## Report of Independent Registered Public Accounting Firm

To the Member and The Board of Managers of Robinhood Securities, LLC

### Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Robinhood Securities, LLC (the “Company”) as of December 31, 2023 and the related notes (the “financial statement”). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company at December 31, 2023, in conformity with U.S. generally accepted accounting principles.

### Basis for Opinion

This financial statement is the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

*Ernst & Young LLP*

We have served as the Company’s auditors since 2017.

*The accompanying notes are an integral part of the financial statement.*

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

**NOTE 1: ORGANIZATION AND NATURE OF BUSINESS**

Robinhood Securities, LLC (the “Company,” “we,” “our,” “us,” or “RHS”) is a wholly owned subsidiary of Robinhood Markets, Inc. (the “Parent” or “RHM”, and together with its subsidiaries, “Robinhood”). We are registered with the U.S. Securities and Exchange Commission (“SEC”) as a clearing broker-dealer in securities under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). We are a member of the Financial Industry Regulatory Authority (“FINRA”), and the Securities Investor Protection Corporation (“SIPC”).

We clear trades for retail user accounts introduced by Robinhood Financial LLC (“RHF”), an affiliated introducing broker-dealer, on a fully disclosed basis. We have a fractional shares program which allows users to purchase and sell fractions of a share in certain equities, enabling users to place real-time fractional share orders in dollar amounts or share amounts, with purchases rounded to the nearest penny and the ability to purchase as small as 1/1,000,000 of a share. Our affiliated broker-dealer and us together operate a cash sweep program which allows users’ uninvested cash balances to earn interest with partner banks insured by Federal Deposit Insurance Corporation (“FDIC”).

Throughout these financial statements, the term “users” is defined as customers under Exchange Act Rule 15c3-3.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Presentation***

The accompanying financial statement has been prepared in accordance with generally accepted accounting principles in the United States (“GAAP”).

***Use of Estimates***

The preparation of the financial statement in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statement and accompanying notes. We base our estimates on historical experience and other assumptions we believe to be reasonable under the circumstances. Assumptions and estimates used in preparing our financial statement include, but are not limited to, those related to the determination of allowances for credit losses and contingent liabilities. Actual results could differ from these estimates and could have a material adverse effect on our financial statement.

***Segment Information***

Operating segments are defined as components of an enterprise for which separate financial information is evaluated regularly by the chief operating decision maker (“CODM”) in deciding how to allocate resources and assess performance. We operate and report financial information in one operating segment as our CODM only reviews our financial information to allocate resources and assess performance. All of our revenues and assets are attributed to or located in the United States.

***Concentration of Credit Risk***

We are engaged in various trading and brokerage activities in which counterparties include primarily broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, we may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty. Default of a counterparty in equities and options trades, which are facilitated through clearinghouses, would generally be spread among the clearinghouse’s members rather than falling entirely on us. It is our policy to review, as necessary, the credit standing of each counterparty.

***Cash***

Cash includes interest and non-interest bearing deposits with banks that are not segregated and deposited for regulatory purposes. We maintain cash in bank accounts at financial institutions that exceed federally insured limits. We are subject to credit risk to the extent any financial institution with which we conduct business is unable to fulfill contractual obligations on our behalf. As we have not experienced any losses in such accounts and we believe that we have placed our cash on deposit with financial institutions which are financially stable, we do not have an expectation of credit losses for these arrangements.

***Cash Segregated Under Federal and Other Regulations***

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

We are required to segregate cash for the exclusive benefit of customers, as defined by SEC Rule 15c3-3, and proprietary accounts of broker-dealers ("PAB") in accordance with the provisions of Rule 15c3-3 under the Exchange Act. We continually review the credit quality of our counterparties and have not experienced a default. As a result, we do not have an expectation of credit losses for these arrangements.

***Fair Value of Financial Instruments***

We apply fair value accounting for all financial assets and liabilities and non-financial assets and liabilities that are recognized or disclosed at fair value in the financial statement on a recurring basis. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, we may use various valuation approaches, including market, income and/or cost approaches. The fair value hierarchy requires us to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Fair value is a market-based measure considered from the perspective of a market participant. Accordingly, even when market assumptions are not readily available, our own assumptions reflect those that market participants would use in pricing the asset or liability at the measurement date. The fair value measurement accounting guidance describes the following three levels used to classify fair value measurements:

Level 1 Inputs: unadjusted quoted prices in active markets for identical assets or liabilities that are accessible by us

Level 2 Inputs: quoted prices for similar assets and liabilities in an active market, quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly

Level 3 Inputs: unobservable inputs that are significant to the fair value of the assets or liabilities

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The carrying amounts of certain financial instruments approximate their fair value due to the short-term nature, which include cash, cash segregated under federal and other regulations, receivables from brokers, dealers, and clearing organizations, receivables from users, net, securities borrowed, deposits with clearing organizations, other assets, accrued expenses and other liabilities, payables to users, payables to brokers, dealers, and clearing organizations, due to affiliated introducing broker-dealer, due to Parent, and securities loaned.

