

CHANCELLOR'S COMMUNITY PARTNERSHIP FUND

2006-2014

GOVERNMENT & COMMUNITY RELATIONS

Berkeley
UNIVERSITY OF CALIFORNIA

A MESSAGE FROM CHANCELLOR NICHOLAS B. DIRKS

“I believe it is in the interest of both the campus and the community that we build bridges with our research, public service and engaged scholarship. With great pride, I support all of the work we do to strengthen relationships and partnerships with our local Berkeley community.”

– **Chancellor Nicholas B. Dirks**

ABOUT THE FUND

Since awarding its initial grants in 2006, the UC Berkeley Chancellor’s Community Partnership Fund (the Fund) has engaged hundreds of campus and community partners—including students, faculty, staff, community organizations, City officials and Berkeley residents—in a wide variety of projects that have significantly enhanced the quality of life within the city.

The UC Berkeley Chancellor’s Community Partnership Fund supports projects and programs that establish, extend and/or strengthen collaborative partnerships between UC Berkeley and the wider Berkeley community. The Fund seeks to enhance the quality of life for people who live and work in Berkeley by connecting the university’s energy and resources with those of the community.

**CCPF Grants by Project Type
(2006-2013)**

\$1.86 MIL

chancellor.berkeley.edu/gcr/local-community.

PROJECT TYPES AND THEMES

The Fund awards grants for projects in two categories: *Neighborhood Improvement Projects* that enhance the physical environment of Berkeley neighborhoods or facilities that serve the community; and *Community Service Projects* that enhance the economic, social, and cultural wellbeing of Berkeley residents.

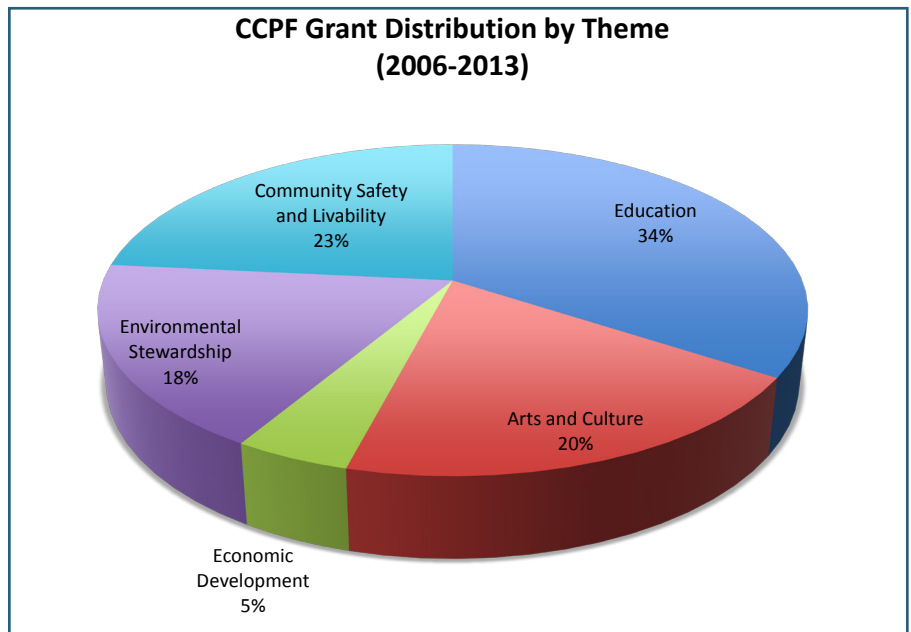

Grant funding supports neighborhood improvement projects and community service programs that utilize collaborative relationships between UC Berkeley and the community to address critical needs. Projects and programs fall into the following five thematic areas:

Arts and Culture, Community Safety and Livability, Economic Development, Education, and Environmental Stewardship.

An advisory board of community leaders and representatives of the campus and the City of Berkeley establish grant criteria and priorities for the Fund, review proposals, and recommend grant awards to the UC Berkeley Chancellor.

