

My Halloween Prediction

Halloween is almost here and I'm getting so _____
(adjective)!

I can't wait to go trick or treating in my _____ (color)
costume.

I hope I get a lot of _____ (favorite candy).

One year I dressed up as a _____ (halloween
costume you've worn before), but it would be so cool to be a
_____ (halloween costume) this year.

If I get any _____ (halloween candy you don't like)
this year, I'm going to trade it for _____ (candy
you do like). No matter what candy I get, I think trick or treating
will be _____ (adjective)!