***Receivables from and Payables to Users***

Receivables from users, net is primarily made up of margin receivables. These transactions are recorded on settlement date basis. Margin receivables are adequately collateralized by users' securities balances and are reported at their outstanding principal balance, net of an allowance for credit losses. We monitor margin levels and require users to deposit additional collateral, or reduce margin positions, to meet minimum collateral requirements and to avoid automatic liquidation of their positions.

We apply the practical expedient based on collateral maintenance provisions in estimating an allowance for credit losses for receivables from users. We have no expectation of credit losses for receivables from users that are fully secured, where the fair value of the collateral securing the balance is equal to or in excess of the receivable amount. This is based on our assessment of the nature of the collateral, potential future changes in collateral values, and historical credit loss information relating to fully secured receivables. In cases where the fair value of the collateral is less than the outstanding receivable balance from a user, we recognize an allowance for credit losses in the amount of the difference, or unsecured balance, immediately. We write-off unsecured balances when the balance becomes outstanding for over 180 days or when we otherwise deem the balance to be uncollectible.

We are indemnified by RHF for losses incurred in connection with unsecured users' receivables. Unsecured user receivables that are not collected from RHF are treated as a non-allowable asset in our net capital computation. If any of the unsecured user receivables become secured or collected, we will pay RHF back the amount collected.

Payables to users represent free credit balances from users' uninvested deposits and/or funds attributed to users as a result of settled trades and other security related transactions.

***Receivables From and Payables to Brokers, Dealers, and Clearing Organizations***

Receivables from brokers, dealers, and clearing organizations primarily include receivables from market makers for routing user orders for execution, receivables for securities not delivered by us to the counterparties by the settlement date ("securities failed to deliver"), and interest receivables on securities borrowed and securities loaned.

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

Payables to brokers, dealers, and clearing organizations primarily include payables for securities not received by us from a counterparty by the settlement date (“securities failed to receive”) and interest payables on securities borrowed and securities loaned. Due to affiliated introducing broker-dealer relates to payables to RHF for introducing broker fees and shared revenues pursuant to a revenue-sharing arrangement.

These receivables and payables are short-term and normally settle within 30 days. Aged receivables from brokers, dealers, and clearing organizations are treated as non-allowable assets in our net capital computation. We continually review the credit quality of our counterparties and have not experienced a default. As a result, we do not have an expectation of credit losses for these arrangements.

***Deposits With Clearing Organizations***

We are required to maintain collateral deposits with clearing organizations such as Depository Trust & Clearing Corporation and Options Clearing Corporation which allow us to use their security transactions services for trade comparison, clearance and settlement. The clearing organizations establish financial requirements, including deposit requirements, to reduce their risk. The required level of deposits may fluctuate significantly from time to time based upon the nature and size of users’ trading activity and market volatility. We earn interest on these deposits which is included as net interest revenues in the consolidated statements of operations. As we have not experienced historic defaults, we do not have an expectation of credit losses for these arrangements. As of December 31, 2023, \$50 million of our U.S. treasury securities were pledged to a clearing organization to meet margin requirements for our security lending program.

***Due to Affiliates***

Due to affiliates primarily relates to payables to RHF for introducing broker fees and shared revenues pursuant to a revenue-sharing arrangement.

***Fractional Share Program***

We operate our fractional share program for the benefit of our users and maintain an inventory of securities held exclusively for the fractional share program. This proprietary inventory is recorded within other assets on our statement of financial condition.

When a user purchases a fractional share, we record the cash received for the user-held fractional share as pledged collateral and an offsetting liability to repurchase the shares, recorded on our statement of financial condition, as we concluded that we did not meet the criteria for derecognition under the accounting guidance. We measure our inventory of securities, user-held fractional shares and our repurchase obligation at fair value via the election of the fair value option at fair value at each reporting period.

