

**Chancellor's Community Partnership Fund    2014-2015 Grant Recipient Recommendations**

<b><u>Award Amounts</u></b>				
Community Service: \$149,364				
Neighborhood Improvement: \$33,500				
Total Award Amount: \$182,864				
<b>Community Service Projects</b>	<b>Community Partners</b>	<b>University Partners</b>	<b>Theme and Project Type</b>	<b>Award Amount</b>
<b>AP/IB Berkeley High Study Group Leaders</b> is a collaboration between Berkeley High and UCB undergraduates serving as study group leaders for a diverse group of Berkeley High students enrolled in AP and IB courses. This project seeks to address the current under-representation of black and Latino students from low-income backgrounds in AP and IB courses.	Berkeley High School	Frank Worrell (Graduate School of Education), International Area Studies, Alan Karras, Associate Director	Education (Community Service)	\$25,000
<b>Athletics-For-All</b> will enable BORP to partner with UC Berkeley to become the first university in California to offer a competitive sports program for community members and students with disabilities. The funds will be used to create weekly sport programs which engage both the community and student participation such as: Goalball for the blind, Powersoccer for power-chair users, Wheelchair Basketball, and others.	BORP (Bay Area Outreach and Recreational Program)	Graduate School of Education, Cultural Studies of Sport in Education	Education (Community Service)	\$20,000
<b>Bay Area Book Festival</b> , an annual, free event, scheduled for June 6-7, 2015 in downtown Berkeley and at selected campus venues, will feature 150 of the world's leading authors on panels and stages, coupled with an outdoor fair showcasing independent bookstores, literary nonprofits, arts organizations, and businesses.	Bay Area Book Festival, Downtown Berkeley Association, Berkeley Arts and Letters, Heydey Books, KQED	Office of Communications & Public Affairs, University Library, International House, UC Press, Berkeley Public Library	Arts and Culture (Community Service)	\$20,000
<b>BOSS Summer Academy for Scholars (BSAS)</b> is a six week program designed to engage scholars who find themselves between permanent and temporary housing in a consistent learning practice and process. BSAS endeavors to close gaps of understanding in language arts, mathematics and science.	Buidling Opportunities for Self-Sufficiency (B.O.S.S)	UC Berkeley Student Learning Center	Education (Community Service)	\$12,500
<b>Every Bear Goes Home (EBGH)</b> is a collaborative effort of public safety personnel, students and administrators, seeking to reduce injury and loss of life in the UCB college community. The program hosts an honest, hard-hitting, and aggressive presentation on ways to stay safe during their college years.	Every Bear Goes Home; Berkley Fire; Berkeley Police;	LEAD Fraternity & Sorority Advising & Leadership Development; Interfraternity Council: Risk Management; UC Police Department	Community Safety (Community Service)	\$10,000
<b>Experience Corps Bay Area - Berkeley (ECBA)</b> uses a research-driven, award-winning program model, that includes training and placing adults 50 and older in elementary schools to provide consistent one-on-one and small group tutoring and mentoring to struggling students, with a strategic focus on K-3 literacy.	Experience Corps Bay Area; Berkeley Unifed School District	Goldman School of Public Policy; UCB Retirement Center; UCB Dept. of Psychology; Rachel Wu (student partner)	Education (Community Service)	\$9,600
<b>Justice Rising: Youth Restorative Justice</b> promotes fundamental change and a reduction in suspensions and disciplinary actions for students in Berkeley Technical Academy and other high-risk youth in Berkeley by providing students with the skills needed to promote a safer school and community environment.	The Urban Resource Institute, BUSD School Services; Providing Alternatives to Violence	Associate Chancellor's Office	Community Safety (Community Service)	\$40,000 (2 yrs)
