-Myers Squibb Pharmaceuticals Ltd and Pfizer Ltd) provided a consultancy fee of £450 to ACE. This figure is the total of Pfizer’s contribution via the Pfizer-BMS alliance, and is 50% of the total paid.</p> <p>This information is also declared on www.pfizer.co.uk. Please be aware that the format may differ to follow UK transparency guidelines.</p>
Europa Colon
<p>Organisation Description European umbrella organisation that works with 43 groups in 32 European countries and has been recognised as the voice of colorectal cancer patients in Europe. EuropaColon aims to unite patients, caregivers, healthcare professionals, politicians, the media and the public in the fight against digestive cancers.</p> <p>Funding</p>

This information is also declared on www.pfizer.be. Please be aware that the format may differ to follow Belgian transparency guidelines.

European Federation of Neurological Associations (EFNA)

Organisation Description
The European Federation of Neurological Associations (EFNA) brings together European umbrella organisations of neurological patient advocacy groups, to work with other associations in the field of neurology, in what has been termed a 'Partnership for Progress'. EFNA engages in activities, which contribute to the advancement of neurology and related areas with a view to improving the quality of life of people living with neurological conditions, their families and carers.

Funding
Pfizer Inc provided a €75,000 policy-focused healthcare charitable contribution to support EFNA's 2017 keynote policy projects

This information is also declared on www.pfizer.be. Please be aware that the format may differ to follow Belgian transparency guidelines.

European Haemophilia Consortium (EHC)

Organisation Description
The European Haemophilia Consortium (EHC) is a European patient group representing national member organisations from 43 countries in Europe including members in all 28 Member States. The EHC is working to reduce the burden of the disease on both the individual and on society. Its mission is to improve the quality of life of people with Haemophilia in Europe.

Funding
Pfizer Inc provided €60,000 funding to support the EHC Tenders and Procurement Workshop in Sofia, Bulgaria.

This information is also declared on www.pfizer.be. Please be aware that the format may differ to follow Belgian transparency guidelines.

European Huntington Association (EHA)

Organisation Description
The European Huntington Association (EHA) is an umbrella organization formed by Huntington's disease (HD) associations all over Europe. EHA will share information and connect people through our unique cross border network. Together we will let our voice be heard and work for better care, treatment and research.

Funding

Pfizer Inc provided €20,000 to support EHA's annual meeting.

European Network of Gynaecological Oncology Patient Organisations (ENGAGE)

Organisation Description

Established in 2012, the European Network of Gynaecological Cancer Advocacy Groups is a network of European patient advocacy groups established by European Society of Gynaecological Oncology representing all gynaecological cancers particularly (ovary, endometrial, cervix, vulva and rare cancers).

Funding

Pfizer Inc provided \$35,000 to support the ENGAGE annual meeting 2017.

European Parkinson's Disease Association (EPDA)

Organisation Description

As the leading voice for Parkinson's in Europe, EPDA provides information and resources to all Parkinson's stakeholders, raises awareness of the disease's complexities and impact, and advocates for concrete policy change that benefits the Parkinson's community.

Funding

Pfizer Inc provided €25,000 as a gold corporate partnership.

This information is also declared on www.pfizer.co.uk. Please be aware that the format may differ to follow UK transparency guidelines.

European Patients' Forum (EPF)

Organisation Description

The European Patients' Forum (EPF) is the umbrella patients' organisation at EU level. It brings together a broad range of leading European and national patients' organisations in different disease areas. Representing over 150 million patients, the EPF is a key interlocutor with European institutions, and promotes patients' rights, participation and involvement in EU healthcare developments.

Funding

€30,000	Pfizer SA/NV provided a grant to support EPF's annual work programme.
€25,000	Pfizer Inc provided a grant support to EPF's Capacity Building Programme (payment initiated by Pfizer in 2016, received by EPF in 2017).
€6,250	Pfizer Inc provided a healthcare charitable contribution for journal access for EUPATI fellows.

This information is also declared on www.pfizer.be. Please be aware that the format may differ to follow Belgian & Luxembourgish transparency guidelines.

EURORDIS (European Organisation for Rare Diseases)

Organisation Description

EURORDIS is a patient-driven alliance of patient organisations and individuals active in the field of rare diseases. EURORDIS' mission is to build a strong pan-European community of patient organisations and people living with rare diseases, to be their voice at the European level, and -

directly or indirectly - to fight against the impact of rare diseases on their lives.