***Other Assets***

Other assets primarily include corporate cash held at a third party to support our cash withdrawals feature, cash sweep interest receivables, fractional share proprietary inventory, prepaid expenses, and various other receivables. We classify prepayments made under contracts as prepaid expenses and expense them over the contract terms. These prepaid expenses primarily include items such as prepayments on insurance. As of December 31, 2023, prepaid expenses included in other assets were \$4 million.

***Securities Borrowing and Lending***

We operate a securities lending program under which shares that users have pledged to us to collateralize their margin borrowing are lent by us to third parties (“Margin Securities Lending”) and a Fully-Paid Securities Lending program under which we borrow fully-paid shares from participating users and lend them to third parties (“Fully-Paid Securities Lending”). We also occasionally borrow securities from third parties for operational purposes, and we occasionally lend to third parties securities that we hold for our own account (such as our holdings to support fractional share operations) or on behalf of our affiliated introducing broker-dealer.

When we borrow securities from users participating in the Fully-Paid Securities Lending program (or from third parties), we provide cash as collateral and we record a receivable representing our right to the return of that collateral. The amount of that receivable is presented in “securities borrowed” on our statement of financial condition. In the case of our Fully-Paid Securities Lending program, the cash collateral is held by a FDIC insured third-party bank in a deposit account pledged to the user, which we administer as the user’s agent. Users are not entitled to interest on such account, and any interest earned is for our benefit.

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

Our authorization from users to lend shares that collateralize their margin borrowing is found in our margin account agreement, our borrowing of fully-paid shares from users is conducted under the terms of our Fully-Paid Securities Lending program to which users consent when they enroll in that program, and substantially all of our securities lending and borrowing transactions with third parties are conducted under the terms of an industry-standard master securities loan agreement (“MSLA”), which has an open contractual term and may be terminated upon notice by either party. We have also entered into fixed-term securities lending agreements with two financial institution counterparties (the “Fixed-Term Securities Lending Agreements”). One of these agreements has a contractual term of 30 days per lending transaction with a daily minimum commitment of \$25 million and another has a contractual term of 21 days per lending transaction with a daily minimum commitment of \$35 million. Under these two agreements we lend to the counterparties (for a fixed term) securities that collateralize users’ margin borrowing, and we obtain cash collateral from the counterparties that we use to provide liquidity support for our margin lending to users. We manage risks associated with our securities lending and borrowing activities by requiring credit approvals for counterparties, by monitoring the market value of securities loaned and collateral values for securities borrowed on a daily basis and requiring additional cash as collateral for securities loaned or return of collateral for securities borrowed when necessary, and by participating in a risk-sharing program offered through the Options Clearing Corporation.

Each of the MSLAs and Fixed-Term Securities Lending Agreements establishes a master netting arrangement between the lender and the borrower. A master netting arrangement is an agreement between two counterparties that creates a right of set-off for amounts due to and from that same counterparty that is enforceable in the event of a default or bankruptcy. In connection with our securities borrowing and lending activities, however, our policy is to recognize all amounts that are subject to master netting arrangements on a gross basis in our statement of financial condition even though some of those amounts may be eligible for offset (i.e., presented on a net basis) under GAAP. We apply the practical expedient based on collateral maintenance provisions in estimating an allowance for credit losses for securities borrowed receivables. Refer to Note 8 - Securities Borrowing and Lending, for more information and the gross presentation in tabular format.

***Loss Contingencies***

We are subject to claims and lawsuits in the ordinary course of business, including arbitration, class actions, and other litigation, some of which include claims for substantial or unspecified damages. We are also the subject of inquiries, investigations, and proceedings by regulatory and other governmental agencies. We review our lawsuits, regulatory inquiries and other legal proceedings on an ongoing basis and provide disclosures and record loss contingencies in accordance with the loss contingencies accounting guidance. We establish an accrual for losses at management’s best estimate when we assess that it is probable that a loss has been incurred and the amount of the loss can be reasonably estimated. If the reasonable estimate is a range and no amount within that range is considered a better estimate than any other amount, an accrual is recorded based on the bottom amount of the range. Accrual for loss contingencies are recorded in accrued expenses and other liabilities on the statement of financial condition and expensed in general and administrative expenses in our statement of operations. We monitor these matters for developments that would affect the likelihood of a loss and the accrued amount, if any, and adjust the amount as appropriate.

***Income Taxes***

We are a single member limited liability company, which is treated as a disregarded entity for income tax purposes. All tax effects of our income or loss are included in the tax returns of the Parent. Therefore, no provision or liability for income taxes is included in the financial statement. No formal tax-sharing arrangement exists between us and the Parent and we have no obligation to fund any tax liability of the Parent with our earnings.

