Welcome to the world's most unconventional approach to fundraising.

Around the globe, men are dying too young. It doesn't have to be like this.

We're thrilled that you – a champion of the mighty Mo, an inspiring innovator, a fired-up change agent – are supporting Movember.

Movember started in 2003 as a bit of fun between friends in Melbourne, Australia. Today, we're the leading charity changing the face of men's health around the globe.

Mental health and suicide prevention, prostate cancer, and testicular cancer – we're taking them all on.

Over the years, with the help of our global community – seasoned Mo veterans, first-time Mo growers, passionate Mo Sisters, school kids, university students, corporate executives – we've built a treasure trove of inspiring, fun and creative event and fundraising ideas.

The Movember Fundraising Guide is years of community ingenuity distilled into one easy to read guide. Figure out what works best for you, then run with it.

Always remember, the funds you raise support groundbreaking men's health projects all over the world, changing and saving lives – and that's something to be proud of.

You can read more about the work you're helping to fund [here](#).

FOUR WAYS TO MO

Growing a Mo is the most well known way of supporting Movember.

But you don't need to grow to save a bro. Move, Host and Mo Your Own Way are options which may better suit your calling. You can even chop, change and combine as you please.

GROW

Grow a moustache to raise funds for men's health. It's the classic and simple approach. Can't grow one? Even better. The worse the Mo, the more conversations it'll inspire. It's how you can literally get in the movement.

MOVE

Move this Movember by walking or running 60km over the month. That's 60km for the 60 men we lose to suicide each hour globally. Solo and team efforts accepted.

HOST

Rally a crew and host a trivia night or a ping-pong tournament. Anything close to you or your community's heart can inspire an event.

MO YOUR OWN WAY

A choose-your-own-adventure challenge epic in scope and scale. Set your sights on breaking an obscure record. Do dares for donations. Kick a bad habit. Take on a physical challenge. Mo Your Own Way means you make the rules.

HOW TO GROW

The place where it all started – growing a moustache on our top lip to raise funds for men’s health.

That means growing a Mo for the month formerly known as November. And it starts by making sure you’re clean shaven on the first day of Movember.

HERE ARE 5 WAYS TO GET MORE DONATIONS WHEN YOU GROW FOR MOVEMBER:

01. SHAVE-DOWN

There’s no better way to kick start your fundraising than to share the evidence of you shaving down on the 1st Movember. Not only will you be ready to start Movember fresh faced and itching to get going, you can also use this as a chance to get the donations rolling in. Live stream, video or get your mates together and shave down in person.

02. SHOW YOUR MO-GRESS

Use the Movember app to take a daily photo and share your Mo-gress using our built in GIF creator. Create and share videos and use our filters to splash your ‘tache all over your social media.

03. DYE IT

Nothing gets more attention than a pink or purple Mo. Want to raise more? Offer to dye it in colours you hate for extra dough.

04. MO SWEEPSTAKE

Auction off the style of your Mo for donations – either to the highest bidder or in a raffle.

05. THE KEEPER

Not everyone’s a Mo fan. So, what happens if you announce that you plan to keep yours? Maybe it’s an opportunity to get donations to shave it off. Just sayin’.

HOW TO MOVE

Movember isn't just about growing a furry top lip – it's also about changing men's health by getting a sweat on for the month of Movember.

Run or walk 60km over the month. That's 60km for the 60 men we lose to suicide each hour, every hour across the world.

HERE ARE FIVE WAYS TO STAY MOTIVATED AND HIT YOUR TARGET:

01. MOVE FOR THE MASSES

Gather your friends or colleagues for a group run. Recruit someone to be the leader of the pack, then ready, set, sweat!

02. FRIENDLY COMPETITION

Throw down a challenge to your friends: who will be first to complete their 60km? The winner receives a donation to their Mo Space.

03. MOVE IN TWOS

Get a friend on board and walk your 60km together. If for whatever reason you can't do it in person, plug in your earphones and give each other a call. It's also a great opportunity to check in with each other.

04. MOVE MULTIPLIER

Ask your network to pledge a donation amount for every km that you move. If you can get five people to pledge \$1 per km, that's \$300 raised.

