

SELLING BONUS PROGRAM

Any time your store sells a winning ticket with a prize of \$20,000 or more, you'll earn an additional selling bonus, according to the chart here. These bonuses are for selling draw AND scratcher winning tickets.

- A Scratcher ticket is claimed by a player and validated by Virginia Lottery officials, according to rules and regulations of the Virginia Lottery.

Payments for these selling bonuses will be credited to a retailer's Virginia Lottery account and will appear on the retailer's Virginia Lottery statement.