**NOTE 3: RECENT ACCOUNTING PRONOUNCEMENTS**

***Recently Issued Accounting Pronouncements Not Yet Adopted***

In October 2023, the FASB issued Accounting Standards Update 2023-06, “Disclosure Improvements: Codification Amendments in Response to the SEC’s Disclosure Update and Simplification Initiative.” This amendment will impact various disclosure areas, including the statement of cash flows, accounting changes and error corrections, earnings per share, debt, equity, derivatives, and transfers of financial assets. The amendments in this guidance will be effective on the date the related disclosures are removed from Regulation S-X or Regulation S-K by the SEC, and will no longer be effective if the SEC has not removed the applicable disclosure requirement by June 30, 2027. Early adoption is prohibited. We are currently evaluating the impacts of the amendment on our financial statements.

There are no recently adopted accounting pronouncements that would be materially impact our financial statement and related disclosures for the year ended December 31, 2023.

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

**NOTE 4: CASH SEGREGATED UNDER FEDERAL AND OTHER REGULATIONS**

Cash segregated under federal and other regulations consisted of the following:

<i>(in millions)</i>	<b>December 31, 2023</b>
Customers	\$ 4,357
PAB	11
Total	<u>\$ 4,368</u>

**NOTE 5: RECEIVABLES FROM AND PAYABLES TO BROKERS, DEALERS, AND CLEARING ORGANIZATIONS**

The components of receivables from, and payables to, brokers, dealers, and clearing organizations are as follows:

<i>(in millions)</i>	<b>December 31, 2023</b>
Receivables from brokers, dealers, and clearing organizations:	
Executing broker receivables	\$ 53
Securities lending interest receivable	9
Securities failed to deliver	3
Other brokers, dealers, and clearing organizations receivables	1
Total receivables from brokers, dealers, and clearing organizations	<u>\$ 66</u>
Payables to brokers, dealers, and clearing organization:	
Security loan interests payable	\$ 12
Securities failed to receive	5
Other brokers, dealers, and clearing organizations payables	2
Total payables to brokers, dealers, and clearing organizations	<u>\$ 19</u>

**NOTE 6: ALLOWANCE FOR CREDIT LOSSES**

The following table summarizes the allowance for credit losses, which substantially all relate to unsecured balances of receivables from users due to “Fraudulent Deposit Transactions” and losses on margin lending. Fraudulent Deposit Transactions occur when users initiate deposits into their accounts, make trades on our platform using a short-term extension of credit from us, and then repatriate or reverse the deposits, resulting in a loss to us of the credited amount.

<i>(in millions)</i>	<b>Year Ended December 31, 2023</b>
Beginning balance	\$ 21
Provision for credit losses <sup>(1)</sup>	23
Write-offs	(22)
Recoveries	(1)
Ending balance	<u>\$ 21</u>

(1) We are indemnified by RHF for losses incurred in connection with unsecured users’ receivables. See Note 2 - Summary of Significant Accounting Policies, for more information. During the year ended December 31, 2023, RHF indemnified us \$23 million for unsecured losses.

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

**NOTE 7: FAIR VALUE MEASUREMENT**

Financial assets and liabilities measured at fair value on a recurring basis as of the date indicated below were presented in our statement of financial condition as follows:

<i>(in millions)</i>	<b>December 31, 2023</b>	
	<b>Level 1</b>	<b>Total</b>
<b>Assets</b>		
Deposits with clearing organizations:		
U.S. Treasury securities	50	50
User-held fractional shares	\$ 1,592	\$ 1,592
Other assets:		
Equity securities - securities owned	10	10
Money market funds - escrow account	2	\$ 2
Total financial assets	\$ 1,654	\$ 1,654
<b>Liabilities</b>		
Fractional share repurchase obligations	\$ 1,592	\$ 1,592
Total financial liabilities	\$ 1,592	\$ 1,592

During the year ended December 31, 2023, we did not have any transfers in or out of Level 3 assets.

**NOTE 8: SECURITIES BORROWING AND LENDING**

When we lend securities to third parties we receive cash as collateral for the securities loaned. In the table below, the cash collateral we hold related to loaned securities is presented in “securities loaned” and the fair value of securities lent is presented in “security collateral pledged.” Similarly, when we borrow securities from third parties or fully-paid securities from users, we provide cash collateral. In the table below, the amount of that cash collateral is presented in “securities borrowed” and the fair value of the securities received is presented in “security collateral received.”