05. TRACK YOUR MOVE

Attach your fitness tracker. Track your Move progress by attaching your fitness tracker to your MoSpace. For all relevant details head to page 15.

HOW TO HOST

Rally your crew and Host a Mo-moment to raise awareness and funds for men's health.

You can Host in person or online – think big and go wild. It's all about having a good time and raising funds for a good cause.

OUR TOP 5 TRIED AND TESTED MO-MENTS YOU COULD HOST:

01. SHAVE DOWN

Get the gang together on November 1st for a Shave Down. Have a barber on hand to bring out those baby faces.

02. MO TRIVIA

We made a [quiz](#) for you to use. Adapt it for your team if you like, offer prizes, and ask for donations to enter.

03. THROW A STACHE BASH

Invite your friends, family and supporters to an end-of-November party. Ask for donations as an entry fee, set up some fun activities and thank everyone for helping you change the face of men's health.

04. SPORTS TOURNAMENT

Decide on your sport, time and date and find a suitable venue. Promote it far and wide to get teams signed up – it's a good idea to ask for them to pay to secure their space so they are committed to attending. As well as raising funds through the entry fees you can also have extra fundraising activities on the day, like a silent auction or sweepstake.

05. BING-MO

Host a bingo night and ask players to donate for their bingo cards. There's a number of websites out there that generate cards for free, and even randomly select the numbers for you to call.

HOW TO MO YOUR OWN WAY

Mo Your Own Way means you make the rules – choose your own activity that’s epic in scope and grand in scale.

Set your sights on breaking a world record. Do dares for donations. Kick a bad habit. Take on a physical challenge. Think big and go bigger.

RAISE SOME BROWS

The best challenges tend to prompt the response “you’re doing what?!” Get that right and donations will follow.

WHENEVER, WHEREVER

Indoors, outdoors, in a single day, over several weeks or across the year. This is your challenge. You make the rules.

HAVE FUN, DOIN’ GOOD

Whatever you do, however much you raise, if you’re having a good time, you’re nailing it.

5 WAYS TO MO YOUR OWN WAY:

01. TAKE A HIKE

From a one-day trek to a multi-day challenge, scale mountains and watch your donations soar.

02. MILES FOR MEN’S HEALTH

Rally a group and set your sights on the horizon – each person runs a leg to hit a combined target, like the distance from one capital city to the next. Pull together to inspire donations.

03. DARES FOR DONATIONS

They set the dare and name their donation amount. You go all out for men’s health (as long as it’s safe and legal of course). Check out some [awesome ideas](#) to get you going.

04. MO WITHOUT

Get sponsored to give up caffeine, sugar or alcohol for the month. Fine yourself when you fumble. You’ll raise funds and improve your health. Win, win.

05. USE YOUR TALENTS

Are you a marvellous musician, a fantastic photographer or a star baker? Harness your skills for donations from friends, family and colleagues.

For a step by step guide on how to link your fitness tracker to your Mo Space, head to page 15.

HOW TO MO SPACE

Whether you're using the app (which we would highly recommend, it's great!) or movember.com, your Mo Space will be a hive of activity throughout the month.

It's the place where you get donations, tell your story, share your fundraising and much more.

HERE'S A FEW USEFUL TIPS ON HOW TO MO SPACE:

- **Get that face out there** – Let everyone see that beautiful face. Click on the camera icon in the top right corner of the profile picture space to upload a new image.
- **Set a fundraising target** – Mo's who set a target raise more than those that don't!
- **Share why you're doing it** – if you have a personal story or reason that you're able to share, tell it. We're all here to inspire conversations and change the face of men's health.
- **Facebook Fundraiser** – Mo's who set this up raise almost twice as much on average as those who didn't. Create your Mo Space one first, then your Facebook Fundraiser. This way the donations can sync across both. Check out page 16 for more info.
- **Join a Team** – Create your own team. If you already know a team you would like to join, or if you know the team captain, search their name and join.
- **Join a challenge** – Who doesn't love a little friendly competition? Join one of our Movember Challenges to compete with other fundraising teams across your sector to be crowned the Ultimate Fundraising Champions. There are rewards and limitless bragging rights up for grabs. Plus, with live leaderboards, community pages, and content posted regularly...it's classic Movember, with a fun twist. Anyone can join. But the question is, are you up for the challenge?
- **How to join a Movember Challenge: Sign Up for Movember** and create a Movember Team. Rally your friends/co-workers/family to sign up, too.
- **Lost a donation?** - It's technology, sometimes it lets us down. If you think you should have an extra donation on your Mo Space, [email us](#) the details and we'll hunt it down.

