The record you may receive is for lawful use only and summarizes information sent to the Colorado Bureau of Investigation from fingerprint contributors in the state of Colorado. Unless fingerprints accompanied your inquiry, the Colorado Bureau of Investigation cannot guarantee this record relates to the person in whom you have an interest. If the disposition is not shown, or further explanation of an arrest charge or disposition is desired, that information may be obtained from the agency who furnished the arrest information. Only the court of jurisdiction or the respective District Attorney's office wherein the final disposition occurred can provide an official copy to any specific disposition. State law governs access to sealed records. Because additions and deletions to a criminal history record may be made at any given time, a new inquiry should be requested when needed for subsequent use. Any report received from the Colorado Bureau of Investigation as the result of this inquiry shall not be used for the direct solicitation of business for pecuniary (monetary) gain.