Our securities lending transactions are subject to enforceable master netting arrangements with other broker-dealers; however, we do not net securities borrowing and lending transactions. Therefore, activity related to securities borrowing and lending activities are presented gross in our statement of financial condition (refer to Note 2 - Summary of Significant Accounting Policies, for more information).

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

The following tables set forth certain balances related to our securities borrowing and lending activities:

<i>(in millions)</i>	<b>December 31, 2023</b>
<b>Assets</b>	
Gross amount of securities borrowed	\$ 1,602
Gross amount offset on the statement of financial condition	—
Amounts of assets presented on the statement of financial condition	1,602
Gross amount of securities borrowed not offset on the statement of financial condition:	
Securities borrowed	1,602
Security collateral received	(1,536)
Net amount	<u>\$ 66</u>
<b>Liabilities</b>	
Gross amount of securities loaned	\$ 3,547
Gross amount of securities loaned offset on the statement of financial condition	—
Amounts of liabilities presented on the statement of financial condition	3,547
Gross amount of securities loaned not offset on the statement of financial condition:	
Securities loaned	3,547
Security collateral pledged	(3,188)
Net amount	<u>\$ 359</u>

We obtain securities on terms that permit us to pledge and/or transfer securities to others. As of December 31, 2023, we were permitted to re-pledge securities with a fair value of \$4.78 billion under margin account agreements with users, and securities with a fair value of an immaterial amount of securities that we had borrowed under MSLAs with third parties. Under the Fully-Paid Securities Lending program, as of December 31, 2023, we were permitted to re-pledge securities with a fair value of \$14.03 billion including securities with a fair value of \$1.54 billion that we had borrowed from users.

As of December 31, 2023, we had re-pledged securities with a fair value of \$3.19 billion, in each case under MSLAs and Fixed-Term Securities Lending Agreements with third parties. In addition, as of December 31, 2023, we had re-pledged \$676 million of the permitted amounts under the margin account agreements with clearing organizations to meet deposit requirements.

**NOTE 9: FINANCING ACTIVITIES AND OFF-BALANCE SHEET RISK**

***Revolving Credit Facilities***

As of December 31, 2023, we had seven revolving and unsecured lines of credit with the Parent for a total of \$1.05 billion of which \$300.0 million was committed and \$750.0 million was uncommitted. There were no outstanding borrowings against these lines of credit as of year end. Interest on these lines of credit is based on the effective federal rate as determined by Internal Revenue Service (“IRS”). These lines of credit have no maturity date and remain in effect until terminated by either party. There are no covenants to the lines of credit with the Parent.

On March 24, 2023, we entered into the Second Amended and Restated Credit Agreement (the “April 2023 Credit Agreement”) among us, as borrower, the lenders party thereto, and JPMorgan Chase Bank, N.A., as administrative agent, amending and restating the \$2.275 billion 364-day senior secured revolving credit facility entered into in April 2022.

The April 2023 Credit Agreement provides for a 364-day senior secured revolving credit facility with a total commitment of \$2.175 billion. Under circumstances described in the April 2023 Credit Agreement, the aggregate commitments may be increased by up to \$1.0875 billion, for a total commitment under the April 2023 Credit Agreement of \$3.2625 billion. Borrowings under the credit facility must be

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

specified to be Tranche A, Tranche B, Tranche C or a combination thereof. Tranche A loans are secured by users' securities purchased on margin and are used primarily to finance margin loans. Tranche B loans are secured by the right to the return from National Securities Clearing Corporation ("NSCC") of NSCC margin deposits and cash and property in a designated collateral account and used for the purpose of satisfying NSCC deposit requirements. Tranche C loans are secured by the right to the return of eligible funds from any reserve account of the borrower and cash and property in a designated collateral account and used for the purpose of satisfying reserve requirements under Rule 15c3-3 of the Exchange Act.

Borrowings under the April 2023 Credit Agreement will bear interest at a rate per annum equal to the greatest of (i) Daily Simple Secured Overnight Financing Rate ("SOFR") plus 0.10%, (ii) the Federal Funds Effective Rate (as defined in the April 2023 Credit Agreement) and (iii) the Overnight Bank Funding Rate (as defined in the April 2023 Credit Agreement), in each case, as of the day the loan is initiated, plus an applicable margin rate. The applicable margin rate is 1.25% for Tranche A loans and 2.50% for Tranche B and Tranche C loans. Undrawn commitments will accrue commitment fees at a rate per annum equal to 0.50%.