Funding

Pfizer Inc provided €130,000 to support the EURORDIS international initiative and capacity building.

This information is also declared on www.pfizer.fr. Please be aware that the format may differ to follow French transparency rules.

International Diabetes Federation Europe (IDF-Europe)

Organisation Description

As the only European advocate for people with diabetes and their healthcare providers, the International Diabetes Federation European Region works together with its member associations and other diabetes stakeholders to enhance the lives of people with diabetes. Many IDF member associations are made up of people with diabetes and health care professionals. The mission of the International Diabetes Federation is to promote diabetes care, prevention and a cure worldwide.

Funding

Pfizer Ltd provided a policy-focused healthcare contribution of €27,000 for the IDF Europe Corporate Partnership.

This information is also declared on www.pfizer.be. Please be aware that the format may differ to follow Belgian transparency guidelines.

Lung Cancer Europe (LuCE)

Organisation Description

Lung Cancer Europe is a non-governmental organisation which was established in 2013 to provide a voice for lung cancer patients and their families at a European level. Through its member organisations (which are lung cancer organisations with a patient focus), LuCE reflects patients' and their carers' and families' unique and direct experience and expertise in healthcare.

Funding

Pfizer Pharma GmbH provided €25,000 to support LuCE's goals and represent the patient's voice at the EU level through 2017 CARE program: C create awareness of lung cancer; A access to the best possible treatment; R reduce mortality through early detection; E equality of care throughout Europe.

Lymphoma Coalition Europe

Organisation Description

The Lymphoma Coalition Europe (LCE) is the European branch of the Lymphoma Coalition (LC). It was created in 2015 to focus on issues of regional interest and to contribute to the implementation of LC mission and activities in Europe and in Israel.

Funding

Pfizer Inc provided €25,000 to support the Lymphoma Coalition Europe annual meeting.

This information is also declared on www.pfizer.fr. Please be aware that the format may differ to follow French transparency rules.

World Alliance of Pituitary Organisations**Organisation Description**

The World Alliance of Pituitary Organizations (WAPO) is a self-governed non-profit organization created in order to unite the international pituitary patient community to push for optimal treatment and care for all patients with pituitary and related conditions worldwide. The goal of our organization is to share information, work together and support all pituitary patients' advocates all around the world.

Funding

Pfizer Inc provided €25,000 support for the WAPO annual congress.

Appendix: Funding to organisations engaged in some work with patients.

Pfizer provides funding to a number of organisations that are not patient organisations, but which have patient organisation membership or are otherwise relevant to patients. As such, they are listed here for the sake of transparency.

European Alliance for Personalised Medicine (EAPM): Founded in 2012, The European Alliance for Personalised Medicine (EAPM) brings together Europe's leading healthcare experts, healthcare organisations and institutions, and patient advocates to improve patient care by accelerating the development, delivery and uptake of personalised healthcare including personalised medicine and diagnostics. EAPM is based in Belgium. In 2017, Pfizer Inc. paid €10,000 for EAPM health congress sponsorship.

European Brain Council (EBC): The European Brain Council (EBC) is a coordinating council formed by European organisations in neurology, neurosurgery, psychiatry, basic brain research (neuroscience), as well as patient organisations and companies from within the pharma and biotech industries. It represents a vast network of patients, doctors and scientists, and these stakeholders along with its industrial partners make it eminently suited to work in close partnership with the European Parliament and Commission, national governments as well as other policy making bodies. EBC is based in Belgium. In 2017 Pfizer Ltd provided EBC with €20,000 as an annual membership fee.

Eurocarers: Eurocarers is the European network representing informal carers and their organisations, irrespective of the particular age or health need of the person they are caring for. In 2017, Pfizer Inc provided €23,000 to support the development of an information toolkit for carers of cancer patients.

European Society for Medical Oncology (ESMO): ESMO is the leading European professional organisation for medical oncology. Comprising more than 15,000 oncology professionals from over 130 countries, ESMO is the society of reference for oncology education and information. ESMO is based in Switzerland. In 2017, Pfizer Inc. provided €15,000 to support the Patient Advocacy Track at the 2016 ESMO Congress.

European Network for Smoking and Tobacco Prevention (ENSP): ENSP has more than 60 member organisations from across Europe. It aims to create greater coherence among smoking prevention activities and to promote comprehensive tobacco control policies, at both national and European levels, in order to prevent ill health and early death from tobacco-related causes. In 2017, Pfizer Inc provided ENSP with a policy-focused healthcare charitable contribution of €15,000.