FUNDRAISING IN TEAMS

Did you know that you can fundraise as a team?

You'll have fun, build connections and strengthen camaraderie with friends, peers and colleagues.

Your teammates keep you fired up. You dial the competitive up to 11. A team makes a bigger impact. And that means more much-needed funds and awareness for men's health.

To join a team, head to the team section of your Mo Space. Here you can choose to join an existing team or rustle up some Mo's to start your own team.

Every team has a page that shows the Team Captain, fundraising target, and donation tally. You can also check out the feed to see donations, messages and photos from the team.

STARTING A TEAM

To start a team, head to the team section of your Mo Space. Starting a team makes you the default Team Captain, every team needs one. A legendary Movember supporter. Chief motivator. Champion recruiter. One who leads by example.

- 01** Your first responsibility is a team name. Beardless Dragons? The Hairy Marys? Choose wisely. A good name makes recruiting team members easier. The bigger your crew, the bigger your impact.
- 02** Set a fundraising target with your team and make a plan to blow past expectations.
- 03** Set the team's motivation. Like a personal Mo Space, make it meaningful.
- 04** Give your Mo Space a personal touch with pictures, videos, plenty of updates and team members' personal stories.
- 05** Activate the team feed with some accolades. Shout out to the person with the best 5 o'clock shadow or who's moved the most on day one.
- 06** Build your team, the mo the merrier. Share your team's Mospace QR code and encourage your friends, colleagues and community to join in the fun.

TEAM CAPTAINS

The best way to raise funds is to build a strong team, inspire them to get involved, and have fun while you're at it. Get creative – the sky's the limit.

-
- 01** Host a Movember kick-off party on November 1st with an office Shave Down, morning coffee, themed lunch or go for a team run to kick off your Move.

 - 02** Set a fundraising and/or Move target with your team, and make a plan to crush it.

 - 03** Ask for donations through email and social media, with a link to your team's Mo Space.

 - 04** Personalise your Mo Space with pictures, videos, updates and team members' personal stories

 - 05** Add the team's Mo Space URL to your email signature.

 - 06** Use your Mo Space leaderboards to compete with and motivate each other.

 - 07** Get your biz to back the Mo by sharing Movember's health messages and stories through internal communication channels. And don't forget to ask your employer if they'll match your team's fundraising efforts.

 - 08** Sacrifice your existing facial hair (beards, goatees etc.) for donations.

 - 09** Leave a donation box in your break room, locker room or wherever you gather regularly.

 - 10** Give weekly prizes for the best Mo, Mover and fundraiser.

 - 11** Auction off the Mo you'll Grow (meaning others get to make the call on the style of Mo you Grow).

 - 12** Get senior members of your organisation on board (we can help with this).

 - 13** Throw an end-of-month awards ceremony to toast the top fundraiser, Mover and, of course, the best and worst Mo's. Make sure the donation box moves around the room.

 - 14** Encourage your team mates to download the app to enhance their Movember experience. Start some banter in the group chat, share your Mogress and get wild with our range of Mo-filters

SOCIAL TIPS & APP SHARING

As a part of the Mo Community, your job is to shout about it, tell your story, share your page, tell everyone what you're doing.

Your friends, your parents, people down the shops, at the barbers, at work, in the gym, at footy, ANYWHERE you can tell people about Movember. It's what we Mo's do. And if you're not doing it in person, there are lots of other ways to share...

Social media: Facebook/Instagram/Twitter/TikTok/BeReal/whatever the new thing is.