The April 2023 Credit Agreement requires us to maintain a minimum consolidated tangible net worth and a minimum excess net capital, and subjects us to a specified limit on minimum net capital to aggregate debit items. In addition, the April 2023 Credit Agreement contains certain customary affirmative and negative covenants, including limitations with respect to debt, liens, fundamental changes, asset sales, restricted payments, investments and transactions with affiliates, subject to certain exceptions. Amounts due under the April 2023 Credit Agreement may be accelerated upon an "event of default," as defined in the April 2023 Credit Agreement, such as failure to pay amounts owed thereunder when due, breach of a covenant, material inaccuracy of a representation, or occurrence of bankruptcy or insolvency, subject in some cases to cure periods.

As of December 31, 2023, there were no borrowings outstanding and we were in compliance with all covenants, as applicable, under our revolving credit facilities.

***Off-Balance Sheet Risk***

In the normal course of business, we engage in activities involving settlement and financing of securities transactions. User securities transactions are recorded on a settlement date basis, which is generally two business days after the trade date for equities and one business day after the trade date for options. These activities may expose us to off-balance sheet risk in the event that the other party to the transaction is unable to fulfill its contractual obligations. In such events, we may be required to purchase financial instruments at prevailing market prices in order to fulfill our obligations.

**NOTE 10: RELATED PARTY TRANSACTIONS**

The amount of revenue earned from affiliates may not be reflective of revenues that could have been earned on similar levels of activity with unaffiliated third parties. The amount of expenses allocated to us may not be reflective of expenses that would have been incurred by us if we used third party service providers.

For the year ended December 31, 2023, we had an affiliate user with a free credit balance of \$25 million and also a \$91 million due to affiliated introducing broker-dealer, included in due to affiliates on the statement of financial condition. Pursuant to the clearing agreement with RHF, we clear and facilitate transactions for users introduced by RHF on a fully disclosed basis.

As of December 31, 2023, due from an affiliate in our statement of financial condition included \$9 million due from an affiliate pursuant to a revenue sharing agreement for providing proxy and investor communications services to our customers.

We have an expense sharing agreement with the Parent and pursuant to the agreement, we reimburse the Parent for payroll, technology, information services, occupancy, share-based compensation, and other expenses. The Parent also pays certain direct expenses on our behalf and cash settles monthly with allocated expenses. As of December 31, 2023, the balance due to the Parent was \$13 million. During the year ended December 31, 2023, we distributed \$500 million back to the Parent.

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

**NOTE 11: COMMITMENTS & CONTINGENCIES**

We are subject to contingencies arising in the ordinary course of our business, including contingencies related to legal, regulatory, non-income tax and other matters. We record an accrual for loss contingencies at management's best estimate when we determine that it is probable that a loss has been incurred and the amount of the loss can be reasonably estimated. If the reasonable estimate is a range and no amount within that range is considered a better estimate than any other amount, an accrual is recorded based on the bottom amount of the range. If a loss is not probable, or a probable loss cannot be reasonably estimated, no accrual is recorded. Amounts accrued for contingencies in the aggregate were \$83 million as of December 31, 2023. In our opinion, an adequate accrual had been made as of December 31, 2023 to provide for the probable losses of which we are aware and for which we can reasonably estimate an amount.

***Legal and Regulatory Matters***

The securities industry is highly regulated and many aspects of our business involve substantial risk of liability. In past years, there has been an increase in litigation and regulatory investigations involving the brokerage and cryptocurrency industries. Litigation has included and may in the future include class action suits that generally seek substantial and, in some cases, punitive damages. Federal and state regulators, exchanges, or other state and self-regulatory organizations investigate issues related to regulatory compliance that may result in enforcement action. We are also subject to periodic regulatory audits and inspections that have in the past and could in the future lead to enforcement investigations or actions.

We have been named as a defendant in lawsuits and from time to time we have been threatened with, or named as a defendant in arbitrations and administrative proceedings. The outcomes of these matters are inherently uncertain and some may result in adverse judgments or awards, including penalties, injunctions, or other relief, and we may also determine to settle a matter because of the uncertainty and risks of litigation.

