

What to Wear, or What Not to Wear

There wasn't much time left. The _____(adjective) Halloween party started in just _____(number) minutes and I had no idea what to wear. My original costume was a _____(adjective) disaster, since I tried to make it myself. Turns out I'm not great at DIY.

So, I had to come up with something _____(adjective), _____(adjective), and _____(adjective) and I had to do it _____(adverb). I was growing more _____(adjective) by the minute. That's when I spotted the shiny _____(noun) draped over my bedroom _____(noun). It was a little _____(adjective), but I thought if I wore it as a _____(noun), it would make a _____(adjective) top for the costume I'd just conceptualized.

I pulled the _____(noun) over my head, only to realize it was never going to work. Unless, of course, I wanted to go to the party looking like a _____(noun) who was still learning how to _____(verb). No, I had to think of something else.

I _____(adverb) peered into my closet, hoping it would give me a spark of inspiration. The only thing it gave me was a reminder that most of my clothing was in the _____(noun).

What was I going to do? I couldn't go to the most _____(adjective) party of the year naked!

That's it! I suddenly had the most _____(adjective) idea for a halloween costume that wouldn't cost a thing or require a _____(adverb) _____(verb).

What to Wear, or What Not to Wear

I ran to the _____(noun) to grab one of those yard sale signs we used in the spring and some of Dad's fishing line. I used a _____(noun) to punch holes into the sign and _____(past tense verb) the line through, making myself a _____(adjective) oversized necklace.

For the final part of the costume, I needed the _____(superlative) black marker I could find. I _____(past tense verb) through the junk drawer, tossing out _____(noun), old gum, and _____(plural noun) as I went. I finally found a _____(color) highlighter. It would do.

Later that night I won the prize for the most _____(adjective) halloween costume. Beaming with _____(noun), I accepted my prize with a _____(adjective) sign hung around my neck which said "nudist on strike."