- Tell people what you're doing and why. You could livestream your shave down, if you're running every day, upload a photo each time with an update on how your legs are feeling.
- If you have a personal reason for supporting Movember, and feel comfortable sharing, tell people. You could help someone going through something similar, inspire another Mo to join the community, or get a few more donations.
- Repetition is key – not everyone is on social media every day, and sometimes people mean to donate but forget. Don't let them miss what you're doing or forget. You've got 30 wonderful days to share that Mo joy.
- Photos/videos - let everyone see that beautiful face - Mo or not. Or where you're running today. Or the behind the scenes of you setting up your big Mo bash.

You can share your Mo Space directly from [movember.com](https://www.movember.com) or from [the app](#).

Here are three fancy features that'll make you an irresistible donation magnet:

- **Mo Selfie:** the camera is loaded with custom stickers and filters to spice up your Mo
- **Mo Space:** speedy access to your Mo Space means easier everything. Asking for and receiving donations, thanking donors, and sharing your page.
- **Mo Tracker:** the Mo Tracker measures daily Mo growth and then pulls it all together in an end-of-month timelapse.

Local press – if you're doing something really out there to Mo Your Own Way, or taking on a huge physical challenge, or sporting a rainbow moustache for the whole month, we're pretty sure your local media outlet would love to hear about it. Think about how many people you could reach with your Mo message! Check out your local paper or radio website for details on sharing your story.

Email – We've got some excellent [pre-written messages](#) you can use to hit up your address book for donations. Get in touch with your network the not-quite-old-fashioned way.

WhatsApp/Text - Use our templates to get the word out on the whatsapp groups, whether it's your mates, your neighbours or a work group – all good groups of people who'll be interested to hear why you're fundraising for Movember this year.

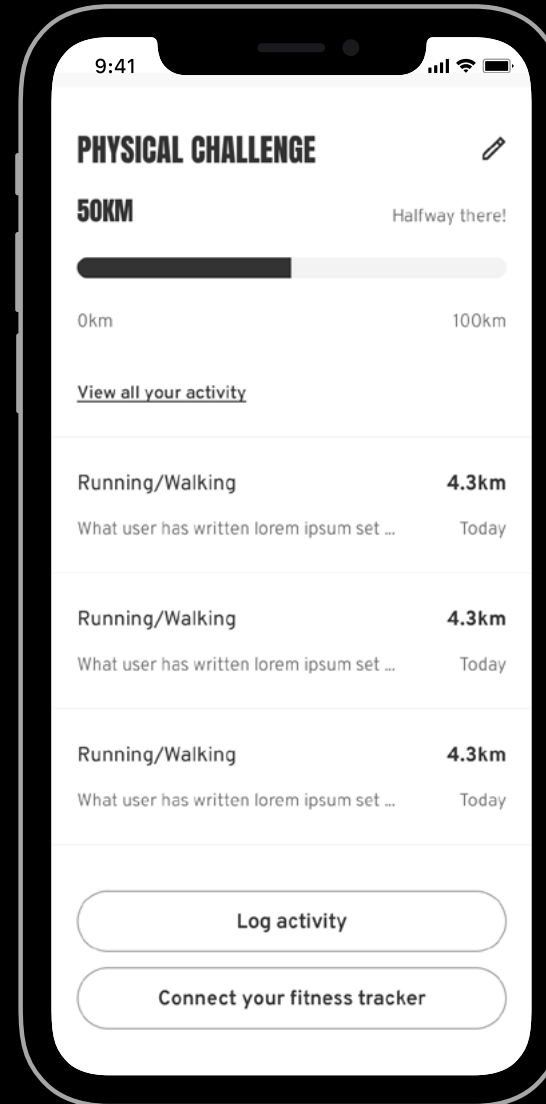

CONNECTING YOUR FITNESS APP TO MO SPACE

Whether you're taking on Movember's Move challenge or Mo Your Own Way, linking your fitness app lets you track your progress and share updates that inspire donations. All while motivating you to smash your target.