With respect to matters discussed below, we believe, based on current knowledge, that any losses (in excess of amounts accrued, if applicable) as of December 31, 2023 that are reasonably possible and can be reasonably estimated will not, in the aggregate, have a material adverse effect on our business, financial position, operating results, or cash flows. However, for many of the matters disclosed below, particularly those in early stages, we cannot reasonably estimate the reasonably possible loss (or range of loss), if any. In addition, the ultimate outcome of legal proceedings involves judgments and inherent uncertainties and cannot be predicted with certainty. Any judgment entered against us, or any adverse settlement, could materially and adversely impact our business, financial condition, operating results, and cash flows. We might also incur substantial legal fees, which are expensed as incurred, in defending against legal and regulatory claims.

Described below are certain pending matters in which there is at least a reasonable possibility that a material loss could be incurred. We intend to continue to defend these matters vigorously.

***Best Execution, Payment for Order Flow ("PFOF"), and Sources of Revenue Civil Litigation***

Beginning in December 2020, multiple putative securities fraud class action lawsuits were filed against RHM, RHF, and RHS. Five cases were consolidated in the United States District Court for the Northern District of California. An amended consolidated complaint was filed in May 2021, alleging violations of Section 10(b) of the Exchange Act and various state law causes of action based on claims that we violated the duty of best execution and misled putative class members by publishing misleading statements and omissions in customer communications relating to the execution of trades and revenue sources (including PFOF). Plaintiffs seek unspecified monetary damages, restitution, disgorgement, and other relief. In February 2022, the court granted Robinhood's motion to dismiss the amended consolidated complaint without prejudice. In March 2022, plaintiffs filed a second consolidated amended complaint, alleging only violations of Section 10(b) of the Exchange Act, which Robinhood moved to dismiss. In October 2022, the court granted Robinhood's motion in part and denied it in part. In November 2022, Robinhood filed a motion for judgment on the pleadings, which the court denied in January 2023.

***Brokerage Enforcement Matters***

FINRA Enforcement staff are conducting investigations related to, among other things, RHS's reporting of fractional share trades, as applicable, to a Trade Reporting Facility, the Over-the-Counter Reporting Facility, the Order Audit Trail System, and the Consolidated Audit Trail; RHS's reporting of accounts holding significant options positions to the Large Option Position Report system; processing of certain requests for transfers of assets from Robinhood through the Automated Customer Account Transfer System; responses to Electronic Blue Sheets requests from FINRA; the delays in notification from third parties and process failures within our brokerage systems and operations in connection with the handling of a 1-for-25 reverse stock split transaction of Cosmo Health, Inc, in December 2022 (the "Q4 2022 Processing Error"); RHS's compliance with FINRA registration requirements for member personnel; collaring the prices of certain trade orders; RHS's

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

compliance with best execution obligations and RHS's compliance with FINRA Rule 6190; RHS's compliance with regulations governing the delivery of required documents; and matters related to RHS's supervision of technology. We are cooperating with these investigations.

RHS has received requests from the SEC Division of Enforcement regarding its compliance with Regulation SHO's trade reporting and other requirements in connection with securities lending, fractional share trading, the Q4 2022 Processing Error, and responses to Electronic Blue Sheets requests, and previously received similar requests from FINRA examinations staff. RHS has also received requests from the SEC Division of Enforcement and FINRA Enforcement staff related to its compliance with recordkeeping requirements, including requests regarding off-channel communications. We are cooperating with these investigations.

The New York Attorney General is conducting an investigation into brokerage execution quality. We are cooperating with this investigation.

*Account Takeovers, Anti-Money Laundering, and Cybersecurity Matters*

FINRA Enforcement and the SEC Division of Enforcement are investigating account takeovers (i.e., circumstances under which an unauthorized actor successfully logs into a customer account), as well as anti-money laundering compliance and cybersecurity issues, including the data security incident we experienced in November 2021 when an unauthorized third-party socially engineered a customer support employee by phone and obtained access to certain customer support systems (the "November 2021 Data Security Incident"). The SEC's Division of Enforcement is also investigating issues related to compliance with the Electronic Funds Transfer Act. We are cooperating with these investigations.

*Early 2021 Trading Restrictions Matters*

Beginning on January 28, 2021, due to increased deposit requirements imposed on RHS by the NSCC in response to unprecedented market volatility, particularly in certain securities, RHS temporarily restricted or limited its customers' purchase of certain securities, including GameStop Corp. and AMC Entertainment Holdings, Inc., on our platform (the "Early 2021 Trading Restrictions").

