

Mastercard requires that all financial institutions issuing credit and debit cards participate in a service called Mastercard® Automatic Billing Updater (“ABU”). This service is used by participating merchants to ensure they have the latest card information (such as the card number or card expiration date) on file to process recurring payments and card-on-file transactions. By automatically maintaining the accuracy of cardholder data, ABU helps prevent disruptions in merchant services due to debit card and/or credit card changes that occur when your card is replaced for any reason—for example expired, lost or stolen cards. This service applies to recurring payment merchants and those that have your card number stored for easy payment processing only (such as fitness clubs, online stores and online payment services).

To participate in this service, no action is necessary as all T-Mobile MONEY debit cards will be enrolled in ABU automatically, unless you request to opt-out your debit card from this service. **To opt-out of ABU, please complete this form in its entirety for each applicable card. Retain a copy for your records and send the completed form either by logging into your account and sending it via secure message as an attachment, or by mail to the address below:**

**T-Mobile MONEY
P.O. Box 278
Maple Shade, NJ 08052
Attn: Banking Operations / ABU Opt-Out**

Upon receipt of the form, please allow 1 business day for the processing of your opt-out request. You should receive a confirmation via secure message once the opt-out has been successfully completed. If you have any questions regarding this service, T-Mobile MONEY Specialists are standing by 8AM-12AM ET daily. Please dial **MONEY from your T-Mobile phone or call 866-686-9358. If you’re calling from outside of the United States, dial 414-751-6700.

I do not want to participate in the Mastercard ABU service for my T-Mobile MONEY debit card on file.

Account Holder’s Full Name

Last 4 digits of debit card

Signature

Date

Primary Email Address on file

Mailing address on file

Important things to know regarding this service:

- Participation in ABU does not relieve you of the obligation to ensure that merchants have the correct account information as merchant participation in the program is strongly recommended by Mastercard but not mandatory.
- Neither Mastercard ABU nor T-Mobile MONEY can guarantee the account updates will occur prior to the merchant’s next billing date.
- This service applies only to participating merchants and those who have not opted out. T-Mobile MONEY does not have an ABU participating merchant list.