THREE SIMPLE STEPS

- 01** Fire up the Movember app or log into your Mo Space on movember.com.
- 02** Set your Move challenge by selecting 'Run', 'Walk', 'Cycling', 'Swimming', or 'Rowing'.
- 03** Follow the prompts to connect your **fitness app**.
The Movember app supports Garmin Connect, Fitbit, and Strava.

movember.com supports Garmin Connect, Fitbit and Strava.

KEEP IN MIND

Movember only records sessions you start and stop tracking using the activities you've selected. We won't track any additional distance covered outside of these prompts.

It can take a while for your tracked activity to appear on your Mo Space. Don't worry if you can't see it immediately – it's coming.

Your Mo Space will only display your completed sessions after you've connected your fitness app.

Your activity will only sync if the activity type used on your device/app matches one of those you picked as your Move/MYOW challenge. For example; if you select run on mo.com, but log a cycle that won't push over.

PRIVACY AND TROUBLESHOOTING

Your privacy matters

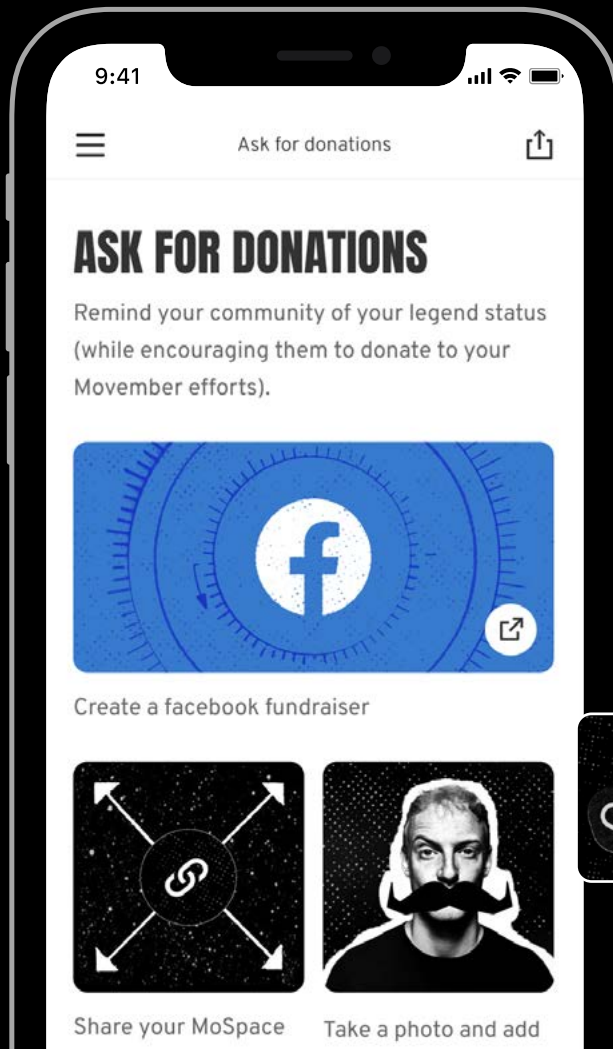

To read about the information that your fitness app shares with Movember, visit movember.com/privacy.

Having trouble?

If you can't sync your fitness app to your Mo Space, [get in touch](#) with your local Mo Team.

FACEBOOK FUNDRAISERS

CONNECT YOUR MO SPACE TO FACEBOOK

What if we told you that you're likely to raise 180% more funds than your average Mo by using one simple trick?

With Facebook Fundraisers, you can easily link your Mo Space fundraiser profile and Facebook account. That way, friends and family can donate to your Movember fundraiser directly through Facebook – they don't even need to leave the app.

And that statistic is true:

PEOPLE WHO
DO THIS RAISE

180%

ABOVE AVERAGE

Donations sync both ways. That means all donations received through Facebook appear on your Mo Space; and all direct donations to your Mo Space contribute to your Facebook fundraising goal. Pretty neat, right? And it's all done with a few simple steps.