A number of individual and putative class actions related to the Early 2021 Trading Restrictions were filed against RHM, RHF, and RHS, among others, in various federal and state courts. In April 2021, the Judicial Panel on Multidistrict Litigation entered an order centralizing the federal cases identified in a motion to transfer and coordinate or consolidate the actions filed in connection with the Early 2021 Trading Restrictions in the United States District Court for the Southern District of Florida (the "MDL"). The court subsequently divided plaintiffs' claims against Robinhood into three tranches: federal antitrust claims, federal securities law claims, and state law claims. In July 2021, plaintiffs filed consolidated complaints seeking unspecified monetary damages in connection with the federal antitrust and state law tranches. The federal antitrust complaint asserted one violation of Section 1 of the Sherman Act; the state law complaint asserted negligence and breach of fiduciary duty claims. In August 2021, we moved to dismiss both of these complaints.

In September 2021, plaintiffs filed an amended complaint asserting state law claims of negligence, breach of fiduciary duty, tortious interference with contract and business relationship, civil conspiracy, and breaches of the covenant of good faith and fair dealing and implied duty of care. In January 2022, the court dismissed the state law complaint with prejudice. In August 2023, the United States Court of Appeals for the Eleventh Circuit affirmed the district court's order.

In November 2021, the court dismissed the federal antitrust complaint without prejudice. In January 2022, plaintiffs filed an amended complaint in connection with the federal antitrust tranche and Robinhood moved to dismiss the amended complaint. In May 2022, the court dismissed the federal antitrust complaint with prejudice. Plaintiffs have appealed the court's order to the United States Court of Appeals for the Eleventh Circuit.

In November 2021, plaintiffs for the federal securities tranche filed a complaint alleging violations of Sections 9(a) and 10(b) of the Exchange Act. The complaint seeks unspecified monetary damages, costs and expenses, and other relief. In January 2022, we moved to dismiss the federal securities law complaint. In August 2022, the court granted in part and denied in part Robinhood's motion to dismiss. In November 2023, the court denied Plaintiffs' motion for class certification without prejudice.

RHM, RHF, RHS, and our Co-Founder and CEO, Vladimir Tenev, among others, have received requests for information, and in some cases, subpoenas and requests for testimony, related to investigations and examinations of the Early 2021 Trading Restrictions from the United States Attorney's Office for the Northern District of California ("USAO"), the U.S. Department of Justice ("DOJ"), Antitrust Division, the SEC's Division of Enforcement, FINRA, the New York Attorney General's Office, other state attorneys general offices, and a number of state securities regulators. Also, a related search warrant was executed by the USAO to obtain Mr. Tenev's cell phone. There have been several inquiries based on specific customer complaints. We have also received requests from the SEC Division of Enforcement and FINRA related to employee trading in certain securities that were subject to the Early 2021 Trading Restrictions, including GameStop Corp. and AMC

**ROBINHOOD SECURITIES, LLC**  
**NOTES TO THE STATEMENT OF FINANCIAL CONDITION**

Entertainment Holdings, Inc., during the week of January 25, 2021. These matters include requests related to whether any employee trading in these securities may have occurred after the decision to impose the Early 2021 Trading Restrictions and before the public announcement of the Early 2021 Trading Restrictions on January 28, 2021. We are cooperating with these investigations. FINRA Enforcement has also requested information about policies, procedures, and supervision related to employee trading generally.

In January 2023, approximately 4,700 jointly represented customers filed a statement of claim with FINRA to initiate arbitration of individual claims against RHF and us arising out of the Early 2021 Trading Restrictions. A motion to sever the arbitration was granted in July 2023 and any customer seeking to proceed with a claim is required to file a separate individual arbitration.

**NOTE 12: NET CAPITAL**

As a registered broker-dealer, we are subject to the SEC's uniform net capital rule (Exchange Act Rule 15c3-1). Advances to affiliates, dividend payments and other equity withdrawals are subject to certain notification and other provisions of the net capital rule of the SEC and other regulatory bodies. We have elected to use the alternative method permitted by the rule, which requires us to maintain net capital equal to the greater of 2% of aggregate customer-related debit items in the customer reserve computation under Exchange Act Rule 15c3-3 or \$0.25 million, whichever is greater. Our net capital balance changes day to day, but on December 31, 2023, our net capital was \$2.28 billion which was \$2.20 billion in excess of the minimum required net capital of \$75 million.

**NOTE 13: SUBSEQUENT EVENTS**

We have evaluated events subsequent to the date of the statement of financial condition for items requiring recording or disclosure in the financial statement. The evaluation was performed through February 28, 2024, the date the financial statement were available to be issued. No event took place that requires recording or disclosure in our financial statements.