Projected contributions by 2020 **\$3.7 MIL**

\$253,000
for the 2014-15 cycle

“The program has been a rich and fruitful experience of community-building, artistic understanding, and partnership for all involved.”

– Pasangan, 2012-14

“We are sincerely appreciative of the support of the Fund, not only for the dollars but more importantly for the recognition it confers on the partnership between community and the campus community.”

-BASIS, 2012-13

FUND HISTORY AND HIGHLIGHTS

The first Chancellor’s Community Partnership Fund grants were awarded for the 2006-2007 academic year. Forty-five grant proposals were received, and 15 projects were funded. The number of applications has increased over the years, with roughly 60 Pre-Applications being received for the two most recent grant cycles. For the 2013-14 academic year, 66 Pre-Applications were received and 11 funded. And for the 2014-15 academic year, 59 Pre-Applications were received – the Advisory Board will recommend award recipients to the Chancellor in the spring. Since the Fund’s inception, an average of 14 partnerships is awarded each year. Here are some highlights of recently awarded partnerships.

2011-12

BUILD Equity through Literacy seeks to meet the 2020 Vision goal of 3rd grade reading proficiency for all of Berkeley’s youth as a fundamental step to closing the academic achievement gap.

Community Partners: The Berkeley Alliance, Berkeley Unified School District, Berkeley Public Education Foundation, City of Berkeley Parks & Recreation, WestEd

UC Berkeley Partner: UCB Public Service Center

Type of project: Education, Community Service

\$40,000, 2 year

“This is great work that results in lot of positive visibility for the University in the Berkeley community.”

– Berkeley Skydeck, 2011-13

SkyDeck | Berkeley is a startup accelerator that fosters entrepreneurial excellence and engagement with UC Berkeley, the Lawrence Berkeley National Lab, local government and the private sector.

Community Partner: Downtown Berkeley Association, City of Berkeley: Office of Economic Development, Beacon Group Ventures, Berkeley Chamber of Commerce

UC Berkeley Partner: Office of Technology Licensing, Haas School of Business: Lester Center for Entrepreneurship, College of Engineering: Center for Entrepreneurship and Technology

Type of project: Economic Development, Community Service

\$50,000, 2 year

2012-13

BASIS: Bay Area Scientists in Schools

has collaborated with campus partners to recruit, train and deploy 375 Cal scientist volunteers to do lessons in every Berkeley elementary school.

Community Partners: Community Resources for Science

UC Berkeley Partner: Science@Cal, Environmental Leadership Pathway at the College of Natural Resources, College of Chemistry, CalTeach

Type of project: Education, Community Service

\$5000, 1 year

Berkeley Project engages students in service projects in the City of Berkeley throughout the year.

Community Partners: Rebuilding Together East Bay-North, Berkeley Partners for Parks, Willard Neighborhood Association

UC Berkeley Partner: Berkeley Project, Retirement Center, UCB Public Service Center

Type of project: Environmental Stewardship, Community Service

\$40,000, 2 year

Pasangan 2012-14

Berkeley Project, 2012-14

2013-14

Conflict Busters focuses on restorative practices in elementary schools, teaching students to de-escalate and resolve the conflicts of their peers.

Community Partners: SEEDS Community Resolution Center, Rosa Parks Elementary School

UC Berkeley Partner: Restorative Justice Center

Type of project: Education, Community Service

\$5,000, 1 year

Print Public is a creative placemaking project partnering Department of City & Regional Planning, and UC Transportation Center, Kala Art Institute, and local businesses to create art installations, pop-up projects, print kiosks, and innovative acts of culture to activate San Pablo Avenue in West Berkeley.

Community Partners: Kala Art Institute

UC Berkeley Partner: UC Transportation Center

Type of project: Arts and Culture, Neighborhood Improvement

\$40,000, 2 years