- Create a Mo Space page **FIRST** – it has to be created before you do anything else!
- Head to your Mo Space and look for the Facebook icon (don't go to Facebook, if you create it from Facebook we can't link it)
- Click to create your Facebook Fundraiser
- You'll need to sign into your Facebook account and follow the prompts
- Once finished, you'll be dropped back on your Mo Space where you can click 'View your Facebook Fundraiser'
- Post a pic to your Facebook Fundraiser or kick off by donating to yourself, then sit back and watch the donations roll in

Visit your Mo Space to set up your Facebook Fundraiser now. (You can also do a fundraiser for Movember on Instagram but sadly we don't have the power (yet) to connect that to your Mo Space – so it won't contribute to your total).

Having trouble?

Get in touch with your local Mo Team.

ASKING FOR DONATIONS

To help you live your best Mo, here are some donation ideas from our fundraising experts in the Mo community.

- **Family and friends first** - They'll be the most supportive. Especially if you have embarrassing photos of them.
- **Back yourself** - Make the first donation and challenge others to match it.
- **Tried and true** - Ask those who've supported you in the past. You'll find their email details in your Mo Space. Go to your 'My account' section, then click on 'Fundraising history'. Share why you're doing it. If you have a reason or personal story you want to share, tell it. We're all here to inspire conversations and change the face of men's health.

TIPS ON ASKING FOR DONATIONS

Since we're veterans at asking for donations, we've added a slew of template messages to your Mo Space that you can use. Don't just take our words, though; add a personal touch as you send messages via email, social media, or even offline with individual thank you cards – something they'll really remember.

HERE ARE SOME OTHER THINGS YOU CAN SAY TO HELP ASK FOR DONATIONS:

- **For men's health** - Let them know why men's health needs them.
 - "Globally, we lose a man to suicide every minute."
 - "Prostate cancer is the most common cancer in men."
 - "Testicular cancer is the #1 cancer in young men."
 - "Our fathers, partners, brothers and friends are dying before their time."
- **Progress updates** - Photos, updates and Mo musings – keep your donors (and potential donors) in the loop.
- **Update your target** - If you smash your target with time to spare, why not up the ante? Inspire more donations by increasing your target.
- **Offline donations** - Loads of donors will send money straight to your Mo Space; but for those who give you cash, cheques or bank transfers, use the 'Submit cash donations' section on your Mo Space to send the donations directly to Movember.
- **Ask again** - Once more for the people in the back! Remind everyone that you're doing Movember and why it's important to you. Include your Mo Space web link (the URL) and/or QR code to make donating as easy as possible. Sometimes people just need a reminder, so don't be afraid to repeat yourself.

- **Pre-written emails and social posts** - We know – not everyone's a wordsmith. Most of us would rather be out and about sweating for Movember instead of sweating in front of a blank Word doc. Our scribes have written some email templates for you to send out and really get donations flowing. [Download the templates](#) from our [fundraising resources](#) page.

And rest safe in the knowledge, every single donation you get, whether it's 1 or 1000, will help to change the face of men's health. And that my friend, is something very special.

CHANGING THE FACE OF MEN'S HEALTH

CASE STUDY: OMAIR ALI

“There are many reasons why I choose to do. But first and foremost, it’s because of the work Movember has done in the mental health space.

Males continue to suffer from mental health issues that still stem from issues such as the existence of a stigma around vulnerability and seeking help, and a lack of resources and the accessibility to those resources that can help. I battled with my own mental health for a number of years due to the stigma, and I know so many other men who have battled with and continue to battle with mental health of their own or loved ones. In so many instances, this is still unfortunately a result of an outdated perception of what masculine strength is.

The work that Movember does is not only breaking down the stigma, but also actively reaching out and providing support to the communities of males who need it is incredible. Movember has funded and developed numerous research backed resources and programs in the mental health space that are accessible for everyone to not only help themselves but their loved ones also. I am so incredibly proud to back such a phenomenal organisation that works so tirelessly to do this.

I have been a proud participant in Movember for the last 9 years. Over those nine years, I’m stoked to say that the awareness of this fantastic organisation amongst my network of family, friends and colleagues has massively increased year on year, as has the money raised for the incredible work they do. I’ve personally found a direct correlation between the level of outrageousness of my ‘stache and the funds raised. More colours, more dollars! However, I’ve also found the more you engage your social network through social media posts about Movember and its impact on Mens health, the more awareness is out there and more donations you receive. So spread the word far and wide, and start conversations!”

— Omair Ali

KEEPING IT LEGAL

STACKED LOGO

ICONIC MO

WORDMARK

HORIZONTAL LOGO

Here you'll find some helpful tips and legal guidance on how to use our branding to best support us.

Movember's branding consists of several globally registered trademarks including the word Movember and our brand expression 'changing the face of men's health'.

Our iconic mo and Movember logos are protected, as is the imagery and artwork used on the Movember website.

DO'S

Do use the downloadable artwork on our website to promote your participation in Movember (see movember.com/support-us/fundraising-resources).

E.g. Use the campaign logos in a Facebook post or tweet about growing your Mo (but don't alter or manipulate the downloaded images).

Do give your event a distinctive name and state that it is in support of Movember.

E.g. 'Community Ball supporting Movember'.

Do give your website, app or product a unique name.

Do mention and link to Movember and promote your involvement with our cause.

Do sign up at movember.com or via the Movember app and start a team for your company and your staff.

Do consider asking your company to match the donations raised by your staff (see [the website](https://movember.com) for more information).

DON'TS

Don't sell items that display our branding (including the word MOVEMBER or our iconic mo). This includes clothing, accessories, products or any merchandise created for sale, unless you have a written agreement with Movember (see Cause-related marketing section).

Don't call your event an "Official" Movember event. This can confuse the community about who is organising and responsible for the event.

E.g. Don't call your event the "Official Movember Gala".

Don't use the word MOVEMBER, or anything confusingly similar in the name of your website or a social media account, business name, app or product.

E.g. Don't call your app "Movember Moustache" or name your business "Movember Org."

Don't offer goods or services for sale on the basis that a % or number of dollars per sale will be donated to Movember, unless you have a written agreement with Movember (see Cause-related marketing section).

CAUSE-RELATED MARKETING

Cause-related marketing is offering products for sale on the basis that a % or amount per sale will be donated to Movember.

As a registered charity, Movember has a range of regulatory obligations for these sorts of arrangements (e.g. we need to have a written agreement with the seller of the product and complete certain regulatory filings) so we only do a small number each year.

If you would like to explore this further with us then please get in touch by email at info@movember.com and we can send you more information.

OTHER FUNDRAISING ACTIVITIES

If you want to hold a specific fundraising event or activity then we can support you by:

- Providing downloadable assets. Check out the available gear on our website.
- Listing the details of the event on the Movember website. Check out the local Movember events in your community.
- Connecting you with a Movember community engagement leader to help you get your event off the ground – contact info@movember.com.

You are responsible for organising your event. Some of the things you might need to take care of are:

- All financial aspects of your fundraising event, including ensuring that funds donated to Movember at the event are remitted to Movember following the event (for information about issuing receipts, see movember.com/faq).
- Local government permits
- Any required activity permits for competitions
- Food handling permits
- Security services
- Health and safety/fire plans

In addition, you will be responsible for the insurance and liquor licensing requirements for your event.

INSURANCE

Sometimes if you are organising an event at a venue or public space (e.g. for a Move event), the venue owner or local government will ask you to provide proof of insurance.

Members of the Movember community sometimes ask us if they can use our public liability insurance for these purposes. Unfortunately, Movember's insurance policies only cover events organised by Movember and we cannot extend our coverage for third party events.

LIQUOR LICENSING

Sometimes if you are organising an event, the venue owner or event supplier will ask to use Movember's charitable registration number to receive a liquor permit or licence.

Unfortunately, for liability and tax reasons, Movember cannot allow the use of its charitable registration number for non-official Movember events.

For more information on the rules surrounding third party events organised to support Movember, please contact info@movember.com.

OTHER

Please don't engage in the following types of fundraising on behalf of Movember:

- Telemarketing
- Door to door fundraising
- Collecting money in public places, such as at intersections
